National Division S. of T. Meeting

MONCTON, N.B., July 11-(CP)—The National Division of the Sons of Temperance of the North America concluded their annual convention yesterday arranging for the 1942 meeting to be held in Halifax next July, when the centennial of the order will be celebrated and its history dramatized over a north American radio hookup.

Among resolutions passed today was one stating that "as we are being called upon both in Canada and the United States to contribute our physical effort, financial means and material resources toward the defence and prosecution of the war in order that the menace to world freedom be overcome, therefore be it resolved that we brand the liquor traffic as a fifth column which our Governments should take steps to eradicate."

Another resolution urged that attention of the Dominion Government be called to a previous request of the order that all liquor stores in Canada be closed for at least the duration of the war.

Audited and found correct—
H. I. Gordon.

The Rev. I. Judson Levy of the Baptist Church in Charlottetown, was the guest speaker. In a masterly address in which he based his remarks on the 22nd chapter of the 2nd book of Kings, he impressed upon his hearers the worthwhileness of the work for the extension of Christ's Kingdom in which they are engaged.

It was moved by Ven. Archdeacon H. D. Raymond, seconded by Mr. J. P. Gordon and concurred in by all present, that a resolution of sympathy in his bereavement in the loss of his son, should be sent to Mr. J. R. Burnett.

Rev. J. M. Murchison expressed the delight which those present felt at having Dr. Raymond attend the meeting, who during his tenure of office as President had laid such a solid foundation for the work of the Society.

Following some discussion re religious education in the Public Schools, the meeting adjourned.

EVENING SESSION

At the evening session the Devotional Period was conducted by Rev. E. R. Woodside and Rev. A. E. Todd.

Special musical numbers were delightfully rendered by Miss Audrey Gillis, Mr. A. R. Gillis, and Rev. J. M. Murchison.

The District Secretary, Rev. J. M. Murchison, in a most inspiring address, outlined the wonderful work which the Bible Society has accomplished during the past year, when despite the war the distribution of the Holy Scriptures has increased, twenty tons per week going out from the Bible House in London, England, printed in 747 different languages. The speaker said that contributions amounting to \$4000.00 should be the aim of the people of Prince Edward Island during the coming year.

REPORT OF RESOLUTIONS COMMITTEE

1. That we place on record our appreciation of the faithful services of the officials of our Executive during the past year.

2. That we express our pleasure of the presence of our District Secretary, Rev. J. M. Murchison, and that we pledge ourselves through him to support the British and Foreign Bible Society with greater enthusiasm and larger gifts in view of conditions in the Mother Land and the necessity of supplying our men in the armed forces with the Scriptures or portions thereof.

3. That we record our appreciation of the work done by the Officers and collectors in our local branches throughout the Province.

4. That we place on record our appreciation of the services rendered to our Auxiliary over a number of years by the late Rev. R. H. Stavert, M.A. B.D., a faithful member of the Executive.

5. That our Secretary be instructed to convey to the various denominational bodies in our Province and the P. E. I. Militaria Association our hearty approval of any effort to introduce religious instruction in our Public Schools, and that we shall do everything in our power to help this worthy cause.

6. That we express to the Officials and families connected with the Kingston United Church our sincere thanks for the use of their Church building, and to the families of Kingston generally for their hospitality.

7. That we express to Rev. I. J. Levy of Charlottetown, our thanks for his inspiring address at the afternoon session.

8. That we express our appreciation to those who rendered special music, and to all who in any way helped to make this Annual Meeting of our Auxiliary a success.

Rev. J. M. Murchison
Rev. E. R. Woodside
Mr. W. E. Johnston

land. In the latter, services were conducted in Alberton, Casumpec, O'Leary, Montrose, Elmsdale, Campbellton, Milingash, Glenwood, The Brae, Cape Wolf, Springfield, Bethel, Victoria West, Long River Presbyterian and United Churches, Malpeque United, Fort Hill Anglican Church.

Rev. L. J. Wason also spoke for the Society on Sunday, June 23rd, in Princetown Road, North Winsloe and South Winsloe churches.

During my vacation in August I gave three Sundays to the Society speaking at Mt. Stewart, Donaldson, and Lot 40 the first Sunday. I spoke at Victoria, Hampton, and Bonshaw, the second Sunday, and Belfast Presbyterian Church the third Sunday.

Where I was unable to hold services I had interviews with workers and officers in many places.

Early in October I had the privilege of addressing the Maritime Synod of Presbyterian Church at their meeting in Summerside, and received a most cordial welcome. Also had a very fine service in Little Sands United Church. It was also my privilege to address Maritime Conference of the United Church at their gathering in Sackville.

Prince Edward Island sent a grant of \$2,000 to Toronto, and there was a bequest of \$2,500 earmarked for bonds.

The Prince Edward Island Annual Meeting was held at Cra-paud, and as usual was attended by representatives from all sections of the province.

Some branches have not yet been heard from, but most of those making returns are equal to and some are above 1939. I am glad to report that Charlottetown has increased its contributions. The Island's contribution to the War Emergency Fund was \$119.03. The objective was \$900.

The thanks of the Society go to Board Members, Branch Officers, and above all, the Collectors.

The driving force in this great enterprise is that if our Christian civilization is to remain, it can only be as the world and individuals are made to endure as seeing Him who is invisible. In that task the written Word plays a very important part.

Respectfully submitted,
J. M. MURCHISON,
District Secretary for,
Prince Edward Island.

WHEN THEY STEP at CHARLOTTETOWN

The dates AUGUST 12th to 15th will mean much to thousands of Maritimers who are interested in the Sport of Kings and will gather for their annual get-together at the CHARLOTTETOWN DRIVING PARK AND PROVINCIAL EXHIBITION grounds. OLD HOME WEEK AND PROVINCIAL LIVE STOCK EXHIBITION will have an appeal that simply cannot be resisted. Everyone will be there. No year in the half century of the Association's existence have been so many inquiries or so much interest taken in this big annual holiday. Hundreds of letters have been received from the United States and from all over the Maritimes by the Association and the Tourist Bureau can say ditto. Advertising is appearing in ten mainland papers and hotel keepers, restaurant keepers, rooming houses and all those who have accommodation can rest assured that great crowds will be here and it is up to our people to make provision for them so that they will go away as they have done in other years, singing our praises.

The program of the Association's racing is given below and will be equal to the best of any year. In addition to the regular events there will probably be classified dashes the same as last year. These proved popular and gave non-winning horses an opportunity to earn some money. The track and grounds will be put in the best possible condition and every attention will be paid to running off the events according to program and in a snappy, well disciplined manner.

The vaudeville program is without question an outstanding one, better in fact than last year which everyone was so good. Full particulars regarding it will appear later, also full particulars regarding the \$5,000 Prize List for the Provincial Live Stock Show which will be a big feature of the week.

From the above it can be seen that folks here will have something to talk about when they write their friends, because no City in Canada will offer a better program of entertainment than will our beautiful Charlottetown. Let us all get behind it, let us decide to make OLD HOME WEEK our greatest entertainment week of all time. Next let us all get behind the PROVINCIAL LIVE STOCK SHOW which will be held in connection with it. This is a brave effort to keep going interest in the high standard of quality for which the Garden of the Gulf is noted. Other provinces of Canada have given up, thrown in the sponge to a great extent, but the more forward and progressive breeders in co-operation with our Provincial Department of Agriculture have said—Let us Carry On, and the Provincial Exhibition Association has met them more than half way and one grand big live stock show will be the result.

GENERAL CONDITIONS

(ALL RACES MILE HEATS)

The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated of any in the Maritimes Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen (providing they are racing exclusively at our meetings) by wiring at our expense notifying us of their arrival will be met at the train and their baggage transferred to the grounds without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on three heat plan: 10 per cent of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall have a fourth heat to determine the winner.

All purses divided 40, 30, 18 and 12 per cent. Entry fee 5 per cent. Five per cent of the money raced for each heat will be deducted from the first and second horses; 3 per cent from the third horse and 2 per cent from the fourth horse. Entrance fees and deductions do not apply to Futurities.

Six horses to enter and four to start.

Rights reserved to change program, reject any entry, or if entry appears to lay over the field to the extent that there is not, in the opinion of the management, sufficient competition, then the said entry may be transferred to a faster class or entry fee refunded, bar any driver and to declare race off on account of bad weather, or failing to obtain satisfactory number of entries or starters to transfer horses to another class to which they are eligible, re-open or substitute another without advertising, or after or extend racing dates.

THE OFFICIALS

The officials will be selected for their experience and reliability and will be instructed to carry out the rules firmly and fairly. All purse money will be paid immediately after the race and horsemen are asked to get same from Secretary before leaving.

PRESENTATION OF PRIZE MONEY

Friday evening on or about 8.30 o'clock the President will award special ribbons, prizes to the winning owners, drivers and caretakers, at the Judges stand and those winning awards will please be on hand to receive them.
