HORSE NOTES

Attention is called to the advertisement of Casper Again in this issue, owned by J. B. Edwin Reid. This handsome stallion has some excellent stock after him in this County, many of which are prize-winners, prominently among them being a beautiful colt owned by Wm. Webster, Kollo Bay West. Kinaros 38086, owned by T. Gordon Ives, Montague, has been wintered by J. P. Irving, Cape Traverse. Yesterday Mr. Clair delivered him to his owner and until July 1st, he will stand at Montague, when he will return to Tunnel Park for the summer's training. This beautiful stallion was never in better shape and it is expected he will make a name for himself at the fall meet. Kinaros' ad. appears in another column. 4-20d11.

THE ALL CANADIAN ROUTE TO MONTREAL

Via the Intercolonial Railway Maritime Express is the only All Canadian Route to Quebec, and Montreal from the Maritime Provinces. The Maritime Express is generally admitted by experienced travellers to be the most comfortable train in America. This is especially true in regard to the dining and sleeping car service. The diners of the I. C. R. are roomy and well ventilated and furnished in the best of taste. The excellent meals are served Table d'Hotel at a price away below the a la carte rates prevailing on the company owned lines. The sleeping coaches are up-to-date in every particular, and the smoothness of the road bed makes the long journey easy and pleasant. Being popular with a class of travellers who are generally found to be the acme of good company, the through journey is never found dull, and even during the winter months there is much of scenic interest. In the day's ride through the Provinces of Quebec, Montreal is reached at the convenient hour of 6.30 p. m., and connections are made at Bonaventure Union Station with the through trains of the Grand Trunk Railway for Toronto, Buffalo, Detroit, Chicago, and other points in western Canada and the United States. Connecting train from Detroit leaves at 4.30 daily except Sunday. 4-20d11.

From The Ad-Man's Note Book

The man who went out to milk and sat down on a boulder in the middle of the pasture and waited for the cow to back up, was a brother to the man who kept a store and wouldn't advertise because he reasoned that the purchasing public would back up to his place of business when it wanted something. 4-20d31.
