

Great waves of heavy hair! Oceans of flowing tresses! Beauty, elegance, richness!

Ayer's Hair Vigor is a hair-food. It feeds the hair and the hair grows. That's all there is to it. And it is a splendid tonic to the hair, giving the hair follicles tone and strength. This is why it checks falling hair so promptly. As a dressing, it keeps the hair soft and smooth and prevents splitting at the ends.

Made by the J. C. Ayer Co., Lowell, Mass. Also manufacturers of AYER'S CHERRY PECTORAL—For coughs. AYER'S PILLS—For constipation. AYER'S SASSAPARILLA—For the blood. AYER'S AGUE CURE—For malaria and ague.

Kerosene Oil!

This is the time of year when there is a good demand for oil. It will pay you to buy the best quality, as low grade oil will not only cause your lamps to smoke but will also create a very disagreeable odor in the house. The oil that we have been selling this fall has given our customers splendid satisfaction and is the best that we can buy. Give it a trial when you want another supply.

As announced in yesterday's Guardian Prof. Robertson, commissioner of agriculture, will shortly retire from his position. For some time he has been actively identified with the propagation of Sir Wm. MacDonald's scheme for manual training schools, and he will be appointed head of the Sir William's Agricultural College, near Montreal. It is probable that owing to the division of the work the office of dominion commissioner will be a onished.

The Guardian has received a few samples of "Bannger," Eddy's Impervious sheathing. It is a heavy sheathing, with a strong fibre, made of a sulphite pulp. It would be difficult indeed for cold to get in or heat to get out wherever it is used. The claim that it makes a good inside or outside covering for cheap summer cottages, ice-houses, wood-houses, etc., seems well founded, as it would appear to take paint readily and be capable of considerable decoration. It is finding a ready sale all over Canada, and hardware dealers are handling it in the various localities.

The residence of R. Burke, Government Fruit Inspector, West Royalty was the scene of a quiet but pretty wedding on Wednesday evening Nov. 16th when his second daughter, Louise Stewart Burke was united in marriage to John Lewis, of the same place in the presence of the near relatives of both parties. The ceremony was performed by Rev. R. W. Stevenson. The bride was attended by Miss Beren Lewis, sister of the groom, while Vernon L. Burke acted as the groomsmen. After the ceremony the guests sat down to a well laden table prepared in Mrs. Burke's tasteful manner. The happy couple were the recipients of many beautiful and useful wedding gifts emblematic of the hearty good wishes of the donors. The serenaders carried out their part admirably without being guilty of the slightest ungentlemanly action. After spending a pleasant evening Mr. and Mrs. Lewis drove to their new home in West Royalty.
