**WHAT IS HOME WITHOUT A GARDEN?**

A GARDEN OF PINKS

Dainty flowers with wide range of coloring that is adaptable for many garden uses, are to be found in the many varieties of the pinks. There are so many different pinks, in fact, that a whole garden could be planted with them alone, and make a beautiful showing. For bedding, and as edgings—in fact, in almost any place or position the garden offers, for they will give unrivalled satisfaction with a minimum of trouble and expense, so long as they have a rich fare and adequate drainage.

A fragrant flash of pinks used for an edging for your garden walk is superb.

The Chinese and Japanese strains of double pinks give an amazingly varied collection of blended coloring, with fringed petals. The single flowering strains, have larger flowers, some of them 2 or 3 inches in diameter.

The sweet williams, which are biennials, belong to the family of pinks. They should be sown each spring to produce plants for the following year. The variety Newport Pink or Pink Beauty is a favorite with many gardeners, who say its lovely salmon pink flowers cannot be matched by any other plant.

The hardy grass pinks are easily grown from seed, and last for many years.

cutting, edging, rock garden, potting or just garden color, they have unlimited usefulness, and fortunately most of them are very hardy and easy to grow.

The annual pinks germinate from seed with surprising alacrity, and can be seen peeping above the ground within a week of planting. Pinks and reds are the predominant

**W. M. S. Rally At Long River**

A most interesting and inspiring Women's Missionary Society Rally was held Thursday afternoon and evening, July 8th, in the United Church at Long River.

The interest taken in these sectional Missionary Rallies, combined with the desire for a pleasant afternoon outing, brought many members of the W. M. S. from far and near.

The afternoon session opened at 3 p. m. with Mrs. Wilfred Pickering, Associate Helpers' Secretary, presiding.

Meeting opened with Invocation. Margate members, Mrs. Harry Brown, Mrs. John Johnson, Mrs. Heath Mayhew, Mrs. (Rev.) Somers, in charge of devotional period. "Jesus shall reign where'er the sun" was sung. Scripture reading taken from Mark 5. The hymn, "In Christ there is no east or west" followed.

A Secretary and Resolution and Courtesy Committee, namely Mrs. Walls, Mrs. Schurman and Mrs. Somers were then appointed. Mrs. John Johnson of Long River extended a very cordial welcome to the visiting auxiliaries. Mrs. Walls responded to by Mrs. Austin Rogers of Freetown.

Ninety two (92) members, representing fifteen (15) auxiliaries responded to Roll Call. One Circle was represented.

A very pretty pantomime, "Daffodils in Spring" was performed by Long River Mission Band. "Come let us sing of a wonderful love" was sung.

The President, Mrs. W. E. Aitken's message of regret that she was unable to be present and her very stirring plea for more workers and leaders, larger membership, more funds, and young women to help at home and abroad, was read by Mrs. Pickering. "Every year sees many vacancies, and these gaps must be filled, let our aim to increase along all lines." Mrs. William Johnstone then read a message from the Secretary of Christian Stewardship and Finance, Mrs. A. J. Matheson.

A very pleasing duet, "Go home and tell" was sung by two New London ladies, Mrs. Foster Dunning and Mrs. Harold Dunning.

Mrs. Walls, Secy of Baby and Missions Bands, made a plea for forming of more bands, that their might be more mission workers for the future.

Mrs. Frank Deacon, Secy Literature Dept. gave her report.

An interesting address was given by Mrs. Clark MacQuarrie, Press Secy, asking for more assistance in her work, by reporting any thing of unusual interest in the Auxiliaries, novel ways of increasing funds, deaths of members, etc. She also made the suggestion that each Auxiliary have a Press Secy. A duet entitled, "If the Christ should come today" sung by Mrs. Walker and Mrs. Simpson of Kensington, was much enjoyed. A message from the Missionary Monthly and World Friends Secy., was read by Mrs. Warfield Orr; also a message from Temperance Secy. Mrs. Herbert Thompson, read by Mrs. Hedley Woodside.

A message from Mrs. Allen, member of Branch Executive was read by Mrs. Hammond Toombs.

A very interesting Question Box was conducted by Mrs. MacQuarrie.

A quiet half-hour as conducted by Mrs. Toombs and her address was most helpful and inspiring. "I am Thine, O Lord" was sung as a closing hymn.

An enjoyable luncheon was served by the Long River ladies, on the beautiful grounds adjoining the church.

A 8.30 a public meeting was held when the commodious church was filled to overflowing.

Mrs. Pickering again presided. The devotional period was conducted by the Young People from Cavendish United Church. A Duet "Have you counted the Cost" was sung by Messrs. Ernest Dunning and Andrew Johnson.

Rev. Mr. Thomas from Malpeque was the special speaker and his theme was "Why I believe in Missions," citing a number of convincing reasons why a true

**TO HONOR LIBERALS**

LONDON, (C.P.)—Viscount Mersey will preside over a dinner to be given by the Eighty Club July 15 to Liberal recipients of Coronation honors. Among those who will attend are Viscount Samuel, Lord Rea, J. A. Spender, Sir Sydney Jones, Milner Gray and Miss Allison Garland.

Christians must believe in missions. First and foremost because of the explicit command of Jesus. "Go ye . . . Ye shall be witnesses" etc. Jesus was the first missionary, going to the despised people, even of samaria, where Jesus goes, we must follow.

Because we are also the fruit of missionary effort; This gospel beginning away back with Jesus, was brought west and we are the product. Must we not share with others that which we have received?

Because of the noble army of heroes and martyrs whom we have sent to the foreign field. Listening to the story told by Rev. Frank Dickinson, home on furlough from China, one realizes the days of heroism are not over. These men are creating world brotherhood. We can no longer say that what happens in China, in Japan in Africa, does not affect us. Can we say we want to build even one little stone in the bridge that spans the Atlantic, the bridge of friendship, of brotherhood of peace? Missions are getting away from the old motive, we must get the idea out of our heads that all colors and creeds other than our own, are heathen. The modern motive is to share the truth that Jesus gave. It is good for us to share in this way, fellow. We send what we have, we value it so highly. "I am come that ye might have life and have it more abundantly."

A duet, "Go to Thy Father in Prayer" was sung by Mrs. Dunning and Mr. MacGregor.

The inspirational service was brought to a close with the singing of the grand old hymn, "Onward Christian Soldiers and the Benedicton."

**EXHIBITION RACE CLASSES**  
**For PROVINCIAL EXHIBITION**  
**AUGUST 17th. to 20th.**

With the publication of its race program by the Provincial Exhibition today interest will soon be centering on the great racing events which will be held the week of August 16th to 20th. For years Maritime horsemen—and in fact those farther afield—have looked forward to the Charlottetown races as one of the bright test meets in the entire racing firmament.

Here a fast track, beautiful surroundings, a glad hand from the management, good treatment, purses paid at the wire four days racing with classes that fit any horse is assured.

This year there has been a few changes made in the program such as the introduction of the Two, Three and Four-Year-Old Futurities, open to colts entered in these events. Interest has been steadily growing in these juvenile racing affairs which have entries from all over the Maritime Provinces, although known as the Prince Edward Island Futurities. It is felt that in staging them at the Provincial Exhibition a great many more people will have an opportunity to look at the colts and become interested in colt raising which is now so popular in the United States and Europe. The other classes have been planned so as to bring the best available racing talent together. They have been changed but slightly from last year when the contests were voted among the best of all time.

A notable feature this year is the donation of a beautiful sterling Silver Trophy by the Macdonald Tobacco Company of Montreal, known as the British Consols Trophy, to be presented to the driver who scores the most points during the four days racing. A cut appears elsewhere on this page. This gift from the popular Tobacco Company is much appreciated and everywhere among horsemen spoken of with interest. It will no doubt be the means of further increasing the rivalry among the great teamsters who will attend the meet in mid-August.

Special prizes for owners, drivers and grooms will be continued as usual, with the \$50 for breaking the track record both trotting and pacing.

R. M. Webber, of Milltown, N.B., who was engaged at the conclusion of last year's races, will again act as starter and a capable stand of officials will judge and time the events.

The track, which is even now in excellent condition, will be further improved so as to make it faster than ever in its history. All horses must be declared in at eleven o'clock on the day prior to the race. This will permit the management to have score cards printed with the actual starters and thus prevent confusion due to a number of horses being on the score card which have been drawn.

In addition to the race program of the four days, August 17th to 20th, a magnificent line of Vaudeville and other entertainment has been secured. Here are the race events:

**GENERAL CONDITIONS**  
**(ALL RACES MILE HEATS)**

The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated in any of the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen (providing they are racing exclusively at our meeting) by wiring at our expense notifying us of their arrival will be met at the train and their baggage transferred to the ground without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on three heat plan: 10% of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall have a fourth heat to determine the winner.

All purses divided 50, 25, 15 and 10. Entry fee 5%. Five per cent. of the money raced for each heat will be deducted from the first and second horses; 3% will be deducted from the third horse and 2% from the fourth horse. Entrance fees and deductions do not apply to Futurities.

Six horses to enter and four to start.

Right reserved to change program, reject any entry, or if entry appears to lay over field to the extent that there is not, in the opinion of the management, sufficient competition, then the said entry may be transferred to a faster class or entry fee refunded, bar any driver and to declare race off on account of bad weather, or failing to obtain satisfactory number of entries or starters to trans-
