"Beaver Flour"

is the finest blend of the two best wheats Canada produces —Manitoba Spring wheat and and Ontario Fall wheat. One provides the rich gluten that makes bone and muscle, the other gives lightness and whiteness to the bread and pastry. Beaver Flour makes more loaves to the barrel than any other flour on the market —loaves that are sweet, nutritious and light, and it also makes delicious biscuits, cakes and pies.

Try it, and show your friends the excellence of your baking.

—A large and enthusiastic meeting was held at Cape Traverse Friday night at the request of the farmers of Cape Traverse, Albany, Kinkora and Augustine Cove for the purpose of discussing the advisability of holding a general meeting at some central place, where it would be possible to have the car-ferry matter fully discussed and enable our Federal representatives to know the wishes of the people of this Province. The matter was discussed by Major Clark, J. B. MacFadyen, Frank Schafer, H. E. Dawson, John MacFarlane and others. A resolution was unanimously adopted, moved by Rev. J. J. McDonald, seconded by John B. MacFadyen. The following committee was appointed for the purpose of making arrangements for meeting: J. B. MacFadyen, Frank Schafer, Rev. J. J. McDonald, Thos. Gillespie, Dr. W. H. Dougherty, M. Deegan, Secretary. Resolved: "Whereas the Central Farmers' Institute of P. E. I., in convention assembled at Charlottetown on Nov. 29th, ult., by the unanimous vote of the delegates present, declared in favor of a car-ferry service at the Capes to connect the railway of this Province with the Intercolonial Railway, and thereby secure to our Province the transportation facilities to which we are entitled; And whereas it is understood that if our Federal representatives are encouraged by the unanimous wish of the people of this Province to ask for this service on their return to Parliament after recess steps will be immediately taken to provide the same. And whereas it is advisable to offer an opportunity to our said representatives to have an expression of public opinion on this important question. Therefore resolved that a public meeting be held at some central place to be decided upon by a committee appointed for that purpose on Friday, the 5th of January, 1912, and that our Federal and Local representatives be respectfully requested to attend. Further resolved that due notice of such meeting be given through the press so that all interests concerned may be represented by delegates or otherwise.
