DUNCAN GRAY at the Opera House to-night.

THE mail train arrived last night at 11.00 o'clock.

MR. S. E. HESSEN, representing Messrs. Gage & Co., Toronto, is in the city.

REMIT 10 cents in stamps or silver at once to the GUARDIAN Office, and receive the WEEKLY GUARDIAN and Premium Picture "Battle Ship Maine" until December the 31st, 1898.

OXFORD Manufacturing Co., Ltd., has appointed D. A. Bruce of this city, their agent for their mills. A large stock of the celebrated Oxford tweed, serges, ladies' costume cloth, blanketing, yarns, knitting web, etc.

THE GUARDIAN had a pleasant call yesterday from Mr. Frank McMillan of Hunter River, who has recently returned from Nevada. He has been for over twenty years mainly a resident of the mining centres of the United States, but made frequent visits to his Island home. While he has prospered in his business as an engineer in the mines he has remained a British subject. Mr. McMillan will spend the winter at Hunter River and in the spring will proceed to the mines in Rossland, B. C., where he has made an engagement.

MURRAY HARBOR AND VICINITY.—Potato digging is well advanced in this section. The crop throughout is exceptionally poor.—The cheese factory here having closed its season's cheese making, will on Monday next, begin making butter. Considering the number of patrons supplying milk, the length of time it was operated, etc., the result is very encouraging; and the work and management is highly creditable to Mr. Cowan and his assistant, J. H. Bull.—An event of unusual interest took place at the residence of Daniel Forbes, on Thursday, the 6th inst., when Mr. Donald Jackson, of Murray Harbor North, was united in marriage to Mrs. Ann White, widow of the late William White. The ceremony was performed by Rev. H. Carter. The happy couple are both on the verge of their three score and ten years, this being the third marriage for each of them. May happiness attend their remaining days.—A few intimate friends assembled at the Methodist parsonage on the 7th ult., to witness the marriage of A. B. Allan Esq., of Montreal to Miss Margaret Hall, daughter of Thomas Hall Esq., Bathurst. The bride was attired in cream cashmere and peat trimming, and carried a bouquet of bridal roses and maiden-hair ferns. Miss Jennie Allen, sister of the groom, was maid of honor. The ceremony was performed by Rev. J. S. Allen, father of the groom. After a dainty breakfast the happy couple left by S. S. Electro for Charlottetown, en route to Montreal where Mr. Allen holds a responsible position.

LET UP.—That's what the carpet man at Paton's says about the odd bits of oil cloths suitable for hall stoves, e.c., etc., etc. He says the demand exceeds the supply. The advertising man says: "get down on your knees" and cut up more of those "plain old ugly patterns," that were sent you before the duty went up on foreign oils. Also, don't forget to cut them the right size for under the dining-room stove, and some large enough for under the hall stove and remember to cut the price. That's what sells the goods (it's the low price.) This ad. will only bring the carpet man the customers, the price and quality will do the rest.—JAS. PATON & Co. 13, if

A MAN's a man for a' that', at the Opera House to-night.

PROSECUTOR BEARS obtained a conviction before Stipendiary Blanchard, at Souris, on the 12th inst. against John D. Lavin, for violation of the C. T. Act. He was fined \$50 and costs. Cases were missed for want of evidence against Catherine Martin and Isabella McAulay.

P. E. I. RAILWAY.—Cheap excursion to Montreal. From Charlottetown the rate for the round trip will be \$10.95 for tickets issued on the 19th, 20th, 21st, 27th and 28th Oct., '98, limited to return 15 days from date of issue. From all other stations on the P. E. I. Railway at proportionate low rates. See handbills.

ALEX. McDONALD, of Murray River, P. E. Island, but formerly of this place, who was visiting friends here during the last few days, returned to his home in P. E. Island last Thursday. He was accompanied by his sister-in-law, Mary McIntosh, of this place. Mr. McDonald is a brother of D. H. McDonald, constable of Oban.—Eras D'or Gazette.

MR. D. A. SHARPE who returned yesterday from a business trip to the east end of the Island brought home a sample apple grown in the orchard of Mr. Robertson, Inkerman farm, New Perth. It is of the Porter variety and measures 11 inches in circumference. Mr. Sharpe informs the GUARDIAN that he has already secured his share of the apple shipment to England.

AN evening with Robbie Burns. Miss Jean Howison, of Perth, Scotland, will give a recital from the works of Robert Burns in the Opera House on Friday, October 14th, at 8 p. m. The program will include "The Cotter's Saturday Night," "Tam O'Shanter," "Man was Made to Mourn," "A man's a Man for a' That," "To the Unco Guid, Epistle to Davie," "Advice to Andrew," "The Braw Wooer," "Duncan Gray," "To Mary in Heaven," "Scott's Greeting to Burns" and "An Allegory written on the statues of Scott, Burns and Shakespeare," in Central Park, New York. Reserved seats may be had at the usual places on Friday morning. All tickets sold can be exchanged for one at those places. The full Charlottetown orchestra has been secured for the occasion, and the recital is under the patronage of His Honor the Lieutenant-Governor and other distinguished persons. Admission 50 and 35 cents.

### Men's Chains

A man has opportunity of showing only these articles of jewelry in his external dress. A ring, studs or Stick pin, and a watch chain. The chain the conspicuous item. It is important, therefore, that its quality should be as good as the man can afford, and its style be distinguished for taste and character.

I have taken special pains in selecting a large stock of men's Chains, I am sure you will say that the patterns are the most tasteful ever shown in this city, and the prices have sufficient range to fit every pocket book.
