TESTIMONIAL (Not asked for) From Okotoks, Alberta.

This person sent us a nice order for Seeds again this year and has this to say:-

Okotoks, Alberta, March 17, 1929. Messrs. Carter & Co., Ltd., Seedsmen, Charlottetown.

"It seems strange to send all this distance but while I lived on P. E. I, I always got good seed at Carter's and thought I would try it again. Have been away twenty-one years and always get my turnip seed from you, as no seed we ever bought out here grew turnips with a REAL flavor."

THE MARKETS

MONTREAL, April 10.—The export trade in grain continued of a limited character here today but the demand from local and country buyers was fair and a moderate amount of business was worked at steady prices.

Weak and Run Down Didn't Want to Eat Could Not Sleep

Mrs. D. Leone, Sault Ste. Marie, Ont., writes:—"I was weak and run down; did not want to eat, and could not sleep. I felt tired of living and often longed for death to free me from my terrible misery as I felt I would never be strong again. I thought I would try...

and really I soon felt like eating and living, and new life seemed to come to me.

OTTAWA, Ont., April 10.—The only price changes reported in egg markets today are from the Maritimes, where quotations are working lower.

TORONTO.—The local egg situation is unchanged. Dealers are quoting country shippers for ungraded eggs delivered, cases returned, extras 27-28; firsts 25-26; seconds 22-23.

MONTREAL.—This egg market is unchanged in both tone and prices. The sale of a number of cars is reported on a basis of 27-34 to 28 cents for extras, F O B Laurier.

ST. JOHN.—Egg supplies here are increasing under favorable weather conditions and the market is dull as all dealers are getting ample supplies.

HALIFAX.—Egg receipts are increasing rapidly and while the demand is holding up quite well, the undertone on the market is weak.

ROAD ACT

Continued from page 1—

Hon. Mr. McIntyre: Well, there were lots of acts going through the House and after they were in force for a year they were amended.

Hon. Mr. Stewart: That is the fact, at any rate. What are the provisions that apply now.

Hon. Mr. McIntyre: Under the same provisions as the income and personal property Tax.

Dr. MacMillan: Are there much arrears?

Hon. Mr. McIntyre: Not very much.

Hon. Mr. Stewart: I notice that you are striking out the section that provides for the schedule, and you are going to leave the schedule in.

Hon. Mr. McIntyre: That is left for the Lieutenant Governor in Council.

Hon. Mr. Stewart: But why not repeal your schedule? Why refer to the schedule and mislead the public when in fact you are repealing it? Why not have your schedule repealed? It is only there to mislead the people.

Hon. Mr. McIntyre: Possibly that point might be well taken. The schedule should be repealed, but it may apply to some districts and it may not. It is left to the discretion of the Lieutenant Governor in Council.

Hon. Mr. Stewart: That is making it more misleading than ever. The public will not know whether it is of any value or not. Why not change your schedule in conformity with the Act? You are repealing the section on which it is based, yet you leave the schedule there.

Hon. Mr. McIntyre: Does my hon. friends suggest that we strike out the schedule of the act of 1928?

Hon. Mr. Stewart: Absolutely; if you are striking out the section on which it is based.

Premier Saunders: That would never do. So far as the schedule is concerned I believe that the Govern-

ing brothers and sisters, William Gass of Churchill, Robert of Green Bay, Thomas of Chipperfield, Saskatchewan, Mrs. Harding Smith, Everett Mass. Mrs. Joseph MacLeod Victoria.

The funeral took place on Friday March 22nd, at Appin Road Cemetery and was largely attended despite the bad condition of the roads.

The service at the house and grave were conducted by Rev. Mr. Kaye who spoke comforting words of sympathy to the bereaved.

The pall-bearers were; Judson MacEachern, James Matheson, Charles Condon, William MacFarlane, Ambrose Barret and Russell Boyce.

MRS. PERCY W. ROBBINS.

The many friends of Mrs. Percy W. Robbins, of Morel, were shocked to hear the sad news of her death which occurred on Thursday morning, March 14th, at the P. E. Island Hospital which she had entered on Monday previous for treatment.

Her remains were brought on Thursday's evening train to Morel Station, where many sympathizing friends had gathered, and conveyed to the home which she had entered three and one-half years ago as a bride.

"Bessie", as she was familiarly known to her friends, was of a quiet lovable disposition, beloved by all who knew her. Although she had suffered much during the past few years, she was not known to complain. God has taken her unto Himself, where there shall be no more sorrow, neither sickness, nor death.

Her funeral which was one of the largest ever seen in this vicinity, was held from her late home on Saturday afternoon, March 16th. Service was conducted by Rev. M. K. Charman, of Mt. Stewart, who gave a very eloquent address, referring very feelingly to the life of the deceased, and conveyed to the bereaved family the deep sympathy of the whole community.

The hymns sung were "Asleep in Jesus," "Face to Face" and "Jesus Savior Pilot Me", all favorites of "Dear Bessie."

She leaves to mourn their irreparable loss a sorrowing husband, twin daughters—Grace and Lilla, aged two and one-half years; "Baby Harry" aged five months, her parents, Mr. and Mrs. Frank Anderson, two brothers, Vernon and Sydney, and one sister Minnie, of New York, who arrived home too late for funeral.

Her body was tenderly laid to rest in Midgell Cemetery, there to await a glorious resurrection. The pall bearers were Lloyd McEwen, Gordon Hooper, Harold Webster, Joseph A. McDonald, Ted Anderson and Wilbur Webster.

The beautiful floral tributes, which almost covered the casket, were as follows:—

Wreath, Husband and family; Wreath, Father, mother and Sydney;

MRS. ANNIE FARROW

A deep gloom was cast over Appin Road and vicinity when it was learned that Mrs. Annie Farrow had passed away during the afternoon of March 20th after a very brief illness.

Although not in her usual health for the last two months she was only bedfast for two weeks.

The deceased was a great sufferer from Asthma for a great number of years, but the direct cause of her death was due to heart trouble.

She was 67 years of age and leaves to mourn one daughter Mrs. Wm. Gillespie with whom she resided also one son Edgar on the homestead her husband having pre-deceased her about two years ago, also the follow-

Monday morning the remains will be sent to Chilliwack, B. C., for interment in the family plot, beside the remains of her late husband.

The late Mrs. Vickerson was born in North River Prince Edward Island and had lived most of her life in the Maritime provinces with the exception of a few years when she lived at Chilliwack. Following the death of her husband there, the late Mrs. Vickerson returned to the East, making her home at Sydney.

Two months ago she came to the West to visit her sons and daughters and ten days ago became ill with the flu.

She is survived by her four sons, William Vickerson, 231 Hockelag street west; Francis and Haslam Vickerson residing at Chilliwack; and Mac residing in Cornwall, Prince Edward Island. Four daughters, Mrs. H. Vickerson, who resides at Keeler and who also resides in this city at 32 Athabasca street east; Mrs. R. Richards, Sydney, N. S.; Mrs. S. M. Richards, Sydney, N. S.; Mrs. W. Flannigan, Molapan, Mass; and one sister, Mrs. R. Younker, Concord, New Hampshire.

Broadfoot's are in charge of the funeral arrangements.

ALMA—Mrs. Wallace Donald entertained the Institute at her home for the March meeting. Insidious Eye Strain

We use this adjective advisedly. Sufferers from Eye Strain may have perfect vision and therefore do not suspect the presence of any eye defect.

The mighty power of the entire human organism is Nervous Energy.

Normal eyes it is computed utilize about 20% of this Nervous Energy but when Eye Strain is present, a much larger proportion is required. Hence defective eyes, through their consumption of an excessive amount of Nervous Energy may seriously affect the functioning of other organs of the body and produce ill health.
