BANISH BILE!

A bilious condition of the system is the result of indigestion of the liver, often causing severe headache through the eyes and temples, culminating sometimes in nausea and vomiting, which is frequently followed by a bilious diarrhoea. "Abbey's Effervescent Salt, when taken as directed, stimulates the peptic glands of the stomach and increases the contraction of the muscles from above downward. This action is communicated to the intestines and increases the flow of the intestinal juice, thus stimulating the ducts of the liver to pour out the bile, when it can be carried downward by the laxative action of the salt, instead of remaining to clog up the liver and flow back into the stomach. Thus, if a person who is subject to biliousness and bilious headache will use Abbey's Effervescent Salt, the natural action of the stomach, liver and intestine will be kept up and no bile can accumulate in the system. Sold everywhere at 25c. and 50c. Sold by Geo. E. Hughes.

SEASON OF MUSICAL COMEDY

Commencing Tuesday night, the Field and Christie Musical Comedy Company opens an engagement at the Prince Edward. This company comes well indorsed by leading managers throughout western Canada, for, as a matter of fact, this is a Canadian company having been organized three seasons ago at Springbank Park, London, Ont. where they played a sixteen weeks engagement to packed houses. The company numbers twenty of the very best people available in musical comedy and is headed by Canada's favorite comedians, Feldman and Christie, who have had years of musical comedy experience with some of New York's biggest musical productions. This is not tabloid organization presenting short cast versions, but a company that presents two acts musical comedies running from two to two hours and a half. The Feldman & Christie Company take pride in having the liveliest and prettiest choruses of any organization of its kind. Each production is staged with their own "special scenery" and the costuming is up to the minute. The watch word of this organization is good, clean, moral and wholesome performances that the most fastidious may attend without being offended. The girl contingent is headed by dainty Agnes Geary, a winsome little miss, who captivates her audience on her very first appearance. Miss Marie Mangeson, direct from the Palace Theatre, London, England, where she created a furore with her splendid voice, is one of the big features with this clever company. The Imperial Singing Four, one of the highest priced singing quartettes before the public, is an extra feature with this attraction. They change their selections at each new production. Plays will be changed every night and matinee during the engagement. The opening play for Tuesday will be The Liberty Theatre, New York success in two acts, entitled "The Girl Question." Seats for all performances on sale today.

WHAT CANADA PAYS!

SOLDIERS PAY AND ALLOWANCES, CONDITIONS OF ENLISTMENT PROVISION FOR WIVES, MOTHERS AND CHILDREN

Canada is determined that her sons shall be as well paid and their families as well cared for, as a grateful and wealthy country can afford. The scale of pay for Overseas Service, the allowances from the Patriotic Fund, and the Pensions, are on a more liberal basis than those of any other country engaged in the war.

SCALE OF PAY

Table with columns: RANK, Pay per day, Field Allowance per day, Separation Allowance per month. Rows include Sergeants, Corporals, Privates, Buglers, Drummers etc.

The men are, of course, fed and clothed by the Government. The Separation Allowance is the sum paid by the Government to the wife of each enlisted man, or to the widowed mother if the son is unmarried and is her sole support. This is in addition to part of his pay which is reserved for her. One-half of a soldier's pay is withheld by the Government and paid to his dependents. This ensures that at least \$35.00 per month is paid by the Government to the wife of each soldier.

THE PATRIOTIC FUND

The Patriotic Fund has been created to assist those dependents of a soldier who need more help than the Government gives. From this Fund the following sums are paid if the need exists:-

Table showing amounts for Wives, Children of widowers, Mothers of unmarried men, Children of married men according to age and number in family.

Ladies representing the Patriotic Fund pay regular visits to families of men on Overseas Service, and give friendly advice and practical help in case of need. Many employers have pledged themselves to give preference to returned soldiers when engaging men.

PENSIONS

The Canadian scale of pensions range for private soldier, from \$75.00 per year for certain minor injuries to \$264.00 for total disability. In case of death \$22.00 a month is paid to the widow, and \$5.00 a month for each child. A widowed mother whose son was her whole support receives \$22.00 a month.
