

FAIR WEEK AUGUST 16 to 20, 1937

WHEN THEY STEP AT CHARLOTTETOWN

Tuesday, August 17--Wednesday, August 18-- Thursday, August 19--Friday August 20

We are proud to present to our race patrons, the largest and best list of entries we have ever published. It has gone far and beyond our most sanguine expectations. Even as these lines are written, a train is speeding from the Western Prairies to the Garden of the Gulf carrying four high class race horses that have just finished racing at the great Winnipeg Exhibition. From Maine and all over the Maritimes, next week horses will be coming to Charlottetown, to race over our fast half-mile track, in a province that is known as the "Kentucky of Canada." Every class is filled, some almost to overflowing and even allowing for withdrawals, there will be abundance of racing material of such quality as to assure every spectator of four afternoons of wonderful sport.

Race days will be gala days indeed, with our grand stands packed with people; our grounds spotless and glistening with paint and whitewash; our track sensationally fast due to the work we have put on it.

Interspersed with the races, will be thrilling vaudeville, such as THE KINGS OF THE AIR, three men and one lady, who are coming all the way from sunny California, making their first appearance before a Canadian public, at Charlottetown. Other supporting acts, such as ROBERT'S ANIMAL CIRCUS, THE REX-OLAS, THE FOUR BAYERS, heroes of the flying trapeze, and YOUNG AND LADELL COMIC TROUPE, will amuse you between the heats. Charlie Chamberlain will entertain with a new selection of songs.

There is no substitute for an afternoon spent at the Provincial Exhibition. It will be an afternoon that will stand out in memory. Be sure and feel again the thrill of a close finish. See the greatest trotters and pacers in Canada perform,—outstanding names in the equine world. Also see the younger generation of trotters and pacers win their spurs. Hear the crack of the whip as the drivers turn into the stretch. Hear the cheers of the grandstand. Come, throw your cares away.
