A meeting of the young Lige als was held here Thursday evening Dec 24th at James McLean's, the chairman being Fredrick Larter. The subject of discussion was: The Road Act; our probable representatives at the coming election and greater enforcement of the Prohibitory law. WORN OUT

A woman worn-out, who never has to lift a hand for herself, who does not know the meaning of the word "worry" How can it be possible? That it is possible is proved by the experience of many a woman who, because of sleeplessness, nervousness, headache and other womanly ills, becomes an utter physical wreck.

Dr. Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. It establishes regularity, dries unhealthy drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"I suffered for five years with inflammation which caused violent pain and often torture so bad at times that I could not be about to attend to my daily duties," writes Mrs. Julius C. Bell, of Bathurst, Kingston, Ont. "Life was simply misery to me and I did not know which way to turn for relief. Had tried doctors but found they did not help me. My druggist advised me to try Dr. Pierce's Favorite Prescription—suffering it in glowing terms. I decided to give it a trial and brought a bottle home. I am happy to say that after the use of the first bottle I felt so much improved I decided to take another and after that a third bottle. I have good reasons to be pleased, for I am to-day a well woman, work as easy and the world looks bright. I have perfect health, thanks to your medicine."

Sick women are invited to consult Dr. Pierce by letter, free. Address Dr. R. V. Pierce, Buffalo, N. Y.

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.

GEORGETOWN AND VICINITY

The annual congregational meeting of St. David's Presbyterian Church was held Monday evening. The attendance was regrettably small. Rev Mr Robertson occupied the chair and John McKinnon acted in the capacity of secretary. The reports of the treasurer and various societies were very satisfactory, all showing a balance on the right side. The report of the Sunday school was particularly encouraging and reflected much credit on the capable superintendent, William McConnell. The following trustees were elected for the ensuing year:—R. R. Jenkins, Alex Rinton, James Hunter, John Gordon, Walter Gordon, John Duff, John McKinnon and Herbert Parker. The cemetery committee consisting of Capt William McLaren, George Parker and William McConnell was re-elected in its entirety. George Parker and Capt William McLaren were appointed auditors and John McKinnon and William McConnell ushers. The services of James Hunter, the efficient janitor were retained.

PERMANENT CURE FOR NEURALGIA

Experienced sufferers state that no remedy relieves neuralgia so quickly as a hot application of Polson's Nerviline, the strongest liniment made. Nerviline is certainly very penetrating and has a powerful influence over neuralgia pains, which it destroys almost at once. Nerviline is highly recommended for Rheumatism, Lumbago, Sciatica, and Toothache. Better try a 25c bottle, it's all right.
