

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children, that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

BIG BEN-BEY

FOX MEN

I am in a position to impart to you after experimenting for three years how to prevent diarrhoea and dysentery trouble in young fox pups, thus minimizing your losses and reducing the mortality. It is in the art of feeding. I have been using for a period of three years Shredded Wheat and found without a doubt the best food obtainable giving best results and minimizing the cost of feeding.

I have a shipment due to arrive any day of about three tons and will be glad to receive applications in lots of 100 lbs. and over. The Shredded Wheat is packed in bags, accurate weight, fully 35 per cent cheaper than any biscuit on the market, easy digestible, no trouble and an absolute saving. Some of the largest ranches are using same on my recommendation and each and every statement made can be corroborated. For your own good drop me a line or call and see me I will tell you more about it.

DR. LEO FRANK

Solid Comfort

In Your Ford Car

When Equipped

With H. & D. Shock Absorbers

The H. & D. is the original cantilever type of Shock Absorber. It takes the bumps and thrusts of the road in a natural manner and does away with the rebound and side sway. The sharp sudden jars are changed to smooth gliding waves, no matter what the load of the car may be. In addition to the wonderful ease and riding comfort, the installation of a set of H. & D. Shock Absorbers will prevent springs from breaking and stop body rattle. The springs are of the best spring wire steel, which retain their shape and resiliency. The arms are of specially annealed malleable iron and very strong. H. & D. Shock Absorbers are guaranteed mechanically perfect and free from all defects in material and workmanship. They are made with the new lock bolt construction, which makes oiling unnecessary. They are easily and quickly attached; no holes to bore; no injury to your car. THEY NEVER RATTLE.

PRICES. Single arm style, per set of four \$11.00
Twin Arm Style, per set of four \$14.00

Until September 13th we close Each Evening at 5 o'clock and on Saturdays at one o'clock We do not close on Wednesday Afternoons.

CALLED TO HALIFAX. Mr. Montague Warren, the well known piano tuner of this city, left yesterday morning for Halifax in response to a telegram conveying word to him that Mrs. Warren had been taken very suddenly and seriously ill there.

HOME FROM OVERSEAS. Mr. Montague McMillan, son of Mrs. W. D. McIntyre, widow of the late School Inspector McIntyre, has arrived in Charlottetown from overseas. He left here with the 105th and was afterwards transferred to the Medical Corps in which he saw two years service in France.

SPORT REVIVAL. A busy scene is witnessed at the athletic grounds daily. Many athletes are making ready for the big athletic gathering on Monday evening. Citizens generally are taking great interest and a big boost for sport revival will be given at the initial opening. The runs, jumps and bicycle numbers will have many entries and keen competition will be seen. The events will be called off in addition an excellent band concert program will be rendered, so that a most enjoyable evening will be spent by hundreds of citizens. All entries must be handed to Mr. James A. McMillan before noon on Saturday.

SATURDAY, JULY 19 being a general public holiday this store will be closed all day. For the convenience of our customers we will be open for business on Friday evening. Moore & McLeod Ltd. 7105-7-17M21

ROTARY CLUB. At the Rotary luncheon in the Rose and Gray rooms yesterday, Rotarian Marcus Calder ably presided and a most instructive address on electricity was given by Rotarian J. McKie, in the course of which he advised users of electric irons, toasters, etc. to use number 12 wire as it was more economical than the ordinary number 18 lighting wire. District President Inrie gave a graceful exhibition of "The Little Prairie Flower" Rotary twist which was much appreciated and quickly imitated by the other members. It was agreed to appoint Rotarians Bayer and Kinsman to co-operate with the Great War Veterans Association and the City Council to supervise the decorating of the city on the occasion of the visit of the Prince of Wales. It was intimated that a great bonfire was to be lit on Peace Day (tomorrow night) at the old French fort on Mr. J. O. Hyndman's farm. The Mayor undertook to advise the City Council to light a similar bonfire at the Victoria Park.

KINKORA RACES

The races at Kinkora were witnessed by about 2000 persons and were great contests creating at times wild enthusiasm.

The finishes were often very close and one race the 2.45 mixed went the limit in a battle between John R. and Angus Dillard. Mr. Tomaghan is to be congratulated upon the success of the meeting. Dr. Christopher a successful lecturer presiding in Boston was "star" and his certainly a "star" with a splendid command of his "fields" and a voice like a bell. Horsemen certainly enjoyed starting under the doctor.
