CHAMBERLAIN'S COUGH REMEDY.

This preparation is intended especially for coughs, colds, croup, whooping cough and influenza. It has become famous for its cures of these diseases over a large part of the civilized world. The most flattering testimonials have been received giving accounts of its good works; of the aggravating and persistent coughs it has cured; of severe colds that have yielded promptly to its soothing effects, and of the dangerous attacks of croup it has cured, often saving the life of the child. The extensive use of it for whooping cough, has shown that it robs that disease of all dangerous results. It is especially prized by mothers because it contains nothing injurious and there is not the least danger in giving it even to babies. It always cures and cures quickly. Sold by all druggists.

COMING EVENTS.

City Council meets on the second Monday in each month. Dr. James Warburton, Mayor; H. M. Davison, City Clerk.

DISLOCATED HER SHOULDER.

Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. For sale by all druggists.

When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For sale by all druggists.

SUFFERED FOR THREE YEARS.

HEADACHES AND RUSHING OF BLOOD TO THE HEAD.

APPETITE WAS GONE.

TRIED MANY DIFFERENT REMEDIES BUT

BURDOCK BLOOD BITTERS CURED

MRS. WALTER MANTHORNE, BROOKLYN, N.S.

She says: "I suffered for three years with terrible headaches and rushing of blood to my head. I lost my appetite and became very thin and weak. I tried many different remedies and consulted doctors, but all in vain until I started to use Burdock Blood Bitters. I had not taken more than two bottles when I began to feel better, my appetite improved wonderfully and I increased rapidly in weight. I took altogether four bottles and am now as well as can be, for which I owe my thanks to Burdock Blood Bitters. I can recommend it to all those suffering as I did."

WATCHES THAT TELL NO LIES.

The main business of a watch is to keep good time. Its case may be ever so handsome, but if it does not tell time aright it is not worth the carrying. We want to emphasize with all the force there is in words, one salient fact about every single watch in our stock—namely, that every one is a good, honest time keeper. We sell some quite low priced watches, but none of them are so low priced that they possess unreliable movements. We have learned many things in the thirty-two years that we have been selling watches, and one of the most important of them is that the inside of a watch counts more in the long run than the outside. We test carefully the movement of every watch we buy before we place it on sale.
