WHY APPENDICITIS?
Why is appendicitis so common today? Because we have got into the pernicious habit of eating too fast.
Dr. Curtis, the great authority on this disease, says: "Appendicitis often follows the eating of a very hasty, or particularly large or indigestible meal."
After carelessly following a foolish custom, you can insure your safety by taking Stuart's Dyspepsia Tablets.
It is an accepted, scientific truth, which admits of no dispute, that if you will only keep your digestive apparatus in good order, you will never suffer from this dread disease, which, at best, means a weakening operation, with long weeks wasted in bed, and big doctor's and surgeon's bills to pay as souvenirs.
Keep your appendix in health by the proper use of Stuart's Dyspepsia Tablets whenever you have laid yourself open to danger by overeating, and upon the least sign of stomach or intestinal trouble, for otherwise, at any time, this dangerous disease may lay you low.
The curative influence of this great medicine is quickly shown in the gentle soothing effect it has on all inflamed conditions of any part of the digestive tract. Stuart's Dyspepsia Tablets tone all these parts up to a proper condition of perfect health, and regulate their functions into a proper working state.
They also make away with all the causes of irritation, inflammation or indigestion, by helping to dissolve, digest and assimilate, or put to proper use, all the food which is lying around in odd corners of your digestive apparatus, fermenting, rotting and curdling, like so much garbage in a dirty sink.
In these natural and perfectly simple ways, Stuart's Dyspepsia Tablets restore all sufferers, from any form of dyspeptic trouble, to health.
They are safe and reliable. They never fail to relieve and cure, quickly and permanently.
Use them, and you need never worry about your appendix verminiformis.

MURRAY RIVER NOTES.
Mrs Cook, Belle River is visiting her sister, Mrs Francis Cook.
The new Presbyterian Church at Murray Harbor South is well advanced and will be a very artistic and commodious building.
Two vessels owned by Capt. Weather, Lunenburg, N. S. and Capt. Chipman, Beach Point, are loading with potatoes for N. S. by T. L. Cook.
Preparations are in progress for the celebration of the 21st anniversary of Dawn of Day Lodge, to be held Wednesday, Nov. 2nd. A good time is expected.
By the cessation of work on the Murray Branch Ry., a great many men will be out of work. The running of trams and whistle of engines will be missed in this quiet village, until the bridge is completed and the road open for traffic.
Rev D W Crandall and R Keenan attended the Baptist Quarterly Conference at Hazelbrook. They report a successful meeting, and a good time, with good roads and perfect weather. There was a large and representative attendance.
A unique and enjoyable church function was held recently at the Baptist parsonage. It took the form of a birthday party, the guests each bringing as many cents as they were years old. Two violins, bass-viol and flute, played by the Messrs. Jordan of Guernsey's Cove, and piano and vocal music by Mrs. and Miss Crandall, furnished entertainment. Refreshments were served during the evening, and a goodly sum was realized for church work.

THOROUGH IN ACTION
ON THE DIGESTIVE AND EXCRETORY SYSTEMS.
Dr. CHASE'S KIDNEY-LIVER PILLS.
ARE LASTINGLY BENEFICIAL—REMOVING THE CAUSE OF DISEASE.
The symptoms of dyspepsia, biliousness, liver complaint, kidney disease and rheumatism point to the presence of poisonous matter in the system.
The first thing Dr. Chase's Kidney-Liver Pills do is to thoroughly cleanse the system of this waste matter by causing free action of the kidneys, liver and bowels.
This result is not brought about in a harsh and irritating way, but is naturally and thoroughly accomplished.
The flow of bile from the liver aids digestion and ensures continued regular action of the bowels; the free action of the kidneys removes the uric acid, which would otherwise cause rheumatism or stone in the bladder.
Digestion, assimilation and the removal of waste matter are carried out without pain or discomfort and there is no food held for contagious or other disease.
There is no other preparation possessing this unique and combined action, and none which can possibly reach such complicated diseases as Dr. Chase's Kidney-Liver Pills.
Mr. C. F. Immel, shoemaker, Western Hill, St. Catharines, Ont., states: "I have used Dr. Chase's Kidney-Liver Pills regularly for some time and consider that they are unsurpassed for torpid liver, defective circulation, indigestion, headache and constipation, as these were my troubles. I used many remedies, but got no relief until I tried Dr. Chase's Kidney-Liver Pills, and a few boxes of this preparation have entirely cured me. I am not in the habit of endorsing any medicine, but in this case I cannot speak too highly in praise of Dr. Chase's Pills for what they have done for me."
Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, at all dealers, or Edmondson, Bates & Co.—Toronto.
The portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

Saving Teeth is Dentistry
Everyone has seen the sunken cheeks and marred appearance of the faces of those who have lost their teeth. Beauty, a thing so much desired is often destroyed by the ruthless use of the forceps; and health a priceless treasure, is often lost from the extraction or decay of the teeth. Everyone knows of, if they have not experienced, the tortures of indigestion arising from the improper mastication of food dependent on the loss of the teeth.
SAVE YOUR TEETH!
Because a tooth is decayed or aching is no reason why it should be extracted. By proper treatment it can be restored to health to do the work nature intended it for. Give your teeth attention before it is too late. Remember
