Address and Presentation

At a special meeting of the Cornwall-York Point Women's Institute which took the form of a Christmas party on Dec. 16th at the home of Mrs. Hazel Howard, the members presented Mrs. Gordon MacMillan with a life membership certificate of the Federated Women's Institute of Canada as a recognition of her valuable services to the organization.

Mrs. Allison Millan, president of the Federated Women's Institute of Canada, and Mrs. Allan Stewart, Provincial president were guests of the evening.

The certificate was presented to Mrs. MacMillan by President, Mrs. Stanley Murray, the pin by Mrs. Stanley Murchison and the cheque by Mrs. Heber Horne.

The following address was read by Mrs. Helen Howard: Cornwall, Dec. 16, 1948. To Mrs. Gordon MacMillan: The executive and members of the Cornwall-York Point Institute considered and thought a this Christmas season it would be fitting to acknowledge in some tangible way your many efforts which you have put forth for the welfare of this organization.

During the past year, at your home we celebrated our thirty-fifth anniversary, and although you do not claim to be a charter member, yet you are one of the oldest and most active of our membership, and last year as our President your leadership gave us incentive to do much improvement to the community hall, the schools, and other community welfare.

Your beautiful garden for which you have become so well known (and incidentally speaking of your garden, beautiful as it is, would be lifeless without your ring of laughter and cheer), is always welcome to us, and also the flowers which you strew around so profusely for public affairs in the church and to the sick.

So, tonight we recognize in a small way, what you mean to us, a neighbour, and friend viz., your home to which we are welcomed many times in the year, your leadership, your music, your flowers, and indeed your very self, and now we ask you to accept this Life Membership to the Federated Women's Institute of Canada, as a symbol of our gratitude for your many services rendered to us, and our wish is that you may be spared for many more years of active service in our organization and community.

Signed on behalf of the members of the Cornwall-York Point Institute: Lillian Murray, President; Bertha Murchison, Secretary; Erna Horne, Treasurer.
