ROUNDBOUT ROUTE TO BRITISH COLUMBIA POINTS

MONTREAL, Feb. 7—The Railway Commission will meet here tomorrow to hear an application of the Elder-Dempster S. S. Company for an order directing the C. P. R. and Grand Trunk to apply the established export basis, covering general merchandise and commodities shipped from Eastern Canada to Montreal, St. John and Halifax for export, to Vancouver, Victoria and other British Columbia ports, said traffic to be forwarded from the eastern ports to the British Columbia ports by the Elder-Dempster Steamship Company to Puerto, Mexico, thence by the Tehauntepec National Railway to Salina Cruze on the Pacific Coast, and finally by the Canadian-Mexican steamship line from Salina Cruze to its destination.

The Elder-Dempster Company claim that on this business they are charged local rates from Toronto and other points to Montreal, St. John and Halifax, to the detriment of the business, and they ask that the railway be compelled to give the usual export rates to the various ports for this traffic.

The point of the thing is that by doing so they ask the railway commission to order the railways to give competitive rates against themselves, since the C. P. R. is now shipping the same freight direct by rail to British Columbia, and the G. T. P. will soon be doing the same, as will also the Canadian Northern.

...The residents of Fortune and vicinity were greatly startled on Wednesday by hearing the report of a large bear being seen leaving a grove of bushes on a farm belonging to John Wilt. This bear was seen by some smelt fishermen leaving this bush and crossing Fortune River. There being no firearms on hand, bruin went on his way unmolested. The fishermen, led by John Wilt, an old-time bear hunter, on closer observations, tracked him to his den, where the recent rains had driven him out. By dimensions of his tracks which were measured by Wm. Dingwell and John McAskill, were found to be twelve inches long by five in width. Later on the same day bruin was seen crossing Little River Road, going south. Capt. James Hafley's schooner, Ironsides, chartered by Reginald Dingwell to load frozen fish for the New York market, has been released by the recent soft weather, she having been frozen in the ice off Dingwell's Point. Dingwell and Robertson, the local smelt fishermen, while endeavoring to capture some of the finny tribe, broke through the ice, but owing to the presence of mind of John Wilt, a nearby fisherman, both of those young men would have met a watery grave. We hope some of our leading parties will call Andrew Carnegie's attention to this noble deed of rescue. John McAskill, an expert fisherman from Mount Stewart, arrived some time ago at Fortune to try his luck at the finny tribe.

When Dr. Morse's Indian Root Pills Cured her Chronic Liver Complaint

Mrs. R. Smith, of Winnipeg, Man., tells an interesting story of relief from almost intolerable sufferings:

"I can hardly tell you how great my sufferings have been. Chronic liver complaint accompanied by biliousness were a daily source of trial to me. Every day I experienced the sickening effects of these ailments. I longed for some medicine that should permanently drive them away.

Hearing of Dr. Morse's Indian Root Pills, I thought they were worthy of a trial. My surprise was indeed great. From the very first I experienced relief. Continuing with them I found my troubles were slowly but surely leaving me and before long I once more knew what it was to be free from the harassing effects of the ailments that had long sickened and weakened me. So great is my faith in Dr. Morse's Indian Pills that I shall never on any account be without them."

Dr. Morse's Indian Root Pills cure Bowel and Kidney as well as Liver troubles, and keep you healthy. 25c a box at your dealer's. 14

The railways are opposing this request, and Messrs. Beatty, for the C. P. R., and Cowan for the Grand Trunk, are ready with their replies to the application, with witnesses, who will be heard this morning.

The answer of the railroads is that they do not regard shipments to Vancouver, Victoria or other British Columbia ports as export business when they ship it direct by their own or connecting lines across the continent, and they do not see why they should do so in order to help competitors to take the traffic by a round-about route. They, therefore, wish to continue charging their regular local traffic rates on such ship-

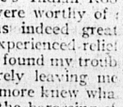
BLAMES LIGHTS FOR GROUNDING



HALIFAX, Feb. 8—The formal investigation today into the stranding in Halifax harbor of December 18th last of the Allan liner Corinthian was interesting, several unexpected developments arising. Captain Lugar, Captain Hall and Captain Cole formed the court which sat for four hours today and adjourned till tomorrow to take further evidence.

From the evidence of Captain Rennie, of the Corinthian, Chief Officer Martin, Chief Engineer Martin, the third officer, quartermaster, lookout and pilot, several facts of value were secured which are being inquired into beyond their application to the grounding of the Corinthian.

Those aboard the ship and the pilot were unanimous in testifying that the electric lights on the wharves have a tendency by their reflection in the water to cause a deception regarding distance and to this fact the captain lays much of the blame for the grounding of his steamer. He thought he was nearer the wharves than he was, and acted accordingly. The recommendation may be made that electric lights on the wharves be shaded on the harbor side.

THE BEST REMEDY

For Women—Lydia E. Pinkham's Vegetable Compound

Belleville, Ont.—"I was so weak and worn out from a female weakness that I concluded to try Lydia E. Pinkham's Vegetable Compound, I took several bottles of it, and I gained strength so rapidly that it seemed to make a new woman of me. I can do as good a day's work as I ever did. I sincerely bless the day that I made up my mind to take your medicine for female weakness, and I am exceedingly grateful to you for your kind letters, as I certainly profited by them. I give you permission to publish this any time you wish."—Mrs. ALBERT WICKETT, Belleville, Ontario, Canada.

Women everywhere should remember that there is no other remedy known to medicine that will cure female weakness and so successfully carry women through the Change of Life as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs.

For 30 years it has been curing women from the worst forms of female ills—inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, and nervous prostration.

If you want special advice write or it to Mrs. Pinkham, Lynn, Mass. It is free and always helpful.

That small schooners frequently sail in and out of the harbor at nights without lights was another fact brought out. This also may be looked after, as it was a vessel without lights, running down the harbor, which put the Corinthian, the captain of which tried to avoid her, on George's Island.

Captain Rennie testified that he always went in the harbor without a pilot. He did this in no other place, but for a quarter of a century had done so at Halifax.

The bearing of the compulsory pilotage law in this connection was looked into, and it was found that no legal obligation is imposed on shipmasters to carry pilots at Quebec, Montreal, St. John or Halifax. The obligation to pay the pilotage fees in any case does exist and this obligation is always observed here.

The pilot declared that nobody could find fault with the lights or buoys of Halifax harbor. Captain Rennie declared likewise that he had not the slightest fault to find with the harbor.

The inquiry was directed along the lines of still better protection against casualties and all the available pilots will be heard tomorrow on this question by the court. As the log book was left on the other side, it is uncertain when the inquiry will be closed.

The Nova Scotia "Lumber King" says:

I got my foot badly jammed lately. I bathed it well with MINARD'S LINIMENT and it was as well as ever next day.

Palpitation of the Heart.

One of the first danger signals that announce something wrong with the heart is the irregular or violent throb. Often there is only a fluttering sensation, or an "all gone" sinking feeling; or, again, there may be a most violent beating, with flushings of the skin, and visable pulsations of the arteries.

There may also be experienced a smothering sensation, gasping for breath, and feeling as though about to die.

In all such cases the action of Milburn's Heart and Nerve Pills in quieting the heart and restoring it to its normal beat, is beyond all question marvellous, as our thousands of testimonials will show.

Mrs. Martha Mason, Marlbank, Ont., writes:—"Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I have been troubled with weakness and palpitation of the heart, would have severe choking spells and could scarcely lie down at all. I tried many remedies but got none to answer my case like your pills did. I can recommend them highly to all with heart or nerve trouble."

Price, 50 cents per box, or 3 boxes for $1.25 at all dealers, or mailed direct on receipt of price by The T. Milburn Co. Limited, Toronto, Ont.

RAMBLERS BEAT TRURO 4—3.

TRURO, N. S. Feb. 8—The Truro and Ramblers' game at Truro last night, which was won by the Ramblers 4—3 with fifteen minutes overtime play, was fast and interesting and the fans left the rink satisfied that they got their money's worth. The Ramblers won by no luck but by persistent work, and yet when it came to team work Truro had the best of it. Fully three-quarters of the play was in the Ramblers' territory.

SAVED HER HAIR.

ZAM-BUK CURED SCALP ECZEMA

If you have eczema, ringworm or any scalp sore, do not permit your hair to be cut off without first trying Zam-Buk. Mrs David Monteith, of 93 Bertrand street, Norwood, Winnipeg, says: "My daughter contracted eczema of the scalp, and this broke out regularly for three years in succession. It would probably have been recurring yet each season had it not been for Zam-Buk. The eczema first started with an outbreak of little red, watery pimples, which turned into large sores. We consulted a medical man, and tried lotions, powders salves and all kinds of things but in vain.

"Each time the disease appeared her hair had to be cut off. When this had been done three times a friend suggested that, as other things had failed, I should try Zam-Buk, instead of again consulting a doctor and going through the old and ineffective program. I acted on this advice, and obtained some Zam-Buk. Almost as soon as this was applied, the child experienced relief. The itching and irritation seemed to be soothed, and in several places, after some days' treatment, there appeared marked signs of improvement so we thought we would not this time cut off the hair.

"We kept on applying Zam-Buk, until in a few weeks it was very evident a complete cure was being effected. In the end all the sores were healed, the hair over the affected parts had grown again, and at the present time her scalp is healthy and quite free from every trace of sore or eczema." The same healing virtue is responsible for cure of ulcers, abscesses, running sores, cuts, cracks, scalds, burns, piles, abrasions, etc. For children's rashes there is nothing to equal Zam-Buk, as it is so pure. All druggists and stores at 50 cents box, or post free from Zam-Buk Co., Toronto, for price.

"Caught Cold."

Had a Distressing, Tickling Sensation In The Throat.

Mr. Albert MacPhee, Chignecto Mines, N.S., writes: "In Oct., 1908, I caught cold by working in water, and had a very bad cough and that distressing, tickling sensation in my throat so that I could not sleep at night, and my lungs were so very sore I had to give up work. Our doctor gave me medicine but it did me no good so I got a bottle of Dr. Wood's Norway Pine Syrup and by the time I had used two bottles I was entirely cured. I am always recommending it to my friends."

Dr. Wood's Norway Pine Syrup combines the potent healing virtues of the Norway pine tree with other absorbent, expectorant and soothing medicines of recognized worth and is absolutely harmless, prompt and safe for the cure of Coughs, Colds, Bronchitis, Croup, Sore Throat, Pain or Tightness in the Chest, and all Throat and Lung Troubles.

There are many imitations of "Dr. Wood's" so be sure and get the genuine when you ask for it.

Put up in a yellow wrapper; three pine trees the trade mark; price 25 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
