WEDNESDAY

WOUNDED IN HEAD.—Mr. H. J. Palmer, K. C., has received a cable from England stating that his son, Lieut. Philip Palmer, reported dangerously wounded' has been able to write a short note to his Aunt, Miss Mary Palmer, now residing in Richmond, England. Another cable from Military Headquarters, London, to Mr. Palmer, states that Lieut. Palmer, was suffering from a gunshot in the head, and further particulars would be sent as soon as possible. The Lieutenant was then in one of the hospitals in France.

NO. 8 SIEGE NOW IN FRANCE.—The following terse message was received yesterday by Cpl. McKenna from Gr. P. D. McKenna, No. 8 Siege Battery, formerly the Happy Fifth Woolwich, March 17, 1917. "From Philip to Bunny. Overseas in 3 hours. Good-bye." This means that the Battery is now in France and probably taking part in the great spring offensive. Gr. McKenna enlisted for home defence in 1915, stationed at Ives Point Battery, , and was transferred to the 8th in July, leaving Charlottetown in September. Although young, he is unusually well-developed and promises to make matters interesting for Kaiser Bill. He resided in Vernon, received his elementary education there, spent two years in S. D. C. and was studying for teacher's license before enlisting. John, his brother is also in the 8th, and he has another fighting in the trenches. He is a brother of Mr. Michael McKenna, the well-known horseman and owner of the pacing stallion "Zealot."

There passed away to his reward a few days ago at Monticello at the old age of 81 years, Mr. James McDonald, a good and respected man of integrity and justice, and much regretted by his neighbors. He was of the Bornish Sept of McDonalds of the numerous McDonalds of Pisquid, brother to the Venerable Father Dougald McDonald of Tignish, and father of Father Stephen McDonald. He left to mourn their loss his sons John A. at home, and Miss Ida and his long life partner Catherine, daughter of the late Hugh McDonald, son of Ronald McDonald, of Big Cape, Boyr, who was a son of Alexander McDonald, who was son of John, formerly of Arasaig or Monar, Scotland, with high sounding pedigrees too numerous to mention. But if the parent tree is examined it would show many of the family famous on sea and land in direct line of descent, and many connections in King's County.

Mr. Peter Kehoe died on Monday the 2nd inst., at the residence of his brother Mr. Richard Kehoe, Georgetown after an illness of two months. Deceased who was in his sixty-fourth year was a native of Summerville, King's County and followed the trade of a carpenter. During his illness he received the consolations of religion from his pastor Rev. D. P. Croken who frequently visited him. His funeral took place to St. James Roman Cothole Church on Wednesday the 4th instant. The pall bearers were: Captain A. A. MacDonald, John McPhee, James McPhee, Michael Macdonald, Frank Solomon and Albion McLeod. A Requiem High Mass was sung by Rev. Father Croken after which the interment took place in the family plot in the adjoining cemetery. Deceased leaves to mourn three brothers Richard, John and Maurice Kehoe and one sister Mrs. John Curran of Avondale besides many other relatives and friends. May his soul rest in peace. —"&"

Many friends throughout this province will learn with sincere regret of the death of Mr. John H. Cudmore, the efficient manager of the Protestant Orphanage at Lot 48, who passed away at his home in that institution Monday afternoon at 2 o'clock, after one week's illness of pneumonia Mr. Cudmore was forty-nine years of age and belonged to Union Corner, Prince County. He was a member of Union Lodge, L. O. A., of that place and was prominently identified with the Order, being a past district master and junior deputy grand master of the Provincial Grand Lodge. He was appointed manager of the Orphanage in 1913, and has discharged his duties in that capacity which met with general approval. Deceased was a man of sterling character, whose death leaves a gap in the community, which it will be exceedingly difficult to fill. He will be greatly missed by the children of the Orphanage, whom he taught and trained and who loved him as a father. He is survived by a wife and family including one son at the front, one at home, and another in Western Canada and a married daughter living at Freetown and another in the West. To the bereaved The Guardian extends sincere sympathy.

In the death of Mr. James G. McCallum, of Brackley Point, which occurred at his home there early on Easter Sunday morning one of the Island's most progressive farmers and a man of more than common intelligence, has been called away. Deceased was born at Brackley Point 85 years ago. Up to a few years when the weight of years began to tell on him his health had been of the very best. For considerably over a half a century he was a leading elder and a consistent member of the Presbyterian Church at Covehead. In his daily walk and conversation he exemplified the sincere Christian and his character and daily contact and dealings with his fellowmen, stamped him as that type of man who lived and labored "as ever in the Great Taskmaster's eye." Not only for the spread of the Gospel and the advance of Christian activities and endeavor at home did he labor, but he also evinced a deep and practical interest in foreign missions and all that pertained to the dissemination of Christianity and the sending of the Bible into foreign lands.

There are left to mourn, a widow, (Miss Mary Gregor), five sons, namely, Peter, in Charlottetown Royalty; Fred, in Seattle; Louis, on the homestead; Dr. Charles, in Portland, Ore.; and Oscar, in Saskatchewan; also one daughter, Mrs. Alfred Shaw, of Brackley Point. All of whom will have the sincere sympathy of a host of friends in their mourning.

A meeting of the Executive of the National Service League was held in the Provincial Library last evening. Mr. J. A. McDonald, Director og National Service, presided, and others present were: Rev. Canon Simpson, Rev. Dr. McLellan, Rev. Dr. Fullerton, Rev. C. R. Freeman, Rev. R. G. Fulton, Col. H. M. Davison, and Messrs Percy Pope, D. J. Riley, E. H. Beer, R. H. Jenkins, H. R. Hilson, W. W. Stanley, John McKenna, J. A. Webster, W. L. Cotton, J. R. Burnett, and J. J. Enman.

The question of assisting in securing additional farm help was discussed and the report of the sub-committee appointed to make arrangements regarding establishment of a labor bureau in Charlottetown reported as follows:

To The National Service Director,
P. E. Island.

Sir,—

Your sub-committee begs leave to report as follows:— That a suitable office having a good show window for the display of posters situated on one of the principal streets, is an esntial. That such office shall be kept open during regular business hours.

That three registers be opened—

One for skilled laborers, 18 to 50 years of age.

One for unskilled laborers, 18 to 50 years of age.

One for boys, 14 to 18 years of age.

Each register shall set forth: Name, address, age, when the applicant is prepared to go: for how long; wage expected.

SCALE OF WAGES SUGGESTED.

Class A, skilled laborers, $7 to $10 per week.

Class B, unskilled laborers, $6 to $8, per week.

Class C, boys, $4 to $6, per week.

Except when arrangements are made directly between the farmer and the laborer, the Bureau, in association with the rural branches of the National Service League is to be charged with the duty of placing suitable laborers upon the farms,

It is suggested that an office for the registration of those willing to work upon the farms be also opened in Summerside.

In connection with this scheme the duty shall devolve upon each rural branch of the National Service League to open a register of farmers requiring help. Such register shall set forth:—

The farmer's name, address, the time during which help is needed; the class of laborer required, A, B, or C; the wages he is prepared to pay.

A copy of such registrations shall be forwarded to the Charlottetown and Summerside offices from time to time, and each branch when sending its list of those requiring help must certify that the applicants will provide proper accommodation, and prompt payment of wages to, those who may be sent to them and in the case of boys it is suggested that the local clergymen shall be consulted as to the suitability of the home offered.

Each rural branch of the National Service League will be expected to exercise due supervision over all laborers placed by it, and to examine and report upon all complaints made either by the farmer or the employee.

PUBLICITY.

This in our opinion can be best obtained by a liberal use of the press and posters in the towns and through the good offices of the clergy and the rural branches of the National Service League in the country.

It is suggested that the National Service Director do bring the matter before the Labor Unions and solicit their hearty co operation.

All of which is respectfully submitted.—

C. H. B. LONGWORTH,
C. H. CHANDLER,
H. R. HILLSON,
PERCY POPE,
Sub-Committee.

This report was unanimously adopted.

The question of organizing branch leagues throughout the country was next considered and after some discussion the following programme of meetings was arranged, subject to change:
