GERMANS SEIZE FALSE PASSPORT STORE

Hundreds of Forged Papers and 3,000 Stamps for Visas Taken

COMMUNISTS SUPPLIED

Berlin Bureau Able to Give Credentials On Short Notice

(Special to Guardian) BERLIN, Oct. 21.—Hundreds of false passports, including two American, also 3,000 rubber stamps for providing passports with visas and everything else required for getting their holders from one country into another, were included in a haul made by Berlin police recently when they raided the Communist's secret lair here. The articles seized were placed on exhibition today at police headquarters.

Among the passports are two bearing photographs of Ruth Fischer, a noted Communist, and Reichstag member, made out to "Anna Boschard," one purporting to be Swiss, the other from the free city of Danzig.

Another passport seized bore the photograph of the prominent Communist Reichstag member Koenig, though made out to "Alfred Dreyer, engineer of Basle, Switzerland."

One of the American passports, both of which are supposed by the police to have been stolen from the rightful holders, is made out to Leonard L. Nins, of Yonkers, N. Y., the other to Hugs and Theresa Fair of Baltimore.

The former bears the number 85,531 and is dated September 23, 1921; the latter No. 428,377 and dated May 28, 1924. With the latter the police found a receipt for a return passage to America on the Red Star liner Lapland.

The police claim the place where the haul was made was the regular Communist headquarters for making passports so thoroughly that Communists obtaining them could cross from one country to another via any frontier.

Rubber stamps seized not only were capable of duplicating the ordinary visas of various European countries, but stamps of Finance Ministers, etc.

The police say more than 600 Communist agents were supplied with false passports at this Berlin agency.

Among the articles seized were two American seals for marking "American" passports.

So variegated was the stock of the fake passport bureau that Communist agents could be provided at short notice with passports.

MORE TURKISH CRUELTY

CONSTANTINOPLE, Oct. 21.—At the point of the bayonet, routing their victims from bed, the Turkish police have taken matters of exchange populations with Greece into their own hands, and marched some 3,000 Greeks to imprisonment in the historic fortress of the Seven Towers.

The Greeks, who were hustled off without being permitted to bring their belongings, including many who were not to be exchanged, but their protests fell upon deaf ears. A child suffering from smallpox was dragged off to the fortress. Old men and women were prodded along the road by armed envoys, and in one instance a banker's boy, his hands and apron still white with flour, was hurried off to the prison.

The Greek population of Constantinople is terror-stricken as a result of the action of the police. The latter claim the Greeks seized belong to a category slated for exchange, and that they have delayed too long after obtaining passports. Many of the prisoners had no passports, however.

Strong protests have been made to the mixed Inter-Allied Commission, which has charge of the transfer of Greeks to Greece in return for Turks to Turkey, but the Commission has been unable to check the arrests.

LONDON, Oct. 21.—The Turkish legation here issued a statement today regarding the wholesale arrest of Greeks at Constantinople, declaring that those interned did not hold registration papers and therefore were not exempt from expulsion.

SPLENDID SHOW AT PRINCE EDWARD

Before a fair sized audience at the Prince Edward last night, the Colonial Stock Company presented the four act comedy "Won by Witting", which, judging from the proffered applause, made a big hit, and, according to many theatre patrons was in its wide range of characters, a better vehicle for the exhibition of its cast's histrionic ability than the play of the previous evening. Again the stellar roles were filled by Miss Hazel Fox, as Amy Douglas, a rich heiress, and Clarence LeRoy as Andy Marco, her lover. The supporting roles of Marion Gray (Miss Louise Ad Del), Mrs Marco (Miss Eileen O'Neil) and Albert Gaskell (Walter Delima, were capably taken, the later as the villain of the piece, Muggs Winton as Tobie and Roy E. Fox as Col. Douglas a hard-headed New York banker deserving special consideration.

The story of the play lies around the rise and fall of Col. Douglas' fortunes, whose fluctuations are largely due to the machinations of his private secretary Gaskell, in reality a clever forger and swindler who, having already married Marion Gray, a simple-minded country girl, sues for the hand of his employer's daughter, which he almost succeeds in winning, and is only frustrated in the nick of time by the combined energies and enterprise of his legal wife and the hero of the play, the latter Andy Marco who goes out to seek his fortune, in one act and returns in the next, a successful gold-miner, to save the reputation of his prospective father-in-law's bank in the crisis caused by a run on the establishment by panic stricken depositors. The heart of the play is a crusty banker softens towards young Marco and all ends as it should.

Another good vaudeville bill was shown last night, featuring Baby Hazel Fox in songs and dances, the DeLuna-ADA team in song and dialogue, including some very original stunts, Miss Fox in song and dance and Jack Dean in various musical instruments. Each item elicited generous portions of whole-hearted applause.

It was announced that "Won by Witting" would be repeated this afternoon and that the play for tonight would be "The Call of the North."
