AN ISLANDER PRESENT.—Governmental regulation on the price of hides and casings on Canadian skins for export to the United States, was the solution of the high price of footwear in Canada, offered by Joseph Doucet, former shoe manufacturer of Montreal, in an address delivered before the convention of the Canadian National Shoe Retailers' Association in Toronto Tuesday. Officers were elected as follows Vice-president for maritime provinces, H. W. Rising, St. John. Executive Committee, maritime provinces, W. L. Tuttle, Halifax; C. L. Hughes, Charlottetown, and L. Higgins, Jr, Moncton. It was decided to hold the next convention in Montreal.

China Not Ready To Sign Treaty

(Special To The Guardian.) PARIS, July 25.—The members of the Chinese delegations say that no compromise has yet been named which will make it possible for them to sign the German treaty. It is known, however, that the Entente Powers are working on a plan to effect an agreement with Japan concerning Shantung, which will satisfy the Chinese and induce them to sign the German treaty. The British delegation is known to be leading in a compromise movement which may result in Japan putting into written form the oral agreement said to have been entered into by Japan for the restoration of Shantung to China at some fixed time

Armstrong, B. C. June 11th, 1919. Minard's Liniment Co., Ltd. Yarmouth, N. S. Dear Sirs: Since the start of the Baseball season we have been hindered with sore muscles, sprained ankles, etc., but just as soon as we started using Minard's Liniment our troubles ended. Every baseball player should keep a bottle of your liniment handy. Yours truly, E. E. ARMSTRONG, Secretary Armstrong High School

BENSON'S Corn Starch

Pie Fillings!

A little Benson's Corn Starch should be introduced into juicy fruit pies, such as rhubarb, cherry, etc., to prevent running over. Orange Cream Pie (see Recipe below) is not difficult to make and will prove a happy addition to your dessert repices. Serve custards, blanc mange, sauces, gravies, cakes and puddings made with Benson's Corn Starch. Write for booklet.

PIE CRUST Take 3/4 cup flour with 1/2 cup of Benson's Corn Starch, 3/4 teaspoonful baking powder, 2 tablespoonfuls of Mazola, or butter, 1/2 cup of cold water, 1/2 teaspoonful salt. Sift flour, corn starch, and baking powder in a bowl, add shortening, rub fine through flour, add last water and salt. Turn onto board, roll longwise till smooth and use as directed. ORANGE CREAM PIE Place in saucpan over the fire, 1 tablespoonful Benson's Corn Starch, 1/2 cup water, 1/2 tablespoonful of sugar and 1 tablespoonful of Lily White Corn Syrup. Boil five minutes. Remove from fire; add yolks of two eggs, 1/2 stick of an orange, and juice of one orange and 1/2 lemon; mix well. Line greased pie pan with very thin pie crust, brush out with beaten egg, and sprinkle with bread crumbs. Pour above mixture and bake in medium oven till crust is light brown. Beat the whites of the eggs very, very stiff; add one tablespoonful of powdered sugar. Arrange by spoonfuls on top of pie and set in hot oven to brown a nice color. Serve cold.

The Canada Starch Co. Limited Montreal

To Our Country Customers

When we fitted up and moved into our new premises we had you all in our minds eye—it was our idea to have a store that would be a pleasure for you to deal in—having the space we planned a rest room, where you can check your parcels meet your friends and use it in any way you may desire. Our stock of Drugs, Sundries, Patent Medicines, Dyes etc., etc., will be up to the usual high standard and everything and anything you may want will be here—Make of our store what we desire a place to trade in.

The Engine for Your Boat

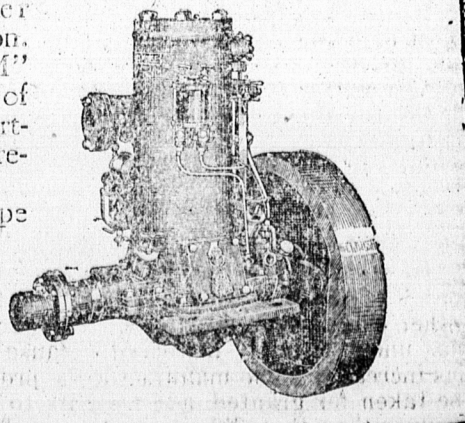

is the engine that gives the most power on the least fuel and at the lowest up-keep cost. The Fairbanks-Morse Type "M" Engine

is your best guarantee of such economy in the operation of your boat. Every fisherman recognizes the Type "M" as the best of work boat engines. Past performance has proved this.

No matter what size engine you require for your boat the Type "M" is the correct engine. All sizes operate on either gasoline or kerosene and are equipped with the well-known make-and-break ignition and plunger pump water circulation.

Back of each Type "M" is the service of a staff of experts and a full assortment of repair and replacement parts. Investigate the Type "M" for your boat.
