PRINCE EDWARD ISLAND

And its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, and the scenery is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, it enjoys all the coolness of the sea breeze, and the advantages that can only be derived from sea bathing, at about 65 degrees.

Charlottetown has over 12,000 inhabitants, and is the capital. It has many great retail stores, besides a large wholesale trade. It has a Gas Light and Power Company, two Electric Light plants, and a street railway in embryo. It has a first class water works and sewerage system. It is famed for its wide and shaded streets, its many pleasant drives, the principal of which is the new Park Boulevard, its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park. Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, Queen, and Bevere.

Summerside has about 4000 inhabitants. It is situated on beautiful Beque Bay. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. The hotels are—Clifton, Russ, and Campbell.

Georgetown and Souris have a population of about 1,000 each. In the former are the Aitken, and Tapper hotels and in Souris the Sea View. At Cape Traverse, a very pleasant summer resort, is the Lansdowne hotel. In Alberton, the Albion Terrace and Wisner. In Tignish the Railway; in Kensington, Clark's and Commercial; in Montague, McDonald, and in Mount Stewart, Clark's and Manson.

The following hotels open for the summer season: At Hampton, Pleasant View; at St. Anne's, Hutch's; and Cliff. At Brackley Point, Shaw's; at Rustico, Seaside; at Mail-que, North Shore, and Hodgson House at Tracadie Beach, Acadia; at Alberton, Seaforth, and at Pownal, Florida.

In addition to those already mentioned there are other towns and villages in the Province with hotel accommodation, while many farm houses prepare for the reception of tourists. The rivers and streams teem with trout, the bays with mackerel, while game of almost every description abounds.

N. B. - Visitors to Prince Edward Island, who desire full information regarding hotels and boarding houses, trains, boats, liveries, stables, etc., and how to reach the different seaside and country resorts, fishing places, etc., can obtain the same by writing to or calling on Messrs. Johnson & Johnson, Druggists, Prowse Block, Charlottetown, and Mr. D. K. Currie Water St. Summerside, where all information will be cheerfully given free of charge.

All hotels and farm houses having accommodation should register at the above places at once, stating charges, nature of accommodation, locality, and such matters as tourists would like to know about.

KINGSTON CONFIRMATION.

W. C. Bennett, of Kingston says Dodd's Kidney Pills will do all that is claimed for the

Kingston, July 17.—Mr. W. C. Bennett, of Barriefield just over the hill from the Limestone City, confirms what the Canadian press has been asserting recently that Dodd's Kidney Pills, cure to stay cured.

To a Toronto enquirer Mr. Bennett, wrote back as follows:

Kingston, May 28th, 1899
Dear Sir—Your letter referring to Dodd's Kidney Pills received and in reply would say that I have used them to great advantage. Dodd's Kidney Pills to all that is claimed for them.

Yours truly, W. C. Bennett.

The Reason.

Mr. Spelter—Oh, you may talk as you please, Jane; but you were an ignorant woman when you married me. Mrs. Spelter—Yes, that probably accounts for it!

BADECK, June 11, 1897.

C. B. RICHARDS & CO.

DEAR SIRS,—MINARD'S LINIMENT is my remedy for NEURALGIA.

It relieves at once.

A. S. McDONALD.

IT'S TOO

To undergo an operation for itching.

Piles when Dr. A. W. Chase's Ointment is a surer, cheaper, easier way to cure.

Crusl, barbarous methods belong to the dark ages of the past. There was a time when a surgical operation was considered the only possible cure for piles. Not so now. Occasionally there is still found a physician who adheres to this dangerous and expensive method, but to every one who still believes in using the knife, ninety and nine recommend the use of Dr. Chase's Ointment.

Dr. C. M. Harlan, writing in The American Journal of Health, said: "We know that 'Dr. Chase's Ointment' meets all the requisitions of the highest standard of worth, that it will be held in high esteem wherever it is used, and consequently we endorse it to every reader."

By force of merit alone Dr. Chase's Ointment has won its way into this wide, wide world, until it has made the name of Dr. Chase familiar in almost every home, and won for the venerable discoverer the title of "America's Greatest Physician."

Dr. Chase's Ointment has never been known to fail as a cure for piles. It matters not whether blind, itching, bleeding or protruding, Dr. Chase's Ointment is an absolute and perfect cure.

Dr. A. W. Chase's Ointment is the discoverer of the sufferer of Dr. Chase's Ointment, whose portrait and signature is on every box of the genuine. A box. All colors, of
