LAI D TO REST.—The funeral of the late Miss Agnes Jane Longworth was held Wednesday afternoon from the residence of Captain Cameron, Pownal Street. Service at the house was taken by Rev. Dr. Fullerton. The remains were conveyed to St. Paul's church, where the pastor Rev. T. W. Murphy officiated. The funeral cortege then proceeded to the railway depot. Interment took place in Sherwood Cemetery. The pall-bearers were: Messrs. W. W. Clark, W. H. Aitken, W. D. Pollock, Percy Pope, Henry Smith and E. H. Haviland. Service at the grave was conducted by Rev. T. W. Murphy. The floral offerings were very beautiful.

OYSTER BED AND VICINITY.—The farmers of this vicinity are doing a rushing business digging mud. Miss Ruth Moffatt spent the week end at Mrs. Nell Robinson's. Miss Belle Matheson has returned home from Highfield having visited her sister Mrs. Roberts. Mr. Bert Younker paid a short visit to Highfield Sunday. Mr. Gordon Carr and Mr. Hedley Horne have returned home from visiting friends at French Village. Miss Susie Matheson left last week for the United States, her many friends wish her success.

FUNERAL SERVICE.—The funeral of the late Miss Sadie Jane Rose, of Albion, Kings County, took place on Friday, March 23rd at 10 a. m. The funeral service was conducted by the Rev. David Wright, of Montague, assisted by the choir of Lower Montague, which also rendered some special music. Dr. McEwen of Orwell, held services at the church and grave. A great deal of sympathy is felt for Mr. and Mrs. Rose. There were over 75 sleighs grouped around the house. Mr. Rose has had a large family, but they are now scattered far and wide; Angus, Hugh, Martin, and James are in Montana; Montgomery is in Colorado; Mrs. Landstorm and Miss Mary, are in Oregon City; Mrs. Peardon, in B. C.; Mrs. D. J. Nicholson, Kilmuir, while, Simon, and Miss Catherine are at home. Sadie was the youngest and a beautiful girl and of great promise. Mrs. Rose has had a good deal of trouble during the last year, and Sadie's death, while not unexpected, has cast a gloom over all. The sympathy of the whole community goes out to Mr. and Mrs. Rose.

CATCHING A RAT.—A resident of Summerside who has been missing out from his bin all the winter but could not catch any rats in the trap set about the barn, finally came to the conclusion, says the Island Farmer, that the said rat or rats must be minus two legs, and accordingly took the law into his own hands. It is a debatable question as to whether this is always advisable or in the best interests of the suppression of crime: but in this case it has worked out all right and the said rat, extended for some considerable time. He and a friend sat up very late in the dark the other night, armed with pistols loaded with blank cartridges, and flash-lights. They also had a toll-tale string attached to the barn door, which about midnight began to tug at the friend's shoe, to which one end was tied. Then they stole out, and as the "rat" came out of the barn door, with a moderately well-filled sack, they turned on their flash-lights and opened fire, point blank. It was a great fusillade, and the culprit was supposed to be still running until he turned up next morning at a store where he sold oats and purchased a bag on his own account.

The Only Medicine For Little Ones
Mrs. Timothy Bowes, Blissfield, N. B., writes:—"I have always used Baby's Own Tablets for my three children and I can speak very highly of them as I could not get along without them. Baby's Own Tablets are the only medicine I would use for my children." The Tablets cure all the minor ills of little ones and the mother who always keeps a box of them in the house may feel reasonably safe against the consequences of sudden attacks of illness. They are sold at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

FRIDAY
HELPING THE ORPHANAGE.—The annual meeting of the St. Elizabeth's Society, was held last Sunday afternoon when a full report of a successful year's work was given and plans for the coming year discussed. This Society is doing a noble work, the members working in perfect harmony for the good of the St. Vincent's Orphanage. The following officers were elected for the ensuing year: Pres.—Mrs. S. R. Jenkins, 1st Vice.—Mrs. L. J. Reddin, 2nd Vice.—Mrs. J. M. Hughes, Treas.—Mrs. (Dr.) Kelly, Sec'y.—Miss Bessie Burke.

COMING MUSICIANS.—The Tignish correspondent writes:—"In the report of the Tignish St. Patrick Concert the words 'The singing of special mention' should have read 'The singing of Master Adrien Richard and Master Ralph Hackett was deserving of special mention.' Master Adrien is the leader of the boy choir in Tignish and he already shows in a marked degree the musical talent for which the family is noted. Indeed it is generally admitted here that Sylvester's mantle has fallen on his young brother. Tignish concert goes here to hear from both Master Adrien and Master Ralph again in the near future.

SUCCESSFUL AFFAIR.—On Mar. 8, 1917, Mr. and Mrs. A. K. Henry, of Granville, kindly opened their home for a social gathering of the Red Cross. A goodly number of bad roads and disagreeable weather. An excellent programme was rendered, among those who took part were, Miss Bertie McKenzie, Miss Gwen McLeod, Miss Ethel Morris, Miss Laura Mallett, Miss Charlotte McKenzie, Miss Laura Mallett, Miss Ruth Taylor, Mr. Nelson Matheson, and Miss Ethel Mallett, each performing their part in a most pleasing manner. Throughout the evening many interesting games were played and many contests held. A delightful lunch was served by the ladies of the Red Cross, after which a collection was taken which amounted to quite a neat sum. Before leaving for home, a hearty vote of thanks was given to Mr. and Mrs. Henry for the very hospitable way in which all present were treated. Mr. Henry responded to this in his usual good style. The social ended by singing the National Anthem and all went to their respective homes feeling that they had had "the time of their lives."

HEAD OF HILLSBORO.—Mrs. James Myers and Mrs. J. McInnis were in the city on March 22nd. Mr. Roy Rattary is visiting his grand mother, Mrs. Rattary of this place. Mr. and Mrs. William Coffin passed through this place Saturday the 24th inst. His friends regret to learn that Mr. Benjamin Jay of Fanning Brook had his foot badly cut with the axe while chopping, and all join in wishing him a speedy recovery. Mr. Alfred Jay has purchased a new Grey Gasoline Engine, six horse power. Messrs Albert Jardine, Fred Jardine, and Benjamin Birt have purchased a mud digger. Those interesting farmers are wished much success in their new undertaking. Mr. David Hill, Meliary with his beautiful little Sealpaw trotter gave an exceedingly fine exhibition of speed on Bangor ice recently.

There passed away at her home in Valleyfield, West, on Feb. 23rd, after an illness of only three days duration, which she bore with Christian resignation to the Divine will, Mrs. Christie MacDonald, at the ripe old age of eighty-seven years. The deceased was the widow of the late Donald MacDonald, who predeceased her twenty years ago. She was a person of many sterling qualities, always cheerful and happy, and maintained her strength of mind and body until the end. She was the mother of nine children. Three have gone before. She leaves to mourn two daughters, namely: Mrs. Malcolm MacLeod, Valleyfield West and Mrs. John Munro of Beverley, Mass., and four sons, Donald in Boston, John in Stanford, Montana; Duncan and Peter in Heatherdale, P. E. I. Also one sister, Mrs. John MacPherson of Valleyfield West and two brothers, John of London, Ont., and Donald of St. Joseph, Missouri. The funeral services were conducted by her pastor, Rev. J. M. McLeod assisted by Rev. M. D. MacLeod, of Caledonia on the 26th of Feb. Although the day was bustling there was a large assemblage of relatives and friends, each showing to esteem the many who had the pleasure of her acquaintance had for her.

Y. M. C. A. NOTES.—At a meeting of the Executive held today Mr. Herbert Yeo was appointed acting Secretary. Mr. Yeo has been connected with the Y. M. C. A. for over a year and has had charge of the institution since Mr. Clark took ill last November. His work has given great satisfaction to the Board of Directors and members. It is felt that the Y. M. C. A. will go steadily forward in the future under his management. The gymnasium classes both senior and junior are now in full swing under the leadership of Mr. Seaton. The billiard and bowling alleys are being well patronized. The General Secretary Capt. Harold C. Cross, is on the battlefield in Europe where he is doing excellent work with the Canadian forces. Mr. McAllister the General Secretary for the Maritime Provinces has spent a few days in here and is pleased with the work being done. Capt. Best who left Canada with the first contingent is on his way to Canada and it is expected that he will visit Charlottetown and deliver an address on Y. M. C. A. work in France. It is regretted that Mr. Clark, the acting secretary, is unable to take up active work at present owing to his serious illness but it is hoped he will continue to improve as he is doing nicely.

W. M. S.—An enjoyable evening was spent by a large number of people at the hospitable home of Mr. E. J. Phillips of Hamilton on Thursday, March 22nd. The evening was held under the auspices of the Hamilton Auxiliary of the W. M. Society, to advance the cause of Missions, and to celebrate the 11th anniversary of the organizing of the Auxiliary. Mr. F. J. Lockerby acted as chairman and called the meeting to order when the following programme was rendered: Singing by choir. Report of Society since organization by Mrs. Howard Ramsay. Letter to the Auxiliary.

STRATHCONA.—The many friends of Mr. Henry Burdett are pleased to know that he is recovering from his accident and has been able to leave the P. E. Island Hospital. On the 7th inst., the stork visited the home of Mr. and Mrs. Angus Gillis and left a bouncing girl. Mr. Walter Hunter left on the 20th for a two weeks visit to Middleboro, Mass. While there he will be the guest of Mr. and Mrs. N. J. MacDonald. The most exciting horse race of the season took place on Morson's river. A match race between Black Watch owned and driven by Martin Duff and Boy Charlie owned and driven by Wallace Taylor, when Black Watch was too many guns for the latter on the home stretch. What might have proved a serious accident occurred Wednesday evening when Messrs Norman Matheson and Gavin Riley, Forest Hill were returning home from visiting in Strathcona. While crossing the Forest Hill River ice their horse got into an open spring hole and threw both gentlemen into the open water and but for the timely aid of Mr. Allan MacLeod, who succeeded in rescuing both young men from the icy water, the accident might have been fatal. Mr. Murdoch McDonald has purchased a farm from Mr. Nell McKinnon where he intends to raise sheep. He has already secured a very valuable thoroughbred sheep from Mr. Duncan MacLeod. The Misses Janet and Nellie Hunter have returned home from visiting friends in Forest Hill. Mr. John Barrett, Bangor spent the week end in Strathcona the guest of Mr. James Riley. Mr. Melville Spindie is training his pacing horse Golden Night and by the way he handles himself some speed during the coming season is expected. Mr. Ewen MacLeod and Mr. John Matheson have taken the contract of building a large granary and machine house for Ronald Matheson, Forest Hill. Mr. and Mrs. Alex. Buchanan were in Bridgetown recently on a business trip. His friends are glad to see Mr. Calvin Hunter out again after been confined to the house for some time with a fractured foot.
