

There Is No Market For Those Securities

Poor consolation to an investor who in good faith has bought them with surplus earnings, and with the idea that if he required the money at any time he could realize upon them. Thus it is well in selecting securities for investment to purchase those for which there is a ready market. Now it is nearly impossible for the inexperienced investor to correctly decide such a matter as it is for the layman to argue his own case or to successfully carry through some engineering undertaking. He will attempt neither. He will engage a lawyer or an engineer to attend to such matters for him. Investing money successfully is a business in itself. Consult an investment house when you have funds available for this purpose. Don't hesitate to talk over your investment with us, you will place yourself under no obligation in doing so.

THE FIRST GRAY HAIR SIGN OF AGE

Easy Way to Preserve Natural Color of the Hair and Make it Grow.

A harmless remedy, made from common garden sage, quickly restores gray hair to natural color. The care of the hair, to prevent it from losing its color and lustre, is just as important as to care for teeth to keep them from discoloring. Why spend money for cosmetics and creams to improve the complexion, and yet neglect your hair, when gray hair is even more conspicuous and suggestive of age than wrinkles or a poor complexion? Of the two, it is easier to preserve the natural color and beauty of the hair than it is to have a good complexion.

All that is necessary is the occasional use of Wyeth's Sage and Sulphur Hair Remedy, a preparation of common garden Sage and Sulphur, combined with other valuable remedies for dry, harsh, faded hair. After a few applications of this simple, harmless remedy, your hair will gradually be restored to its natural color, and in a short time the dandruff will be removed, and your hair will no longer come out but will start to grow as Nature intended it should.

Don't neglect your hair, for it goes further than anything else to make or mar your good looks. You can buy this remedy at any drug store for fifty cents a bottle, and your druggist will give you money back if you are not satisfied after using. Purchase a bottle today. You will never regret it when you realize the difference it will make in your appearance. Special Agent, B. A. Foster, Sunnyside.
