Scout News and Notices

Jackson Dodds, C. B. E., of Montreal, Dominion Commissioner of the Boy Scouts Association, announces that the Canadian Boy Scouts Annual Financial Campaign in 1950 will be conducted from Feb. 6 to 22.

Inspector D. O. Forrest, R. C. M. P. of Brandon, has been appointed Assistant Provincial Commissioner of the Boy Scouts Association in Manitoba.

By their prompt action and teamwork, three Wolf Cubs saved the life of 12-year-old Cheryl Van Loon of Hillsburg, Ont., recently when she fell through the ice while skating and working together the boys pulled the girl to safety after much difficulty. The Cubs are: David Payne, 10; Art Parillo, 11, and Ian Bushness, 10.

G. R. Lennan, Superintendent of Welfare Services, Department of Veterans Affairs, Regina, has been named Lone Scout Director for the Province of Saskatchewan. Lone Scouts are boys living on farms, or in areas where there are not sufficient lads to form a Scout Troop. They do much of their Scouting under supervision of adult Counsellors.

Typical of Scout Toy Shops conducted across Canada in 1949 was that operated by the Sherbrooke, Quebec, District Scout Council in which more than 10,000 used toys were renovated by Scouts and distributed last Christmas to needy children. Another typically Canadian Christmas Scout Good Turn was the singing of Christmas Carols by trained groups of Wolf Cubs. They visited hospitals and other institutions and, in some cases, sang their carols in railway stations during the Christmas season.

Montreal Rover Scouts (older Boy Scouts) have organized the Red Arrow Ski Club and are affiliated with the Laurentian Zone Ski Committee. As most of the Rovers are already trained First Aiders, it is expected they will take an active part in the Ski Safety Patrol activities of their region.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rain!

The liver should pour out about 2 pints of bile juice into your digestive tract every day. If this bile is not flowing freely, your food may not digest. It may just decay in the digestive tract. These gas bloats up your stomach. You get constipated. You feel sour, sunk and the world hula hula.

It takes those mild, gentle Carter's Little Liver Pills to get those 2 pints of bile flowing freely to make you feel "up and up". Get a package today. Effective in making bile flow freely. Ask for Carter's Little Liver Pills, 36¢ at any drugstore.

Predicts Good Year For Construction Industry

By Forbes Rhude
Canadian Press Business Editor
MONTREAL, Jan. 16 (CP)—The construction industry today predicted another good year for building in Canada, something in the nature of the more than \$2,000,000,000 spent in 1949. Prediction and caution came from a number of speakers at the opening sessions today of the three-day annual meeting of the Canadian Construction Association, attended by delegates from Newfoundland to Vancouver Island.

Employers were told to engage in legitimate competition but to avoid cut-throat tactics. Labor was cautioned against undue demands for wage increases which might send costs rising, and was advised to set a goal of real wages based on a lowered cost of living.

But there were also bouquets for both labor and management. Said H. P. Frid of Hamilton, Ont., presenting the labor relations report: "There seems to be a feeling among some labor leaders in our industry that in 1950 wage rates should be increased. They must be concerned, as we are, about keeping our large labor force at work, and their reasoning that increases will do this is not easy to understand."

"Since 1939 wage rates have increased steadily in line with the increase in the cost-of-living index, and have gone approximately 30 per cent beyond... last year we saw the cost-of-living index rise only 2.1 points, against rises in 1947 of approximately 21 points and in 1948 of 11, and I think it is apparent it now has reached its peak."

Victoria, the Village by the Sea

Mr. Raymon Miller, Victoria, is visiting relatives and friends in Boston.

Mr. George Clark, Dartmouth, N. S., was a recent visitor to Victoria, guest of his parents, Mr. and Mrs. Harry Clark.

Our mail driver, Mr. Walter Trowsdale, is doing good work despite the usual handicaps in the way of muddy roads, slush, snow, sleet and what have you, and so far this winter has not missed a single trip, the mails being delivered in good time.

Mr. Thomas Cameron, Victoria, is spending the winter months in Crapaud at the home of his daughter, Mrs. Eric Lowther. Mr. Cameron's many friends here miss his congenial companionship very much, and are looking forward to seeing him back home in the "Village by the Sea" when the spring is here once more.

The sympathy of this entire community goes out to the Rev. W. A. MacQuarrie and family of Hopewell, N. S., in the great loss they have sustained in the death recently of a beloved wife and mother who before her marriage, was Miss Annie Auld, Freetown. The late Mrs. MacQuarrie was a visitor here quite frequently and by her friendly manner endeared herself to those who had the pleasure of her acquaintance.

Service in the United Church here on Christmas Day was fittingly observed, and a nice program was carried out which included a trio by Miss Maylea, David and Edward Boswell, and a solo by Mrs. Robbelle of Tyron.

The church was beautifully decorated with spruce, candles, and a lighted tree. Much credit is due those who gave of their time and talents towards this service, commemorating the Blessed Day of Days, on which the Prince of Peace was born.

All-Time High For Labor Income Set In October

OTTAWA, Jan. 16 (CP)—An all-time monthly high for Canadian labor income was reached last October, the Bureau of Statistics reported today. The income—which includes salaries, wages and supplementary earnings—hit an estimated \$693,000,000 in October. That was \$1,000,000 up from the previous month and a gain of \$30,000,000 over October, 1948. It brought the total for the first 10 months of last year to \$6,237,000,000, an increase of 78 per cent over the \$5,867,000,000 marked up for the first 10 months of the previous year.

In the primary industries—agriculture, logging, fishing, trapping and mining—the October figure fell off to \$53,000,000 from \$54,000,000 in September and \$57,000,000 a year earlier. The 10-month figure in this group was down from \$514,000,000 to \$488,000,000 in October factoring, labor income in October totalled \$219,000,000 as against \$220,000,000 in September and \$213,000,000 in October, 1948. In the 10 months ended October the group total was \$2,147,000,000 against \$1,997,000,000 a year earlier.

In construction the month's labor income was \$52,000,000 compared with \$53,000,000 in September and \$48,000,000 a year earlier, and in the 10 months \$436,000,000 compared with \$393,000,000.

The estimated total for utilities, transportation, communication, storage and trade was \$175,000,000 in October compared with \$174,000,000 in September and \$164,000,000 in October, 1948, bringing the 10-month figure to \$1,671,000,000 as against \$1,516,000,000 a year earlier.

In finance and services—including government—the October labor income amounted to \$141,000,000 compared with \$138,000,000 in September and \$130,000,000 a year ago. In the 10 months the aggregate stood at \$1,371,000,000 compared with \$1,251,000,000.

IN MEMORIAM

In loving memory of Emma Bernice LePage who died January 18th, 1938, at the early age of 21 years.

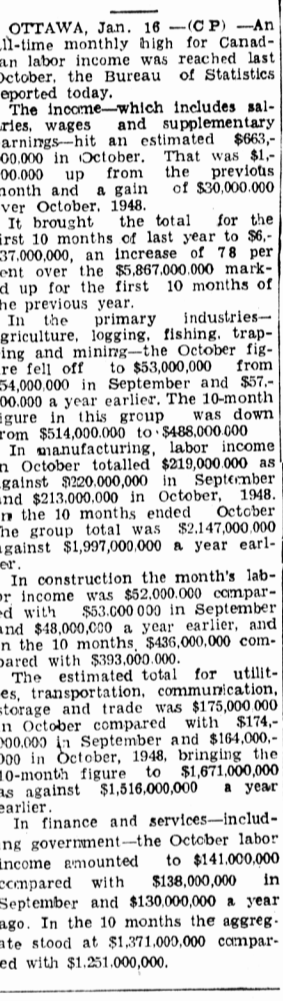

Just a rose from God's own garden
Dropped into our home one day
Won our hearts completely
Then smiling went her way.

Though the circle it is broken
And our hearts are sad to-day
Yet we would not for one moment
Bid her tarry on her way.

For God createth and he taketh away
And who are we to say no
Perhaps he will make her again
Just as gay
And in his garden she'll grow.

Lovingly Remembered by Her
Mother and Sisters Janie and Edna.

Girl Guide News

Guiders meeting for this month is on Thursday at the home of Mrs. Gordon Hutchison, Greenfield Ave. and we do hope for the usual good attendance. Miss Suzanne McKinnon is in charge of the instruction and is giving a talk and demonstration of the work of the Second Class test. All Guiders who are anxious to obtain their Warrants should make a special effort to be there.

Central Royalty Guide Company
Central Royalty Guides had a very busy evening on Monday, Miss I. Arsenault, Div. Commissioner, Field Sec. Barbara Jenkins and Miss Maylea Boswell were visitors and between them enough work was designated to keep the Guides working for weeks. Miss Helen Love the Leader opened the meeting with inspection and points were awarded. An instructive talk followed by the P. S. on the 1st and 2nd Class test work and work detailed for the ensuing weeks. Miss Arsenault spoke briefly on guide work. Miss Boswell came in at this point and discussed with the Guides and Leader the forming of a Food Club which will mean more Homemakers and Cooks training for our Guides. The class was to commence in a week's time. A rousing Sing Song after

HAMPSHIRE MISSION BAND

The annual meeting and Mite Box opening of the Hampshire Mission Band was held at the home of Mrs. Richard MacLean on Monday evening, December 12th. Due to the condition of the roads, the president, Joan Stewart was unable to be present, and the vice-president, Audrey Kisson, presided over a very nice programme of Christmas carols and visitations. The business included the election of officers, and the opening of mite boxes. The leader of the Band, Mrs. J. F. Easton, in summing up the year's work, felt it had been a very successful one. The Study Book had been most interesting, and the members as well as their parents, had given a splendid co-operation, not only by regular attendance at the meetings, but by generous giving as well. The result was our increase over last year, the total amount being \$74.50. Mrs. Easton announced two new leaders for the coming year, Mrs. John Edwards and Mrs. Errol Stewart, and under their capable leadership, no doubt the Band will enjoy another profitable year. A period of games was then enjoyed, and a delicious lunch was served by the hostess, assisted by the older girls of the Band. A very enjoyable evening was brought to a close by singing "God save The King."
