

A balanced dish

There's nothing like PEP Bran Flakes. With milk they're almost a perfect food. Rich in whole-wheat nourishment. Healthful because they've just enough bran to be mildly laxative. And the flavor—why it's the famous flavor of Pep. Made by Kellogg in London, Ontario.

Miller's Worm Powders were devised to promptly relieve children who suffer from the ravages of worms. It is a simple preparation warranted to destroy stomachic and intestinal worms without shock or injury to the most sensitive system. They act thoroughly and painlessly, and though in some cases they may cause vomiting, that is an indication of their powerful action and not of any nauseating property.

IN MEMORIAM

THE LATE THOMAS McMAHON Citizens learned with regret Sunday evening of the sudden death of Mr. Thomas McMahon, a well known and highly respected resident of this city. He was about his usual quiet life until one week ago and his death came as a great shock to all. The late Mr. McMahon was born in Richabuco, N. B., sixty-six years ago and was a life-long resident of the city of Charlottetown. He was for some years employed on the boats of the Navigation Company and for the last number of years he was night-watchman in the city. His exemplary Christian life made him known and respected by all, and his kindness and hospitality gained for him a host of friends in every part of the province. He is two children, Bernard and Mary died some years ago and he leaves behind him a sorrowing wife to mourn the loss of a kind and loving husband. He is also survived by a brother and sister, Mr. P. J. McMahon and Mrs. Duncan McMillan of Charlottetown.
