An event of more than usual interest took place on Tuesday, September 26, in the pretty chapel of St. Malachi's, Kinkora, when Miss Florence Hamill, daughter of Patrick and Mrs. M. Hamill, Frestown, was united in the holy bonds of matrimony to George Sherry, son of James and Mrs. Sherry, Fernwood.

The following is from the New York World. A peculiar matrimonial mix-up came to light recently when Alfred McLeod, superintendent of one of the construction companies building the Lexington Avenue subway, summons in an action for annulment of marriage brought by Mrs. Sophia McLeod. She lives in Cambridge, Mass., James J. Myers of Boston, her attorney, forwarded the summons and complaint to Sheriff Shea to serve here.

A happy event in which a great deal of interest centered in the localities concerned took place recently at the Fort Augustus R. C. Church, when Miss Caroline Theresa McNeill of that place became the bride of Ambrose Edwin McGuire, Morell, the ceremony being performed at seven a. m., Sept. 26th, by Rev. A. McDonald. P. P. Mothers! Fathers!! Look at the pictures of the old and the new in children's underwear—and say which you would prefer for your children. They're half-dressed in the old-style kind that must be bothersomely buttoned. (See the lower picture. Hasn't it a familiar and vexing look?) They're always snugly and comfortably dressed in the new kind, whether it's buttoned or not. (Glance at the upper picture.) Your little ones will be neater, nicer, far more comfy in it.

WATSON'S Klosed-Krotch COMBINATIONS. Ask for it in any weight you like, and expect and find every size fits perfectly, because it is knit-to-fit. This new idea in underwear is worth your while. Ask your favorite store about it—and have them show it. You'll understand in a moment then.

Constipated Children. Constipation in children is the surest sign of danger—the most convincing signal that baby is going to be ill. Constipation leads to and actually causes more suffering in little ones than any other trouble. To keep baby well his little stomach must be kept sweet and his bowels regular—Baby's Own Tablets will do that—they will do it safely, surely and without pain or griping. Concerning them Mrs. S. O. Braaten, Bergland, Ont., says: "My baby was bothered almost continually with his stomach and bowels and was greatly constipated. Baby's Own Tablets quickly relieved him and I would not now use any other medicine." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Five Roses Flour. Not Bleached Not Blended. "What's flour gluten, Bud?" "It's what makes your dough rise, Rose." "Yes"—she encouraged. Added Bud very sagely: "Makes it rise in the mixer and expand in the oven. It's the elastic part of flour—absorbs all the water and milk—and things." Rose grew interested. "FIVE ROSES, said Bud, is exceedingly rich in gluten. I s'pose because it's all made from Manitoba wheat. Takes up a lot more water—makes those fat loaves—lasts longer too." "Saves money, doesn't it?" asked Rose. Bud in a big voice: "The fat loaf makes the fat pocketbook." Use FIVE ROSES always. And Rose said YES.
