TONGUE TWISTERS.
The popular 'snarers for the tongue,' the historical story of Peter Piper and his many pecks of pickled peppers, may be utilized to sharpen the wits and cure hesitancy of speech. The sobriety callers may be approximately gauged by seeking them to read the following sentences:
Six thick thistle sticks.
Flesh of freshly fried flying fish.
The sea ceaseth and it sufficeth us.
High roller, low roller, rower.
Gaze on the gray brigade.
Strange strategic statistics.
Give Grimes Jim's gilt gig whip.
She says she sells sea shell.
A cup of coffee in a coopeer coffee pot.
Say, should I such a shapely sash shabby ribbon stitches show?
Sarah in a shawl shoveled soft snow softly.
Smith's spirit flask split Philip's sixth sister's fifth squirrel's skull.
A box of mixed biscuits: a mixed biscuit box.
Strict, strong Stephen Stringer snarled sleekly six sickly, silky snakes.
Swan swam over the sea. Swim swan swam over the sea. Swam, swam.
It is a shame, Sam; these are the same Sam. 'Tis all a sham, Sam, and a shame it is to shame so, Sam.
A glowing gleam growing green.
A bleak breeze blighted the bright broom blossoms.
Susan shines shoes and socks; Socks and shoes shines Susan. She ceaseth shinning shoes and socks, for shoes and socks shocks Susan.

HEART DISEASE
is a symptom of Kidney Disease. A well-known doctor has said, "I never yet made a post-mortem examination in a case of death from Heart Disease without finding the kidneys were at fault." The Kidney medicine which was first on the market, most successful for Heart Disease, and all Kidney Troubles, and most widely imitated is
Dodd's Kidney Pills

NEIGHBORS DID NOT KNOW HIM

Valentine Fisher's Sciatica Cured by Dodd's Kidney Pills.

Could Hardly Put One Foot to the Ground, Now he Can Walk all Day Without Trouble.
COLLINGWOOD, March 6.—(Special.)—'Dodd's Kidney Pills made a new man of me,' so speaks Valentine Fisher, well known in Collingwood and the surrounding country. 'I was troubled with Kidney Disease for thirteen years. It developed in Sciatica and located in my side so that I was hardly able to walk, and could not do so without the aid of a cane. My back was also affected and altogether I was a cripple in the most painful sense of the word.
'And the worst of it all was I could get no relief. Doctors and medicines failed to do me any good till I was fortunate enough to try Dodd's Kidney Pills. The benefit was almost miraculous. My health came back and the change in my appearance was so great that some of my neighbors did not know me.
'Whereas before I could hardly put one foot to the ground, and I had to use morphine to ease the pain, I was enabled to go to work selling fruit trees and walk all day without any trouble.'
Sciatica and kindred diseases are caused by uric acid in the blood. Dodd's Kidney Pills put the Kidneys in shape to take the uric acid out of the blood, and the Sciatica disappears.

THE CANADIAN STEEL AND COAL COMPANY Limited, was organized to mine and manufacture iron and coal coke and steel in Canada, at Atlantic tide water.

The raw materials for these manufacturers are:—

1. COAL.
2. IRON.
3. LIMESTONE.

All these materials we have at hand.

The Company has acquired by purchase, immense iron deposits on the North Shore of the Gulf of St. Lawrence, about 350 miles from Sydney. The deposits are estimated to contain 20,000,000 tons of ore above sea level with probably as much more below that line. The iron can be handled for \$1.00 per ton or less. Quantities of this ore have been shipped to Great Britain and United States where it has given great satisfaction, and we can sell large quantities f. o. b. at the properties, netting us a profit of \$2.00 per ton. This ore makes the finest steel.

When in full operation the output is expected to be about as follows:

1. IRON.—200,000 tons iron ore shipped direct from property, showing net profit of \$2.00 per ton, total \$400,000 00
- 200,000 tons fine iron ore shipped in briquettes, showing net profit of \$4.00 per ton, total \$800,000 00
- 100,000 tons steel blooms showing net profit of \$4.00 per ton, total \$400,000 00
- 600,000 tons coal, showing net profit, at least, \$1.00 per ton, total \$600,000 00
3. AIDS.—Government bounties (averaged) added to above per year for 6 years \$1,000,000 00

Total yearly revenue \$2,200,000 00

Total net annual profits Less FIXED CHARGES: 5 per cent interest on bonds 7 " " on preferred stock Sinking Fund Incidentals

Net yearly profits \$2,000,000 00

Equivalent to yearly dividends of 30 per cent., or 15 per cent. half-yearly on total capitalization. If the capitalization was increased to this estimate would still show a dividend-earning capacity of 10 per cent. per annum.

The capitalization of the Dominion Coal Co., is earning fully 12 per cent., and is paying 8 per cent. guaranteed dividends on this enormous sum. The capitalization of the Dominion Iron and Steel Company is on which it is believed 6 per cent dividends will be earned.

The capitalization of the Canadian Steel and Coal Company is only controlling, it is believed, equally valuable properties, and it is reasonable to expect much larger dividends.

Within the last few months Dominion Coal shares common rose in market value from \$40 to \$144 per share, and Dominion Iron and Steel Company's shares common rose over \$30 per share in market value.

With such low capitalization The Canadian Steel and Coal Co's shares would show tremendous profits; and it is confidently believed they will.
