## England's Davis Cup Stars Win Singles Matches

### U. S. Team Suffers Setback As "Bunny" Austin Trounces Much-Vaunted Vines And Allison Falls Victim To Perry.

By Melvin Whiteleather, Associated Press Staff Writer AUTEUIL, France, July 20.—(A.P.)—England's Davis Cup team today overwhelmed the twin hopes of the United States, Ellsworth Vines and Wilmer Allison, in the first two singles matches of the inter-zone finals.

Dapper, 26-year-old Henry Wilfred (Bunny) Austin, a juvenile figure in shorts, trounced the much-vaunted Vines, American champion, with machine-like ease, 6-1, 6-1, 1-4, and then Frederick J. Perry, the British No. 1 star, made almost as short work of Allison, by scores of 6-1, 7-5, 6-4.

#### Bitter Pill to U. S.

Thus the British moved quickly toward a duplication of their 1931 triumph over the United States and the challenge round with France next week. It was the bitterest Davis Cup pill the Americans have had to swallow since they lost the famous trophy at Germantown in 1927, particularly as this year's invasion of Europe was considered one of the best equipped to take the cup.

With a 2-0 lead in the series of five matches, the British need only one more victory to settle the issue, whereas the United States now faces the terrific uphill assignment of making three matches in a row, to avert elimination.

If Perry and his doubles partner, George Patrick Hughes, are as ef-

fective tomorrow as the British singles players were today, it will be all over. The burden of keeping the United States in the fight is now strictly up to John Ban Ryan and George Martin Lot, Jr., the doubles combination. If they can win tomorrow, there will remain the bare chance for Vines and Allison to redeem themselves in the concluding singles matches Sunday, against Perry and Austin, respectively.

Two years ago the British came through with two final day victories to pull out the inter-zone series and Bernon Prentice, captain of the Americans, has not given up hope that his players can turn the tables.

"This is a big blow to us but we are not out of it yet," Prentice said tonight. "We were simply outplayed today and have no excuses."

## Sport Briefs

Montreal claims to have the best and most modern night baseball park in the entire continent, which means the world. Six ninety foot towers reach up into the sky and on top of these are distributed 120 flood lights each having a capacity of 1500 watts. The grand total of 200,000 watts will be used to light the field.

The problem of glare has been eliminated by the equipment of the lamps with stripped-glass lens and silver glass reflectors. It is said that it is possible to gaze right into them without injury to the eyes. Once all the shadows are automatically eliminated and the field lighted in a manner exceeding that of an ordinary cloudy day. It is planned to have baseball matches there two nights a week starting Tuesday evening, July 25th.

William Kondrat, a young lad of eighteen years, swam through the lower rapids and the whirlpool of Niagara River last Monday and was arrested later charged with vagrancy and illegally swimming the river.

He was the first person to ever swim the Rapids and whirlpool, other swimmers including the famous Captain Webb who swam the English Channel, have perished attempting the feat. When Kondrat appeared before Judge Watts of Oshawa, N. J., the Judge declared the swimmer was too brave to be treated as a tramp and dismissed the charge, which was laid because of a by-law recently passed following the death of three lads in the River, making it illegal to swim the Niagara.

## DOWN THE BACK STRETCH

Calumet Devil, winner of the 225 Trot and Pace at the Woodstock mid-summer race meeting, July 12th, was brought here with the Kelly Stables of Bangor, Me., last summer. He was a two year old and was suffering from lameness. Offered at \$250, nobody wanted him, but later in the fall he was sold to Carl Hughes, Bangor, for a small sum. He is now three years old and took a record of 2:13 1-2 in the above race.

Peter Pokey won his trotting class at Bangor, Me., last week beating a field of four other horses including Junior Senator, best time 2:11 1-2. Fredericton horsemen are of the opinion that Peter Pokey is the only trotter in Maine and the Maritimes that can beat Addie McGraw.

Terzan Grattan was racing at Woodstock last week and won the Junior Free-For-All, which was half mile heats, stepping the second heat in 1:06.

King Spruce, 2:11 1-4 was separately timed in that notch in the third heat of the Free-For-All at Northam. He got away a length and a half back and was at Darky Grattan's wheel until the last few strides, when Calumet Brownie nosed him out. The time of the heat was 2:11. He went an awful nice race.

The track record at Northam which was 2:11 1-4, made by King

R. L. Ihor of Calgary, who spent this spring and early summer at Halifax with his horses, Miss Worthy Douglas and Patrick Direct, raced both of them at Woodstock. He won the fastest heat in the 2:19 class with Patrick Direct, 2:11 2-4.

## Yankee Pitcher Is Injured

(Associated Press) NEW YORK, July 21.—Russell Van Atta, young New York Yankee pitcher, was painfully injured today when a smash off O'Dell Hale's bat struck him on the left arm in the seventh inning of the New York-Cleveland game. An examination indicated he suffered a broken blood vessel just above the elbow.

## TOURNAMENT IN PROGRESS AT TENNIS COURTS

Interest Is Keen, Competition Close, And Brand Of Tennis Excellent.

The tennis tournament of the Charlottetown Lawn Tennis Association is now in progress, and is creating much interest. Competition thus far has been keen, and the tennis played has been of a very high order.

The tournament is being held in preparation for the approaching tournament when it is expected that a large number of visiting players will be present. One of the outstanding matches was that between Gilbert Houston and Will Stanley. The latter took the first set 7-5, but Mr. Houston steadied down and took the second set 7-5 and the third set 6-2. Another outstanding match was that between MacKinnon and J. E. Stevens. Mr. MacKinnon took the first set 6-4. In the second set his opponent seemed to be winning, but Mr. MacKinnon finally won 7-5.

M. Owen won over B. Livingstone 6-3, 6-0.  
W. L. Owen won over F. B. LePage 6-3, 6-0.  
Fraser MacMillan won over J. Kenny, a new player in Charlottetown, 6-0, 6-4.

Men's Singles  
A. Wright won from Hansen, 3-6, 7-5, 6-2.  
H. Wright won from H. Black, 6-1, 10-8.  
M. Owen beat Livingstone, 6-2, 6-0.  
W. S. McNutt beat W. S. Duffy, 6-0, 6-3.

In the men's doubles D. M. Gass and Stanley won from LePage and Connell, 2-6, 6-1, 6-2.  
In mixed doubles Miss Margaret Black and Mr. Fraser MacMillan won over Miss Doris Frowse and Mr. Art Wright, 6-2, 10-8.

In ladies' singles Miss Margaret Black won over Miss Marjorie Shaw. Miss Black took the first set 6-3, and Miss Shaw the second set 6-3, and Miss Black finally won the hotly contested third set by 7-5.

Alex MacLeod won over B. Rog Dodds 6-4, 6-2.

## Six Canadians In Final Stage Of King's Prize

### Canadian Marksmen Lose Kolapore Cup To Mother Country — Toronto Rifleman Loses Grand Aggregate By One Point.

By Thos. T. Champion (Canadian Press Staff Writer) BISLEY CAMP, ENGLAND, July 21.—(CP Cable)—On the nerve and skill of six Canadian marksmen who will compete in the final stage of His Majesty the King's prize tomorrow, rest Canada's only hopes of getting a major prize at Bisley this year. And the King's prize of course is the greatest of them all at the big Imperial meeting of the National Rifle Association.

The Canadians have been baulked virtually at every turn since they got into action one week ago today. This afternoon they lost possession of the historic Kolapore Cup, greatest of Bisley's team trophies, to a smart team of marksmen from the mother country, who nosed out the defenders by seven points. Yesterday Canada placed third while Scotland was taking the MacKinnon Cup from England.

#### Take Colonial Prize

Canada's marksmen did, however, take the Colonial prize of \$250, going to the team exclusive of the Mother Country with the highest prize in the Kolapore Cup. Five Canadian marksmen managed to qualify outright in the second stage of the King's prize today while squadron-leader C. Bunch, formerly of the R. A. F. was winning the silver medal for top score with a fine 145 out of a possible 160. Bunch is a regular at Bisley and is 35 years of age. As today's scores are added to those of tomorrow's final stage, Bunch of course has an advantage over all other competitors. He is a partner with his father in a building firm in Hampshire.

#### Leads Canadians

In addition to Capt. J. T. Steele of Guelph, who led the Canadians with 142 and thus has only a three-point handicap, the Canadians getting outright into the final stage were G. M. Emalle of Toronto, 141; Lieut. D. O. White of Sackville, N. B., 140; and Sgt. E. G. Stook and

Sgt.-Major N. J. McLeod of Toronto, each with 139. Capt. H. W. Bishop of Ottawa and Sgt. J. Borland of Toronto scored 137 and after shooting off with others, Borland got into the final, but Bishop was eliminated along with four other Canadian second-stage entrants.

Tomorrow's final is the most difficult of all the stages in the King's prize, calling for 15 shots at 900 and 1,000 yards.

Pte. A. G. Thompson of Sherbrooke had a chance to win the Daily Telegraph cup, in which he equaled the top score of four others, but in the shoot-off tonight Major H. C. Patrick won the trophy, another victory for London; Cadet Surridge of the West Surrey came second, Major G. H. Leigh, formerly of the South Lancashires, was third and Thompson wound up fourth, winning \$30.

#### Misses By Point

Sgt.-Major N. J. McLeod of Toronto missed the grand aggregate, greatest of the Bisley aggregates, by only one point. The grand and the all comers are the most difficult tests of consistent marksmanship at Bisley, consisting as they do of a number of carefully selected individual competitions.

McLeod's 576 was one point below 577 recorded in the grand by Sgt. E. Johnson of Durban, South Africa, the man who won the bronze medal in the first stage of the King's Prize. Johnson won the Dominion of Canada challenge trophy, the gold cross and \$50, while McLeod will shoot off with Cadet Boswell of London University, for the silver and bronze crosses and smaller money awards.

The Mother Country did not get the historic Kolapore cup, donated by the Rajah of Kolapore in 1871 and since won by Canada on 14 occasions, without a stubborn battle against the defenders. The two teams were even at the first stage, Canada was eight points ahead at the second, and not until the last squad had fired at the third and last distance was the issue decided.

## "HOLE IN ONE" Anchors Win From Tanners

At the Belvedere Golf Links last evening Mr. Clever MacLean experienced a thrill which comes once in a life time to a golf enthusiast, that of making a "hole in one."

Mr. MacLean was rounding the links with Peter Kelly when he sank a "one eagle" at the twelfth hole in a difficult shot of 145 yards. It is not known if Mr. MacLean dreamed of performing the stunt, but the fact remains he has at least numbered himself among the chosen few.

## Sluggers Defeat Grand River

SUMMERSIDE, P. E. I., July 21.—In a MacLean League fixture played at Summerside last night the Sluggers defeated Grand River, 9-2. This makes a total of 29 runs in three games with only a total of five against them. Gaudet and McLellan, batteries for Grand River; Schurman and Dodds for Sluggers.

## Here Are The Classes Boys!

Something to Suit Everyone Who Has a Stepper!

Ten classes with over \$4,000 in purses, prizes and premiums for three days racing, Tuesday, Wednesday and Thursday, August 22nd, 23rd and 24th, are on the program for the Provincial Exhibition at Charlottetown on the above dates.

These classes are modeled very much on the lines of last year's which were so successful and drew such a large entry list. It will be by far the greatest amount of money offered by any track for harness racing in the Maritimes and is sure to bring together a classy array of speedsters.

The object of the racing of course is to provide good sport for the public and to do this it is necessary to have the horses as evenly matched as possible so that the events will not be of a runaway nature as then the public lose interest.

Knowing the available material that will likely race at Charlottetown we are confident in the assertion that the classes as shown below will provide the maximum of competition and yet give the horsemen a good square deal.

It will be noticed that the pacing classes allow trotters to start, but the trotters are not given any time allowance. The reason is that the trotters likely to compete with the pacers have enough class without giving them any handicap easily handle any of the trotters in her class, has caused her to be barred from one of the classes to which she is at present eligible. This will really not work any injustice on Addie's owners as they can enter her in both the 2:15 Trot and either Provincial Exhibition has found it necessary to bar any horse and it is a distinct compliment. It was done some years ago in the case of The Yank.

In addition to the regular classes a colt race for two year olds has been added, as there seems to be a great deal of interest taken in them and a number are in training.

ENTRIES CLOSE AUGUST 5th, 1933.

Five Dollars will be given to the caretaker of each horse winning a race in the trotting and pacing classes.

Fifty Dollars will be given to the owner of the horse that beats track record of 2:07 1/2 in a race except in a race, except as provided for below. In case two horses beat the above records then the awards go to the fastest horse. If two horses tie for the awards the money will be divided equally.

#### GENERAL CONDITIONS

(All Races Mile Heats)

The Charlottetown Race Track was entirely resurfaced the fall of 1929. It is now one of the fastest, best laid out and best cared for tracks, and surely Provinces. A great deal of effort will be made to keep it in apple pie order all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen by wiring at our expense notifying us of their arrival will be met at train and their baggage transferred to the ground without cost to them, also taken away without cost to them. Every effort will be made to make the Horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on the three heat plan; 10% of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall race a fourth heat to determine the winner of the event.

All purses divided 50, 25, 15 and 10. Entry fee 5%. Five per cent. of the money raced for each heat will be deducted from the first and second horses 3% will be deducted from the third horse and 2% from the fourth horse.

Six horses to enter, four to start. Right reserved to change program, reject any entry, bar any driver, and to declare race off on account of bad weather, or failing to obtain a satisfactory number of entries or starters to transfer horses to another class to which they are eligible.

Entries close August 5th. Earnings made this date do not count against horse.

J. W. BOULTER, Secretary. Charlottetown, P. E. I.

A man from Toronto was peering into the depths of the Grand Canyon. Do you know, asked the guide, that it took millions of years for this great abyss to be carved out? The man from Toronto was tremendously impressed. You don't tell me, he commented. Why, I didn't know it was a Government job. As a safeguard against the export to Great Britain of apples infested with apple maggot, steamship lines refuse to load cargoes of apples from infested areas unless certified free of apple maggot by the inspectors of the Dominion Fruit Branch. Even a fat chance may produce a lean harvest.
