The "Nellie A. Cluett" arrived in port Saturday to take on a load of supplies for the Great Western Missions in Labrador. The "Nellie A. Cluett", an international boat, is under the command of Captain Iverson. The diesel-powered ship expects to leave port this week after having been completely loaded in this local port for the Labrador missions.

An unfortunate accident occurred in Montague when Mr. Ted McEwen fractured a bone in his ankle while unloading flour. It appears that Mr. McEwen while in the act of transporting a bag of flour stumbled on a piece of flooring causing him to fall, and under the increased weight of the flour twisted his foot causing one of the bones to break. At present he is being confined at his home under the care of the doctor.

It has been noticed that the movie circuit has been obliged to change its location on Thursday to New Perth. Upon inquiring it was learned that the hall in Morell had been sold to other interests, and that the citizens of that community are erecting a new community hall in a new location across the street directly opposite Rostler's store. Morell has shown itself to be an enterprising community, and this serves to give one more evidence of their communal spirit.

Mr. J. A. MacDonald, Cardigan, is at present repairing his warehouse prior to the busy shipping season. It is understood that a contract for the new structure will be built providing concrete flooring for storage of potatoes prior to shipping. Now that the wharf has been repaired and is in excellent condition, ships are moving into the Cardigan wharf faster than usual to be loaded. Many farmers of this district will appreciate the improved storage space provided by Mr. MacDonald.

It has been reported by Mr. Douglas Nicholson, Scout Master, that the Boy Scouts Apple Day was an admirable success with a total gross proceeds of \$96.00. The twenty-four boys of the Scout troop worked from early morning till late at night to make a success of their day. Once again the citizens showed their generosity with regard to a worthy cause, for there is none more worthy than the Boy Scout organization, which is trying to help in making good citizens of the boys of the rising generation. And since all are interested in the physical, mental and moral development of their children, everyone should welcome the chance of being able to contribute even in a small way to the great work being done by the Boy Scout organization. The 1st Montague Troop take this opportunity in expressing their appreciation to all the citizens for their generosity on Apple Day.

Mrs. Douglas Nicholson was honored on Wednesday, Oct. 22nd, when the members of the Young Women's Guild of the Presbyterian Church, also a number of ladies of the congregation, tendered her a home-warming in her beautiful new home. A wide variety of household gifts were presented, the accompanying verses being read by Mrs. Elsie Waterworth. The gifts were opened by Miss Mary Hemphill, and Mrs. Catherine Stewart. Mrs. Nicholson, in a few gracious words, expressed her appreciation, and extended an invitation to her home at all times. A playette, "Fever Heat", directed by Mrs. Elsie Waterworth, was presented by seven ladies, Mrs. Waterworth, Mrs. Claude Nicholson, Mrs. Martin Currie, Mrs. R. D. MacLean, Miss Mildred Smith, Miss Thelma Larier, and Miss Catherine Currie. Following a sumptuous lunch, a jolly sing song was enjoyed, brought to a close with the singing of "For She's a Jolly Good Fellow."—Mon.
