Industries that Are Passing Away

Just as spinning and knitting has been displaced many years ago by machine-made goods, so modern methods are doing away with home baking and other old-fashioned industries. Many good women tell us that our large loaves of bread are better than any they ever ate.

Twenty Million Mark is Passed
 For the first time in the history of life insurance in Canada the twenty million dollar mark of policies issued in one year has been passed.
 That the Sun Life has done this with largely increased profits and a reduced ratio of expense, makes pleasant reading for its army of policy holders.
