...ANNANDALE NOTES—The fishermen are terribly delayed by the ice. The Bay has been full for a week and they are unable to see how their traps are which they expect will be somewhat broken. There was a few herring taken up the Grand River.—Farming is progressing very well, the land being nice and dry for working.—Rev. R. H. Rand preached in the Baptist Church on Sabbath evening to quite a large audience. His text was Matthew 21-10. Her friends are glad to see Mrs. William Dingwell out again after her recent illness.—U.

NO SIDE ISSUE.—The "YOUNG CANADA" School Shoes are made as they ought to be. In style they are distinctive. The making of this shoe is no side issue with us. It's our specialty and this is the day of specializing. The manufacture of these shoes is most thorough. We use the smooth, even close grain stock that combines most softness and durability. Not an ounce of shoddy is ever used in this factory. Did you ever consider why some shoes twist out of shape after a few weeks' wear? The reasons are cheap, spongy leather, flabby insoles, and shoddy counters. A romping boy, a wet day, and you know the rest. Buy the "YOUNG CANADA" School Shoes. They may cost a few cents more, but the extra wear and satisfaction they give is well worth it.
