Notes By The Way (Continued From Page Four) cularly in whiskey, along with bigger salaries for partisan nabobs, more lavish expenditure of public money in building prairie railroads and the "death-knell" of Canadian industries are leading features in that Lib-Prog. policy just now. It is Liberal and lax in mortals and Progressive downward into the abyss of debt and deficits.

Of nineteen Cabinet Ministers invited to dine with the Prince of Wales at Rideau Hall on Thursday night last, fourteen are reported in The Globe as being "unable to accept their Excellencies, invitation." The absentees included Premier King and Hon. J. E. Sinclair along with twelve colleagues and the wives of the married absentee ministers. If they had been invited to meet President Coolidge perhaps more of the Right Honorables and Honorables would have been present. It was to meet the Her Apparent to the British Throne, a Prince honored and beloved at home and abroad, that they were invited and they were not there!

Willis-Seller Nuptials The following is taken from the Somerville Journal: The wedding of Miss Thelma Beatrice Seller, daughter of Mr. and Mrs. Waldron Bruce Seller, of 72 Berkeley street, to Edgar Frederick Willis, son of Mr. and Mrs. Benjamin Willis, of 12 Warren place, Roxbury, took place Saturday, Oct. 4th, the silver wedding anniversary of the bride's parents, at the Broadway Winter Hill Congregational Church. The ceremony was performed by Rev. Robert L. Barber, of the Claremont Hill Presbyterian Church, in the presence of many friends and relatives, the church being almost filled to its capacity. As the bridal party were about to enter, Martin Reynolds, tenor soloist, a friend associated with the groom at the Forbes Lithographing Company, sang "Because," accompanied on the organ by Jarvis Josslyn and the bridal party then entered to the strains of the "Lohengrin" wedding march. Miss Seller was given away by her father, and the double-ring ceremony was used. Horace D. McFadyen.

Islander's Address At Gladstone Rotary The Guardian has received a clipping from a Gladstone, Michigan paper, which refers to two excellent addresses which featured the meeting of the Escanaba Rotary Club at the Delta Hotel in that city a short time ago. Mr. Andrew of the Delta Fox Farm who is son of Mr. and Mrs. John Andrew, Charlottetown Royalty, in the first scheduled address, reviewed the history of the fox farming industry, while Dr. Poole, who followed stressed the importance of frequent examinations of man's physical machinery, as a means of preventing early bodily breakdowns.

Tells Fox Farm History. Mr. Andrew told of the founding of the fox farming industry on Prince Edward Island in 1887 and of the strides made in that business in recent years. He told of his entry into the business 12 years ago and following a visit with relatives in Gladstone a year ago and finding conditions in this section so ideal for the rearing of foxes, he moved his animals here from Prince Edward Island and established the Delta Fox Farm at Flat Rock. Mr. Andrew said that after a year he had found conditions here all that he had hoped for and his company is closing a most successful first year's operations. He told of the equipment necessary, as well as methods used in caring for the animals, insisting that there was little of the industry that could not be carried out by any individual possessed of ordinary common sense. Mr. Andrew's address was filled with interesting information and when he had concluded he was roundly applauded.

LETTER OF CONDOLENCE Kingston, P. E. Island, Sept. 12th, 1934 To Bro. Samuel Good, Dear Brother: We, the officers and members of King William L. O. L. No. 118 desire to express our sincere sympathy with you in your recent and double bereavement by the death of your beloved parents. Out of the darkness which surrounds you, we would have you look away to the stars that shine beyond and remember that the parting is but for a season and when we too are called to step upon the life that is more abiding, we shall again meet with the loved ones who have gone before and that in that larger life, our beings shall be unknown. We hope you may at this time find consolation in the promise of God, "I will not leave you comfortless. I will come to you" - John 14:18. Signed on behalf of the above lodge. GOLDING BARRETT, GEORGE H. BEER, Committee.

MISERABLE AND ALWAYS IN PAIN Lydia E. Pinkham's Vegetable Compound a Dependable Help for Mothers Port Greville, Nova Scotia. "My medicine for a terrible pain in the side and for weakness and headache seemed to blot all over, too, and feet and hands were the worst. I nursed my baby - the first one of I could nurse. I took Lydia E. Pinkham's Vegetable Compound before my baby's birth, so you can see how it helped me. I cannot praise it highly for what it has done for me. I took all kinds of medicine, but the Compound is the only one that has helped me for any length of time. I recommend it to any one who has trouble like mine and you may use my letter as a testimonial." - Mrs. ROBERT McCULLAGH, Port Greville, Nova Scotia. Before and after child-birth the Compound will find Lydia E. Pinkham's Vegetable Compound a blessing. Many many letters are received giving the name sort of experience and given in this letter. Not only the mother benefited, but these good results pass on to the child. No harmful drugs are used in the preparation of this medicine - just pure and herbs - and it can be taken in safety by the nursing mother. 98 out of every 100 women report benefit from its use in a recent campaign among women users of this medicine.

Leon Frotzky Fears Curzon MOSCOW, Oct. 20 - Speaking in the Caucasian town of Platigorsk, Leon Frotzky, minister of war, declared now is the most favorable moment for the British Labor party to obtain a parliamentary majority at the polls. Prophecying heavy Liberal losses, Frotzky said: "If the Conservatives win, returning Curzon to power, much difficulty will result over the Anglo-Russian treaty. A fresh outbreak of class struggle will result in that case."
