Tea—to be good—must be fresh

"SALADA" TEA

is always fresh and possesses that unique flavour of 'goodness' that has justly made it famous.

LABORER is worth of her life—and a little bit more. When your stenographer does not make you happy with a box of MOIR'S CHOCOLATES, loses its terror, and "goodness" become more interesting when she is tasting such a sweet appreciation.

ENTERTAINMENT AT HEARTZ HALL.—There was a large attendance at the Hartz Memorial Hall last night where for two hours Mr. J. W. Bengough, brilliant caricature sketch artist and humorist, entertained his audience with a unique and fascinating entertainment. Professor Steele occupied the chair and introduced Mr. Bengough, who sketched a number of citizens, including a number of citizens keeping up an amusing fire of talk as he worked. The pictures were very amusing and remarkably clever. At the conclusion of his programme Mr. Bengough recited a number of poems and dismissed his audience in high good humor.
