## GET RID OF HUMORS AND AVOID DISEASE

Humors in the blood cause internal derangement that affect the whole system, as well as pimples, boils and other eruptions. They affect all the organs and functions, membranes and tissues, and are directly responsible for the readiness with which some people contract disease.

For forty years Hood's Sarsaparilla has been more successful than any other medicine in expelling humors and removing their inward and outward effects. It is distinguished for its thoroughness in purifying the blood which it enriches and invigorates. No other medicine acts like it, for no other medicine is like it. Get Hood's Sarsaparilla today. # Supply the Working Capital That Canada May Carry On

**WITHOUT** the money supplied by the Victory Loan, Canada's farms would lose their profitable market: hundreds of our factories and shops would be closed: and the war effort of which all Canadians are so justly proud could not be maintained.

Canada is in the position to-day of a big business house with a rapidly growing trade.

She is making money. But the success of her business depends entirely on her ability to procure working capital.

She distributes millions in purchasing food, clothing and munitions for her splendid fighting men.

She distributes other millions in paying for goods for Great Britain. For, at the moment, Great Britain,

her best customer, cannot pay cash for her purchases in Canada.

All classes of Canadian people and all trades benefit directly by this distribution of money—the farmer, the artisan, the manufacturer, lumberman, miner, fisherman and merchant

The working capital needed for this gigantic business can be obtained only by borrowing from the Canadian people through the Victory Loan 1918.

On the success of this loan depends not only the victorious prosecution of the War, but the continued prosperity of the whole country.

Help Canada provide the working capital and benefit yourself by buying Victory Bonds to your utmost. Urge others to buy. Do everything in your power to "go over the top" with the Victory Loan 1918

Issued by Canada's Victory Loan Committee, in co-operation with the Minister of Finance of the Dominion of Canada.
