THE Sydney Record says.—A number of bicyclists have been fined lately for riding on the sidewalks. Ladies are said to be the worst violators of the law in this respect and it is proposed to make an example of the next offenders of the fair sex.

A RUNAWAY team on Queen Street threatened everything lying in its track yesterday morning. Mr. S. F. Tarbush, made a clever capture and prevented the destruction of a number of carriages which were directly in the track of the frightened animal.

AN alarm for a fire in the residence of Mr. John Johnson, corner of Pownall and Euston Streets was rung in last night at 10.30. Upon investigation the firemen found that the cause of the alarm was a choked up stove, the smoke from which had circulated through the different rooms of the house.

CRICKET.—Among the features of Victoria Day's events will be a Cricket Match between two elevens of the Phoenix C. C. at Victoria Park. The stumps will be pitched at half-past one to-morrow afternoon when an interesting game may be expected. We are glad to see the national game keeping to the fore and look for some foreign matches during the season, when no doubt our boys, as usual, will give a good account of themselves.

A VISIT TO THE BEACH!—A sail upon the placid waters of the Hillsboro! To-morrow at the river fishing! All these thoughts suggest all that is implied in something to drink. Under circumstances of special comfort the excursionist will take with him a selection of the excellent beverages put up by Mr. Geo. Simmons. In many places it is difficult to get good water but when the traveller is equipped with a few bottles of ginger ale, lemon sour, cream soda, orange phosphate, ginger beer, sarsaparilla, all fear in that regard can be set aside. As an acquisition to a lunch anything selected from Mr. Stimson's Bottling Establishment is destined to rank pre-eminently amongst the very best. Buy a few bottles and it will be found that the investment will materially enhance the pleasure of the trip.

THE football match between St. Dunstan's Junior Team and Prince Edwards played at St. Dunstan's College grounds yesterday evening was hotly contested and resulted in draw in favor of the Prince Edwards. Mr. Thos. Trainor discharged the duties of the referee to the satisfaction of all. The Prince Edwards were composed as follows:

- BACK.
W. Williams.
HALF BACKS.
L. McMahon, C. Worth, L. Proud, H. Tdombs, Capt.

Touch Judges.—Reginald Stewart, Frank Creamer.

THE Abegweit Football Team held their final practice, previous to their visit to Pictou on Victoria Day at the Park last night. There was a good turn-out of players and some excellent work was done. The team is playing in good form, and splendid foot-ball was played by the members under the direction of Captain Lou. McMillan. The forward line is perhaps as a whole not so heavy as in former years, yet the "scrim" was solid. The half line was perhaps never better. The "four" are swift and also good tacklers and last night put in some fine combination work. It is expected that some hundreds of friends will accompany the team on their trip, which is confidently hoped will result favorably to our Island footballists. Excursion trains are being run in connection with the game from many points in Pictou County. The team is as follows:

- BACK.
R. Drake.
HALF BACK.
H. Ritchie, C. McMillan, J. McMillan, C. McMillan.
QUARTER BACKS.
B. Brown, L. B. McMillan, Capt.
FORWARDS.
B. McMillan, J. Darke, J. Lightizer, Chas. Moran, L. McIntyre, F. Creamer, G. Fraser, O. McEachern.

To morrow Victoria Day.

Soon luckless man will mourn his plight,
And fate's oppressions rue,
And wish that fish would freely bite
As the mosquitoes do.

Victoria Day.

Ere the sun has kissed the hill tops
Or the robin sang his song,
May this Nation praise their Maker
That Victoria was born.
Yes, Victoria the Good did come
From Heaven a blessing sent,
To guide our Nation many years
As Queen from Heaven lent.
And every year her birthday came
With hearts of love and joy,
We sang her praises loud and long—
Yes, Prince as well as boy.
And now at length we come to-day
With hearts aglow with love,
To praise and bless our Nation's God,
She reigns with Him above.
And sweeter seems the air we breathe
And greener grows the grass
Because our good Victoria sees
Not darkly through a glass.
With all the future now disclosed
And open to her sight
She shall not weep or sigh again
To see her soldiers fight.
And may King Edward blessed be
And humbly walk with God.
As she who taught him how to pray
When passing 'neath the rod.

SHELDON'S OPINION.

Leamington, Ont. Mr. Sheldon states that for two years he unsuccessfully sought a remedy to cure his son of Catarrh, but permanent results were not attained until Catarrhzone was used. It cured his little baby like magic, and he has been free from Catarrh ever since. Catarrhzone cures all forms of Catarrh, Bronchitis, Throat, Irritation, Coughs and Colds. No remedy like it. Quick to relieve, pleasant to use, and guaranteed to cure. Clears the throat and nose at one breath. Try Catarrhzone, 25 cents and \$1.00. Druggists or Polson & Co., Kingston, Ont.
