"We the officers and members of Southern Gem Lodge, No 117 I. O. G. T., wish to express our sincere sympathy with you in your great sorrow. Death has visited your home and claimed your loving wife and we know how hard it is to say in such an affliction: "Thy will be done." We also wish to extend our sincere sympathy to Bro Augustus Keenan, brother of the deceased, and trust that he may realize that she is not dead, but gone before. We feel that words seem cold and formal in sorrow like yours, but we know that God can and will comfort you, and help us to prepare for that home where death-divided friends at last." Shall meet to part no more."

Exclusive "Classy" Hats

There is something individual and "different" about the hats that this store shows. The hat our workrooms turn out for you will not be just the same as somebody else is wearing. Your individual style is carefully studied by experts of long experience and cultivated taste in millinery—and to their thorough knowledge of the right thing in millinery their skilful fingers, and the result is a hat that is a thing of beauty and a joy as long as it lasts. Our Millinery costs no more than Ordinary Millinery.

Because we are not satisfied to fill your orders in the good old way, because we are never satisfied short of the best, does not mean that the cost to you is any greater. It is less in most cases, we trim more hats than most store, and the great number trimmed makes possible our desire to give you something smarter, something newer, something "classier" than you will get anywhere else. Come in and talk millinery with one of our designers.
