

Watch Your Nerves! Danger Ahead

If you are breaking down under the strain and stress of work—take a word of timely advice. Look out for your nervous system.

It takes phosphates to nourish your nerves. Modern, over-refined foods do not contain enough of these phosphates; therefore, your nerves practically "wear out."

Penular Dynamic Tonic remedies this condition. It is rich in the vital phosphates necessary to nerve strength. It does build you up, promptly and SURELY. And you will be amazed at the results. Scientific nerve food—free from alcohol—increases your vigor, energy and endurance. Get a Five Weeks' Treatment bottle from us and see—W. G. Smith, Welland, Ont.

ADDRESS AND PRESENTATION

Quite a large number of neighbors, relatives and friends gathered at the home of Mr. and Mrs. M. L. MacMillan, Brackley Point Road on March 4th and presented them with the following excellent address. Mr. MacMillan and family are leaving early next week for Edmonton and are followed with abundant good wishes for their future success and happiness. The occasion was made exceedingly pleasant the evening passing all too quickly, a pleasant feature being the delectable supper served by the ladies, a goodly number of devoted friends, who have come to offer a token of their best wishes, prior to your departure from their midst. It is needless to say that their regrets at the prospect of losing you are sincere and heartfelt but they are comforted by the reflection that what is a loss to our island is a gain to Western Canada, and that your energies will be still directed to building up this great Dominion of ours. Nature has given us a magnificent heritage—a great and rich land with unbounded possibilities. But to convert these possibilities into realities we need honest upright and enlightened citizens, such as we have found you.

We were not restrained by your presence we would be tempted to grow eloquent in praise of the splendid qualities we have found in you, but to tell people to their faces what those, who know them best think of them is a delicate task to venture upon, however pleasant it may be "to give honor to whom honor is due." We will however take it upon ourselves to say that in your going our community suffers a distinct loss. You've doubled our joys and divided our sorrows since you have come amongst us.

The departure of your children too, will leave a vacant place difficult to fill, especially in our district school, where they were universal favorites, as well as enthusiastic pupils. May they continue to live in pride and comfort of their parents, and may they become the glory of their adopted country!

Before parting we beg you to accept this slight token of our esteem and we hope that in your new home you will be mindful of your old friends and on our part we assure you you will always be welcome in your native province.

We would fain delay the time for saying "good bye" but "time and tide wait for no man," so, in the words of Robert Burns, Farewell, dear friends, may guide luck hit you, And may her favorites admit you, If e'er Detraction try to smite you, Your name believe him, And any dell that thinks to get you, Good Lord deceive him. (Pat. please copy.)

Commencing on April 7th at 8.15 p. m. in the First Methodist Church, Charlottetown, a series of Union Evangelistic meetings will commence in this city. Mr. Ritchie Bell, has the ring in his gospel addresses, and his long experience in Y. M. C. C. church and Sailer Institute work of which he has been a great source of inspiration in Montreal, has been crowned with much spiritual success. As a singer, however Mr. Bell is a pronounced success and has been listened to by thousands. These services should prove a great spiritual uplift to all.

A man who gets what he deserves has his troubles.
