ANOTHER NAME ENROLLED.
Growing List of those who Testify to Dodd's Kidney Pills in Montreal.
MONTREAL, July 9.—The list of those who have received benefit from the great medicine, Dodd's Kidney Pills, is steadily growing in the city. Since Mr. Robert Thomson's name was published, Mr. M. Mulin, of 4 Elgin Street, has stepped forward and submitted his testimony. His case was Rheumatism which though now generally recognizes as a kidney disease is not always treated as such.
People waste a lot of money trying to drive Rheumatism from the system. If they would all follow Mr. Mulin's example they would be saved much pain and expense.
Says he, "I have had Rheumatism for some time and could get nothing to cure me until I used Dodd's Kidney Pills. I have now taken three boxes and am cured."

Frightened Dyspeptics

Find Courage, Relief and Cure in Dodd's Dyspepsia Tablets.

Are you afraid to eat? Thousands are. They know that Dyspepsia, Indigestion, or one or other of the long list of stomach troubles follows every meal. In order to escape this they deliberately starve themselves. This is utterly needless, for a couple of Dodd's Dyspepsia Tablets after each meal, prevent any evil or unpleasant effect.
Dodd's Dyspepsia Tablets are an infallible cure for Indigestion, Dyspepsia, Heartburn, Sour Stomach, Flatulence, and all diseases of the stomach and other digestive organs.
Dodd's Dyspepsia Tablets always cure these diseases, and also give health and strength to the stomach and digestive organs. They digest the food themselves, without aid from the stomach, which is given time to rest, and recover from any weakness or other defect.
There has not been a single failure to cure, since Dodd's Dyspepsia Tablets have been introduced. They have cured every case in which they have been tried. They will cure you. They cannot fail if you give them a fair trial.

Manitoba Wheat Crop Encouraging.

C. P. R. crop reports received at Winnipeg from all parts of Manitoba are a very encouraging character. Many of the agents say that it will be impossible to estimate the benefit of the recent rains which have thoroughly soaked every part of the province. However, the opinion is almost unanimously expressed that at the very best there will be only about half a crop. Late sown wheat and coarser grains will yield heavily.

Bloemfontein to be the Capital.

Cape Town, July 11.—It is understood that at the close of the war in South Africa, Bloemfontein will be the headquarters of the commander-in-chief, the seat of the South Africa court of appeals and eventually, the federal capital of South Africa.

SOLDIERS IN CAMP

Ex-Sergeant William Johnston of the 10th Royal Grenadiers, Toronto, writes:—"It is impossible for me to speak too highly of Dr. Chase's Ointment for piles or any itching skin disease. It is simply invaluable. Many of our men used it while in camp and received excellent results." Members of the Canadian contingents took 1000 boxes of Dr. Chase's Ointment with them to South Africa to relieve the sufferings of campaigning life.

Ashore and Floated.

Portland, Eng., July 11.—The British third class battleship Conqueror went ashore this morning on the Shombles Banks while proceeding to naval manoeuvres. She was subsequently floated and proceeded for this port.

COLDS THAT HANG ON

Pneumonia is the result of neglected chest colds, colds that hang on and inflame and irritate the bronchial tubes and lungs. To promptly and thoroughly cure chest colds, tightness in the chest and all colds in the throat and bronchial tubes, use Dr. Chase's Syrup of Linseed and Turpentine has proved itself the most effectual remedy extant. Its sale is simply enormous. 25 cents a bottle. Family size 60 cents.

Poisoned by Buttermilk

Lowell Mass., July 11.—George Egan, son of Thomas E. Egan of Nelson Avenue, died this afternoon, making the third death in the family within ten days, all the result of ptomaine poisoning, caused by drinking tainted buttermilk.

CHRONIC INDIGESTION

By far the most important part of digestion takes place in the intestines and it is folly to expect stomach medicines to cure a severe case of indigestion or dyspepsia. The kidneys, liver and bowels must first be made regular and active and the only remedy which acts directly on these organs is Dr. Chase's Kidney-Liver Pills. They are purely vegetable, act pleasantly and naturally and positively cure dyspepsia, biliousness and stomach troubles. One pill a dose, 25 cents a box, take no substitute.

A Good Recommendation.

Mr. Alphonso Vassallo writes that Dearborn's "Perfect" Baking Powder is the best he ever used. He states that he has used it while connected with the Sydney Hotel, Sydney, and Davies House, Charlottetown, and is now using it at the dining rooms of the Dominion Iron & Steele Co., where 5,000 are fed each meal.

Mr. Vassallo is a member of the Universal Cookery and Food Association, of London, Eng., and at present is manager of the hotel and dining rooms of the D. I. & S. Co., Sydney.
