Nothing will build you up with the certainty of Ferron's. Thousands it has cured who never hoped to be well—and here is ample proof—substantiated by one of Nova Scotia's prominent clerics. "Before taking the first box of Ferron's," writes Mrs. Annie Jeffrey of Sandy Cove, N.S., "my condition was deplorable. Though I employed the best skillful and I grew steadily weaker. In fact, I was in such a low condition that it was impossible for me to walk across the room. My head was very weak, and I suffered from terrible palpitations, which the doctors said were from troubles peculiar to women. Friends urged me to try Ferron's, and I bought six boxes. When I had used the third box the old-time vigor and strength returned. The palpitations ceased, my appetite increased, and I got a good rosy color in my cheeks. It would be impossible to speak too highly of Ferron's. All weak women should use it. I hope many suffering sisters will use Ferron's for it will surely cure them."
 Rev. J. C. Morse, D. D. pastor of the Baptist Church, Sandy Cove, bears witness to the recovery of Mrs. Jeffrey, and writes: "This is to certify that Mrs. Annie Jeffrey is a lady upon whose word you can depend. I have known her since childhood, and believe her to be a truthful, honest woman." This adds additional force to the testimony of Mrs. Jeffrey. Ferron's does what is claimed for it. Three weeks treatment costs \$3.00, or six boxes for \$2.50 at all druggists.

Baby Smiles.

One mother happily expressed her opinion of Baby's Own Tablets when she said "there's a smile in every dose." In homes where the Tablets are used there are no cross, fretful, night children. The Tablets make children well and keep them well. They cure indigestion, colic, constipation, diarrhoea, teething troubles and all the other minor ailments of childhood. They can be given with absolute safety to the new born child, for the mother has the guarantee of the government analysis that the Tablets do not contain one particle of opiate or poisonous soothing stuff. Isn't such a guarantee worth something to you, mother? The Tablets are sold by all medicine dealers or may be had from The J. C. Williams Medicine Co., Brockville, Ont., at 25 cents a box.

HAVE YOU RELATIVES IN BOSTON?

Write them at once to work and vote for George A. Hibbard for Mayor. His election means a return to the good times of thirty years ago when able men from Maine and the Provinces were given first consideration, when good jobs were to be had, and are now being filled and controlled by Irish, Jew and Italian foreigners. If Hibbard is elected it means that men from Maine and the Provinces will get first choice at any positions in Boston. Write to your fathers, your brothers, your sweethearts to vote for George A.
