

"BEST MEDICINE FOR WOMEN"

What Lydia E. Pinkham's Vegetable Compound Did For Ohio Woman.

Portsmouth, Ohio.—"I suffered from irregularities, pains in my side and was so weak at times I could hardly get around to do my work, and as I had four in my family and three boarders it made it very hard for me. Lydia E. Pinkham's Vegetable Compound was recommended to me. I took it and it has restored my health. It is certainly the best medicine for woman's ailments I ever saw."

Mrs. Shaw proved the merit of this medicine and wrote this letter in order that other suffering women may find relief as she did. Women who are suffering as she was should not drag along from day to day without giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice in regard to such ailments write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its forty years experience is at your service.

FOX MEN ATTENTION

Experts tell us young foxes require bone meal. The safest and most satisfactory way in which it can be fed is by feeding the IMPERIAL FOX BISCUITS. These Biscuits contain a good percentage of fats, both animal and vegetable, and when fed in skim milk, produce excellent results. Be sure IMPERIAL FOX BISCUITS form a large part of the diet of your growing foxes this season.
