

# The June Bride

You will find here a wealth of happy suggestions in sterling silver or plated ware suitable for the "June Bride"

Of all wedding gifts, pieces in silver constitute the great majority.

They make their appeal, personal, intimate, as nothing else can, and thus attract the attention of the gift giving in preference to all other selections.

We can offer you the largest and most select line of silverware ever shown in this city, and at prices that entirely favor you.

### We Are Modern Opticians

We keep in constant touch with the latest discoveries and inventions in optics, and immediately anything new is placed on the market which will increase our knowledge or facilities, we have it.

Our optical office is of the most approved style and is equipped with the very latest instruments and sight testing appliances.

Glasses fitted by us do not detract from the appearance. We make a special study of the cosmetic effect to be obtained, and can assure you that our glasses add a certain note of neatness and refinement that meets with favorable comment.

Children's eyes receive our special attention, and we pride ourselves on our ability to fit a child with child's glasses, not with cumbersome glasses that were intended for adults.

DUNDAS AND ANNANDALE—Rev. A. MacKay of Souris will conduct service in the Presbyterian Church at Annandale on Sabbath, June 16th at 11 a. m. and in Dundas at 3 p. m.

RED POINT INSTITUTE.—The Red Point Women's Institute was held on June 3rd, at the home of Miss Scythia Ching. A collection of \$45 was given by the Institute towards the Y. M. C. A. Fund. A committee was appointed at this meeting to canvass the district for wool knitting.

TEACHERS CONVENTION.—The Teachers Convention at Murray River on Friday last was well attended. Some of the Montague folks, interested, motored down after work, to be in attendance at the evening session. As autos do not run here on Friday, a special permit was granted for the trip.

LAKEVIEW INSTITUTE.—The June meeting of the Lakeview Women's Institute was held at the home of Mrs. S. J. Rose. A demonstration on the making of cottage cheese was given by Mrs. Rose. It was decided to take up a collection for the P. E. Island Hospital at the next meeting which will be held at the home of Mrs. A. W. Morrow.

GEORGEOWN INSTITUTE.—The regular meeting of the Georgetown Women's Institute was held on June 6th. Miss Saunders, assistant supervisor was present and gave a demonstration on the "using of wheat flour substitutes." The Institute has continued the work of community improvement and has placed 22 shade trees along the Main St.

ANNUAL MEETING.—The annual meeting of the W. P. A. and Red Cross societies Montague, was held in their rooms on Friday afternoon, May 19th. Miss Saunders, Charlottetown, was present, and gave a very helpful demonstration of cooking wheat substitutes. She also addressed the meeting at some length on the different foods which can be easily used to advantage in place of wheat, thereby showing our patriotism and loyalty to our country. Miss Saunders is a very earnest speaker, and is enthusiastically patriotic. She showed very clearly that women can "do their bit," just as well as the soldiers in the trenches "Does his bit"; for the food sent will help win the war. At the close a hearty vote of thanks was tendered Miss Saunders, by the ladies present.

METHODIST CONFERENCE.—The Methodist Conference held at Montague last week was well attended. The weather was ideal, and everything went off nicely. At the closing meeting on Tuesday in the Methodist Church, the Pastor, Rev. Walter Denville, presided, in his usual pleasing manner. Rev. R. G. Fulton, of Charlottetown preached a powerful sermon to a large and appreciative audience. In the text "If ever man spoke like this man." It was indeed a great pleasure for Montague folks to listen to this Rev. gentleman, of whom they have heard so often, especially as a prominent member of the Temperance Commission of this Province, which is doing such a splendid work, in driving the liquor business out of our midst.

ANNANDALE.—The farmers have finished up their cropping and everything is coming in well. Mr. John Howlett has potatoes up in rows. The fishing is very poor, the worst in upwards of 25 years. The codfish have not showed up either. It is reported that the trawlers got only 4 or 5 last week. Mr. John Jackson of Fortune Bridge is very ill, also Mrs. John Banks of Big River. Mr. George McDonald, Annandale, has sold a house and barn to Mrs. Westhaver. Mr. J. J. Clarke, is going to build a house on the site of the one that was destroyed by fire last fall. Rev. Mr. Lumsden preached in the Baptist Church, Sunday last at 11 a. m. to a good size congregation and Rev. Mr. Hurn had service in the Presbyterian Church at 7 p. m. The autos are flying around quite plentiful. They don't seem to annoy the people very much in fighting their horses. The drivers are pretty careful and no drunks are seen in them around here.

TEETHING TROUBLES  
Baby's teething time is a time of worry and anxiety to most mothers. The little one becomes cross; peevish; their little stomach becomes deranged and constipation and colic sets in. To make the teething period easy on baby the stomach and bowels must be kept sweet and regular. This can be done by the use of Baby's Own Tablets—the ideal laxative for little ones. Concerning them Mrs. Henry Bernard St. Emile, Que., says:—"Baby's Own Tablets cured my baby of constipation and made his teething painless. The Tablets cured my baby of constipation or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont."

SOURIS AND BAY FORTUNE—Rev. W. J. MacLeod of New Glasgow will conduct service in the Presbyterian Church at Souris on Sabbath June 16th at 7 p. m. and in Bay Fortune at 2.30 p. m.

WAR TIME SAVING.—With the high price of printing paper one wonders there is no public order given to save all newspapers and other papers which are now thrown away or burned.

THE BEAUTY OF OLD AGE.—Mrs. Gorman S. McLeod, Montague, who will celebrate her eighty-first birthday this week, had a washerwoman for the first time in her life last week. Mrs. McLeod, who is of the old Scotch stock, is as active as a woman of forty, and does her own work, besides waiting on her invalid husband, and there is no woman in Montague, who can make so successful and speedy a shopping trip. Let us join in wishing Mrs. McLeod many more years of health and prosperity.

UP-TO-DATE GARAGE.—Mr. W. L. Dingwell of Souris has fitted up and opened an automobile garage at the east end of Main street, capable of accommodating about fourteen cars, alongside of his undertaking rooms. He has installed a Bowser gasoline pump, also keeps on hand lubricating oils and nearly all requisites for cleaning and repairs. If Mr. Dingwell attended the same efficiency in this new venture as he has in his undertaking business we predict that it will be a successful venture.

METHODIST CONFERENCE.—The Methodist Conference held at Montague last week was well attended. The weather was ideal, and everything went off nicely. At the closing meeting on Tuesday in the Methodist Church, the Pastor, Rev. Walter Denville, presided, in his usual pleasing manner. Rev. R. G. ### EASTERN PERSONALS

Mr. William McQuarrie, of Westville, N. S., who has been visiting in Montague for the last two weeks, returned to his home by the Car ferry Monday morning. Mr. McQuarrie is a "jolly good fellow" and Montague is always glad to welcome him home.

Mrs. Carrie McDonald, and her father, Mr. William Van der Stine, Montague, left on Monday for Edmonton, Alta. We will miss these desirable citizens, much more than we would some undesirable ones in our midst. Ms. McDonald and her father have always been honorable and highly respected by this entire community.

## Procedure of Registration

On June 22nd every person residing in Canada, male or female, British or alien, of sixteen years or over, must attend one of the registration booths located in his or her district, and there observe the procedure explained below.

### Where to Register

Every person required to register has the privilege of registering at any of the public places provided for that purpose. The location of all such places will be specified in proclamations posted conspicuously.

In Cities and Towns, many of these places will be open for registration purposes prior to Registration Day. Where such arrangements are made, the local papers will supply full information.

Large industrial and business concerns are being asked to provide facilities for registering their employees. Where they do so business will not be interfered with, and employees will suffer no loss of time.

### How to Register

The procedure of registration is simple. The questions upon the registration card can be answered very easily, but they must be answered truthfully and fully.

The card shown in the illustration is a facsimile of the registration card for females. An advertisement showing the card for males appears in another paper.

Study the questions carefully so that you will be able to answer them promptly when registering. If you have any special qualification, or feel that your services would be more beneficial to the country in some other line of work, say so.

While all are compelled to register on Registration Day, it is not contemplated by the Government to force the sick, feeble and aged to turn out. If such persons will notify the Registrar prior to June 22nd of their inability to attend at a place of registration, an effort will be made to register them at home, provided the request is reasonable and justified.

Remember the Day—June 22nd—Remember the Hours—7 a.m. to 10 p.m. Register early and get your Certificate for your own protection.
