IMPROVING YOUR FACE

Every woman who is a seeker after beauty must first of all study what type of facial contour she has.

But what is the difference? milady may ask. If I have a round, fat face or a long, thin one, what can be done about it?

IS YOUR FACE ROUND?

Take the round, full face for instance. This type on a young, daintily built person is not unattractive.

Another thing that the round faced person should guard against is the round neckline.

THE LONG, THIN FACE

The woman with a long, thin face has a problem which is solved in a way exactly opposite to the method employed by her round-faced sister.

DRESSING THE HAIR

It is fortunate for those who have concave or convex facial contours that long hair is as much in vogue as short hair...

PREVENT SAGGING

A face which sags and in which the lines point downward is not attractive, and as this is a tendency in later years, it must be carefully guarded against.

A splendid exercise for keeping the face from sagging is to lie down for a few minutes each day in the position of an inclined plane...

Your Children Need Nourishing Hot Breakfasts

...give them Quick Quaker Oats for morning vim

Cooks in 2 1/2 to 5 minutes

Children need hot, satisfying breakfasts. Healthy, growing bodies demand extra nourishment...

So we urge mothers to give their children the hot Quaker Oats breakfast, recommended by doctors, teachers and health experts every-

where. Quaker Oats contains more protein, the growth and stamina element, than any other cereal...

So good to eat, too! Warm, savory Quaker Oats has the delicious, nutlike flavour children never tire of.

From every three bushels of the finest Canadian oats we can buy, only one is good enough to make Quaker Oats.

A Delightful Surprise! A surprise for mother in every Quaker Oats package marked "China-ware"...
