Energy for Men in Fry's

A DAILY cup of FRY'S Cocoa will do wonders in giving that energy of body and clearness of mind, you need for a good day's work.

To read the analysis of FRY'S Cocoa is readily to believe the claims of Dr. Andrew Wilson, F.R.S.E., Dr. Robt. Hutchison and many other scientists, that it is the nearest thing to "liquid energy" that exists in the world to-day.

FRY'S has that delicate "chocolaty" flavour that comes only from a blend of the choicest cocoa beans and the experience of 200 years.

Remember: "Nothing will do but FRY'S."

BURGLARIES REPORTED

Some time between Saturday night and yesterday morning burglars entered Davis & Fraser's Pork Factory and Carter & Co.'s Seed Warehouse, across the street. Entrance to both places was made through a window out of which the glass had been broken, probably by a boy or small man, who then unlocked the door.

SIR GEORGE FOSTER LAUDS INTER-EMPIRE VISITS

LONDON, Nov. 22.—Sir George E. Foster, speaking in Southampton declared the association of overseas parliamentarians on their South African tour brought a valuable intimacy and an understanding of the problems and difficulties of the various dominions and added that such visits were invaluable as a means of strengthening the bonds of empire.

Comparison, more than reality, makes men happy, and can make them wretched.
