C. P. R. PUT ON EXTRA STEAMERS FOR ATLANTIC RUSH.

MONTREAL, April 27.—G. M. Bosworth, the head of the C. P. R. steamships, stated today that the prospects for the Atlantic business this year were brighter than had even been expected.

Last week proved a record breaker for the company's business from Europe, when their boats sailed with 3,508 passengers and 22,000 tons of merchandise for Canada, which, when the boats arrive, will necessitate forty special trains, the passengers requiring ten and the freight thirty trains.

In order to handle this business two extra boats had to be put on, the Rakaia, of the New Australian and Canadian service, which was sent to Antwerp to pick up 7,000 tons of freight, and the Montrose, which made a special sailing from Great Britain to catch up with the passenger and freight business.

A CONCERT AT SOUTH MELVILLE

Night School, which was organized here at the commencing of the new year, and which was very ably conducted by the teacher, Louis Costello, was brought to a close for the summer season by a very successful entertainment on Tuesday, April 19th. Despite the threatening of the rain, the school, which was handsomely decorated with drapes of spruce, was crowded to nearly its utmost capacity, and at 8 o'clock p.m. the following programme began:—

The instrumental selections rendered by Miss Grace Dunsford and Pope Costello deserved special mention; both organist and violinist certainly performed their duties in a highly creditable manner throughout the programme. A few remarks were passed by James Villet complimenting the teacher on the perfect drill and training of his pupils; and also congratulating them all on their fine success. A very pleasant concert was brought to a close by singing "God Save the King." Although the fee was small a handsome sum was realized.

Smart Spring Styles in Spring and Fall Coats

We want every young man who appreciates class in coats to see our big showing of spring and fall coats. The new arrivals in black and grey vienna are certainly "slick" coats. Then there's the light grey worsted in another line that should come in for very favorable comment.

Now you, no doubt, realize that an ordinary tailor can't get the same smart effect to his clothes that expert designers, master workmen and specializing finishers can get. These coats show all the style that can be seen in the Metropolitan fashion centres.

We want every man to call and inspect them—to criticise if he will—and we feel sure that the result will be a surprise to you.

Light weight spring overcoats, black and grey vienna all sizes, 3-4 length..... .....$9.00 to $18.00

Cravenettes, full length, the very newest spring ideas .....$9.45 to $16.50

Light grey worsted, striped pattern, well built, with nicely padded shoulders, all sizes, 3-4 length $15.00

"For all that is newest; for all that is best; and most satisfactory in carpets and curtains and floor coverings, we can splendidly meet your demands. Try us. Prowse Bros Ltd. 1—29d2i.

"Have you seen our new spring shirts yet? Well, no particular dresser can afford to pass our shirt department for a shirt. You have always realized that our shirt department had something better for you and this spring's showing emphasises this stronger than ever. New spring shirts from 75c to $2.25. See them.—H. H. Brown, The Young Men's Man. 4-29d4i.

If you want a pretty suit designed by a New York cutter, man tailor throughout, at a moderate price see our custom suit service. Drop in and talk the matter over any day. MOORE & MCLEOD 4-16 dtf

"What about a hat? Our hat department includes dozens of hats that will suit you—hat will become every feature. Call today and let us show you some. $1.50 to $5.00. H.H. Brown, The Young Men's Man. 4-29d4i

"New "Royal Household" and "Beaver" Flour is bags and barrels direct from the mills, cheap for cash, at Beer & Goff's. 4-28d2i.

5c—Table Cloths—5c

We'll wash and iron your tablecloths for 5c—we'll surprise you with the class of work as well.

You can understand when we handle hundreds to your one, when one person makes a specialty of it, that that person can do them better—well here we are.

Then just imagine the price, only 5c. Could you afford to bother with washing, then putting them out on the line and then the ironing—it's worth more than double the price for you to get clear of it all.

A call will bring our team to your door—Phone 151.

Twenty Million Mark is Passed

For the first time in the history of life insurance in Canada the twenty million dollar mark of policies issued in one year has been passed.

That the Sun Life has done this with largely increased profits and a reduced ratio of expense, makes pleasant reading for its army of policy holders.
