Why A Farm Needs A
Milwaukee Air Power
Water System

Combined in a few words—the
answer is: Because it is the best
investment a farmer can make.
Time spent in carrying water, in
pumping water and in taking the
pump to the watering trough is
time that can be given to better ad-
vantage at other work.

The water of home comfort also
is important. Isn't the wife of the
farmer just as good as the wife of
the city?

What about the children? Is
there any reason why they should
not have a home equipped with a
bath room and inside toilet just
like their city relatives?
And to think what it means to
be out of the house to have a hose hand-
led eighty pounds water pres-
sure to fetch it with.

Call in the next time you are in
town and look over the demon-
strating outfit.

A SAD DEATH—Mr. George
McDonald, Harmony Jet, mail
carrier on Souris R. R. No. 5,
met with a sad, painful accident,
which terminated in death at 2
o'clock last Monday morning, not-
withstanding all that the best med-
ical aid, including that of Dr. Jen-
kins, Charlottetown, could do for
him. His untimely death, in the
prime of manhood, only about
fifty years of age, and the father
of nine small children, the oldest
being only about 11 or 12 years,
has cast a very sad gloom over the
entire community of No. 3 mail
route, Harmony, Hermanville,
Priest Pond, Glencorodale and
Souris, where he was so favorably
known and so universally loved.
Late Tuesday, while drawing in
the hay, he fell off the load, strik-
ing his forehead on the pole of the
wagon, breaking or fracturing the
skull somewhere between the
shoulders and paralyzing the body
so that deceased could not move a
limb or muscle. He maintained con-
sciousness, however, up to the
last.

IN MEMORIAM

MR. JAMES R. McDONALD

The death of Mr. James R. Mc-
Donald occurred last evening in St.
Rita's hospital, about 5 o'clock,
after a week's illness, following
a recent operation for appendicitis.
Deceased was aged about 38 years
and was a native of Tabusintac,
Northumberland County, but for
the past year had been residing in
this city, being a valued and trust-
ed employee of the T. Eaton Mall
Department Store here, being employ-
ed since 1912. The deceased is sur-
vived by his wife, formerly Miss
Irene Burns of Charlottetown, and
by an infant son, aged four
months. Deceased also leaves his
mother, Mrs. Mary A. MacDonald,
Tabusintac and three sisters, Mrs.
(Dr.) P. J. Wallace, Covedale and
the Misses Lena and Mary at
home. Five brothers survive, these
being David and John of British

Columbia; George of New Jersey
and William and Alexander at
Home. Although they deceased was
a resident here but a short time,
he was well known and very
highly respected by a large num-
ber of the citizens of Moncton who
will regret to learn of Mr. Mc-
Donald's untimely demise at so
early an age. To the bereaved re-
latives is extended heartfelt sym-
pathy.—Moncton Transcript.

**CANADA'S SHIPS TO SAIL SE-
VEN SEAS**

WINNIPEG, Aug. 17—Can-
ada's ships operated under the di-
rection of the Canadian Govern-
ment Merchant Marine Limited,
will prove highly profitable as an
investment for the Dominion this
year, according to Hon. C. C.
Ballantyne, Minister of Marine
and Fisheries, who was in Winni-
peg yesterday, on his way west
because of the great increase of
shipping in Canada and the build-

ing of 83 additional ships this
year. "These ships will sail all
seven seas and we expect them to
expand greatly Canada's export
trade."
