

REMEMBER WHEN

(By The Canadian Press)

Boston fans saw the Bruins win hockey's Stanley Cup on home ice for the first time one year ago today, when they defeated Toronto Maple Leafs 3-1 in the 11th game of a best-of-seven series. Ten years previously the New Englanders won the Cup on New York ice.

GUARDIAN SPORTING NEWS

STUDENTS TO BUILD RINK SACKVILLE, N. B., April 14—(CP)—The student's union of Mount Allison University Saturday decided to proceed with plans to erect a new \$30,000 hockey rink on the campus next year by student effort. Plans call for each student to contribute \$5 and to solicit other contributions. If \$10,000 is realized in this way the University may contribute an equal amount and the remaining \$10,000 will be borrowed.

NEW U.S.-CANADIAN HOCKEY ASSN. FORMED

Announcement Made At 26th Annual Meeting Of C.A.H.A.

By Robert Clarke Canadian Press Staff Writer

MONTREAL, April 15—(CP)—Canada and the United States have agreed to the formation of a new organization to be known tentatively as the international ice hockey league and Great Britain will be extended an invitation to enter the alliance, it was announced tonight at the Canadian Amateur Hockey Association's annual meeting.

Dr. W. G. Hardy of Edmonton, president of the C. A. H. A., made the announcement after delegates to the 26th annual meeting met in Montreal to discuss the C. A. H. A. agreement with the National Hockey League and the question of players under the C. A. H. A. banner signing contracts.

"To Promote Hockey The decision to form the new league was reached at a meeting with officials of the Amateur Hockey Association of the United States," said Dr. Hardy. "An invitation to the British Ice Hockey Association to join us. The purpose of the new association is to promote the game of hockey among the three Anglo-Saxon nations."

Dr. Hardy was named president of the new group while Tom Lockhart of the A. H. A. of U. S. will be first vice-president. Dr. Hardy said that the B. I. H. A. would be asked to name a president.

Formation of the new association, it was declared, in no way affects the C. A. H. A. of the International Ice Hockey Sur Geance, controlling body of world hockey.

Other Decisions After the closed meeting Dr. Hardy reported that delegates had

agreed to allow clubs the option next season of making contracts with senior and junior players. He added that clubs which took his step must file the notification with the C. A. H. A.

Dr. Hardy also said that the meeting was in favor of continuing the agreement with the N. H. L. for next year's agreement with the N. H. L. proven that teams in the professional circuit would not sign any player of junior age, nor would they sign any player after Jan. 1 without the consent of the amateur club.

Earlier in the day, delegates from the association's nine branches decided to change the constitution with reference to the definition of an amateur. It was decided that henceforth an amateur hockey player would be designated as one who "has not been engaged or is not engaged in organized professional hockey."

A motion from the Amateur Athletic Union of Canada that the C. A. H. A. reaffirm itself, with the union was turned down for the present. The hockey body made the break from the union a few years ago over the question of reimbursement for amateur hockey players.

Another of the major resolutions passed at the morning session provided that in the 1940-41 season Memorial Cup playdowns will be allowed to carry only 13 men, including the spare goaltender. In the past season teams were allowed 15 men, including the substitute goalie, while in seasons before that the limit was 11 men, with the spare netminder.

H. A. decided again to grant each branch \$1,000 to foster hockey in the branch, particularly in the lower classifications such as junior, juvenile, mid-junior and bantam. Delegates also passed a rule whereby any team found using overseas skaters would be penalized by forfeiture of the game.

Baseballers Optimistic For Opening

(By Gayle Talbot, Associated Press Sports Writer)

NEW YORK, April 15—(AP)—Though the grounds in many a grandstand still are festooned with icicles and a cold wind howls across the land, another big league baseball campaign is scheduled to start tomorrow. The athletes are browed from semi-tropic suns and ready to battle for those semi-monthly salaries. The fans of the 16 clubs are similarly in the pink after having digested a few million words of advance dope on the contenders. All that is required to make the grand opening about as auspicious as any in history is a break in the weather.

The forecasters are fairly optimistic, pending last-minute returns in five of the eight cities. The tentative guess is for "fair" weather tomorrow, with St. Louis, Washington and Philadelphia on the doubtful side. All are threatening rain.

New York Yankees, favorites to win their fifth straight American League flag at the unprecedented odds of 7-to-20, tie off against the Athletics at Philadelphia, with the former Red Sox good money against Edgar Smith of the Sox. The big noise in the National League is billed at Cincinnati, where Paul Derringer, hard luck hero of the last world series, goes to the hill against Bill Lee of Chicago Cubs.

St. Louis, equal choice with the Reds at 11-to-5 to win the pennant, opens at home against Pittsburgh Pirates. Curt Davis, the Cards' big winner last year, is billed to face Bob Kline of the Pirates. Carl Hubbell, who looks as though he might have a brilliant comeback in his system, is Manager Bill Terry's nominee in the Giants. Kirby Higbe will go for the Phillies.

Boston, facing the Bees at Boston, should be afforded a quick idea of its chance of finishing as high as third again. Manager Leo Durocher has selected his big "if" pitcher, Whitlow Wyatt, of the game knee, to face the Bees. Bill Posedel is Wyatt's probable opponent.

Maple Leafs Seek Talent For Next Season

(CP)

TORONTO, April 15—(CP)—Beaten in Stanley Cup finals again, Toronto Maple Leafs are going right out in search of more talent for the next National Hockey League campaign. New York Rangers' victory over the Maple Leafs this year, completed Saturday night, marked the Toronto club's sixth defeat in the cup finals in eight seasons. The Leafs won the world championship in 1937.

"We've just been getting up off the floor today," Manager Conny Smythe said tonight. "But we're not going to lose any time trying to build for next season, even though our young team doesn't need a whole lot of strengthening."

"I have made another offer to Montreal Canadiens for Toe Blake. We will pay \$25,000 for a good defenceman, like Ott Heller or Babe Pratt of the Rangers. I have been offering Boston Bruins good money for Dit Clapper for so long that I might as well offer it to them again. We need a good driving defenceman and if we get one I think we'll be fixed."

Whether Smythe himself will be able to take active direction of the team next winter appeared doubtful today, however, when Smythe said he has been trying "from several angles" to re-enter the Royal Canadian Artillery as a major. He served with the artillery in the first

Trout Season Opens Today

(CP)

This morning the 1940 trout fishing season was officially opened and many disciples of Isaac Walton were out early to the various streams in the Province. Sportsmen have been eagerly awaiting the opening of the trout season to try their luck, and many yarns about "the big one that got away" will be told when they return after the days fishing. As a rule there is generally a mad rush to the fishing ponds during the first few days and after the novelty wears off only the ardent fishing enthusiasts follow it up.

First the local followers of the sport cast their lines in search of the elusive trout and later the tourists hunt the streams in quest of speckled beauties. A few of the ponds are still partially covered with ice but moderate weather will greet today's anglers.

Many Island trout will be taken from the waters before the season closes the middle of September. Then Woodward and his trainer, Sunny Jim Fitzsimmons, came right at home by himself, completing the three-quarters in 1:11 4-5. The customers far exceeded all expectations for watering. For the seven races today, the total "handle" skyrocketed to \$821,946. Fenelon's was 1:12 3-5 for the six furlongs.

Metropolitan Horse Racing Season Opens

(AP)

NEW YORK, April 15—(AP)—William Woodward and New York's new mutual machines hit the track today as the Metropolitan racing season opened before a chilly, overcast crowd of 22,470 fans, an all-time high for Jamaica track. Woodward, whose Bear stud has sent Gallant Fox, Omaha and Johnstown to the winner's circle in the Kentucky Derby, came up with another first-rate hope when Fenelon, a colt of Sir Gallahad III and eligible for this year's run for the roses, put on a terrific rush in the last eighth mile to whip five other Derby candidates in a six-furlong allowance event.

Then Woodward and his trainer, Sunny Jim Fitzsimmons, came right at home by himself, completing the three-quarters in 1:11 4-5. The customers far exceeded all expectations for watering. For the seven races today, the total "handle" skyrocketed to \$821,946. Fenelon's was 1:12 3-5 for the six furlongs.

Calgary Enters Allan Cup Finals By Defeating Port Arthur Bear Cats 4-3

(By Charles Edwards, Canadian Press Staff Writer)

PORT ARTHUR, April 15—Calgary Stampeders stepped into the Canadian senior hockey finals tonight, defeating the Port Arthur Bear Cats 4-3 here before a capacity crowd of 4,000. Stampeders won the best-of-five series three games to two with one game tied.

After Port Arthur took the lead early in the first period Calgary came fighting back to take a 2-1 lead at the first intermission. It was 2-2 after the second but Stampeders ran in two third period goals before the Cats replied just before the game ended.

Stampeders, who gave Calgary its first western senior title, qualified to meet Kirkland Lake Blue Devils, eastern champions, in the best-of-five Allan Cup series. It was a thrilling comeback for the Albertans who lost the first game at Saskatoon 3-1 and saw Cats rally to tie them 5-5 in the second at Saskatoon. After the teams moved to Calgary Stampeders hit full stride, winning on home ice 3-1 and 6-4. Calgary goals were by Cam Burke, Les Thirlwell, Jimmy Jempson and Chuck Millman. The Port scorers were Wikko Koviisto, Edgar Laprade and Norm Wright.

Yanks Run Of Injuries Continues

(AP)

NEW YORK, April 15—(AP)—Injuries continued to pile up against the world champion New York Yankees today on the eve of the baseball season. With Joe DiMaggio, their outfield star, definitely out of tomorrow's opener with the Athletics at Philadelphia, the Yanks may have lost another starter in pitcher Red Ruffing, who was struck in batting practice today by a ball hit by Charley Keller.

Ruffing's right elbow was bruised and Manager Joseph McCarthy said he would not know until tomorrow whether the veteran hurler would be able to play. If not he said Monte Pearson would get the assignment. HOLDOUT PRESENTS CASE CHICAGO, April 15—(AP)—Catcher Joe Glenn of St. Louis Browns, a holdout for 47 days, present his case to Kenesaw Mountain Landis, commissioner of baseball, today with Landis withholding comment.

Ski Feat By Canadian Boosted Sport In Dominion

(CP)

PORTLAND, Ore., April 15—When Canada's ski champion, Art Coles of the Tyee ski runners, sliced down fog-shrouded Mount Hood to win the combined championship of the coveted far west Kandahar his feat was a definite boost for skiing in the Dominion. Fresh from weeks of training at Jasper, Alberta, with his Swiss coach, Peter Vajda, the coast flash bested some of the top skiers in the United States in the gruelling downhill race, finishing the two mile dash from Crater Rock to Timberline in two minutes and 24.4 seconds. Second to Coles was Sig Engl of Sun Valley and below him were such notables as Tom Matt and Friedl Pfeiffer, acknowledged to be among the finest of the world's skiers. Coles was one of the few

runners to navigate the steep foggy course without mishap. Gertrude Wepsala, Canadian ladies Slalom champion and also a pupil of Vajda, finished second among the Slalom 40 competitors, only four fifths of a second behind Nancy Reynolds of Sun Valley.

FLYING OFFICER BELIEVED KILLED

LETHBRIDGE, Alta., April 15—(CP)—Flying officer Wilson Donaldson who left Lethbridge in 1938 to join the Royal Air Force is "still missing and is believed to have been killed in action," his father, C. S. Donaldson of Lethbridge, reported today. After an aerial battle off the coast of Norway Friday his 28-year-old son was reported missing.

TO CONTINUE PROHIBITION

VICTORIAVILLE, Que., April 16—(CP)—Residents of this eastern township's industrial centre voted in a referendum last week, it was announced today by civic officials. Prohibition has been in effect here for the past 24 years.

Inexperienced Coach Had Big Success

(CP)

TORONTO, April 15—He's a baseball catcher and the diamond game is his first love yet he's batting 1.000 as a hockey coach. When Tracy Shaw took over Oshawa General three years ago he had little coaching experience. Since then he has won three eastern Canadian hockey titles in a row—something no other coach has ever done. Shaw is preparing his team now for the Memorial Cup series against Kenora. The title opening in Winnipeg tomorrow night. Generals won the trophy from Edmonton Roamers last year. If they take it again it will be the first time in 26 years of the cup's history that the same club has won it in successive years.

Seek Ruling On Status In Great Lakes Strike

(CP)

OTTAWA, April 15—(CP)—A ruling from the Justice Department is being sought on the Dominion Government's right to intervene in the dispute between the Canadian Seamen's Union and operators of steamships on the Great Lakes, following a claim by Arthur Roebuck, counsel for the union, that the Government had no jurisdiction. At a conference with W. M. Dickson, deputy minister of labor, today Mr. Roebuck contended the Industrial Disputes Investigation Act did not apply to the dispute and that there was no strike within the meaning of the act. Previously the department had notified the union that a strike would be illegal unless the dispute was investigated by a board of conciliation under the act.

ANTICOSTI AIDS

PORT MENIER, Anticosti Island, Que., April 15—(CP)—Anticosti Island's 67 families have contributed \$83 to the Salvation Army's war and home services campaign, it was announced today.
