# Great Sale of DRESSES

\$8.00 and \$15.00

Commences Friday Morning

Checking up stock in the Ready to wear Department indicates that we have too many dresses of four or five different classes, on our fixtures. They are all good dresses, good, wearable styles, but some of them have overstayed by a little, their regular selling period, and all of them must move out to give place to new goods which have just arrived—and more that are still coming. To make a swift clearance, we have cut the price of every dress to the point where you cannot afford to pass it.

The whole great lot is divided into two big groups regardless of original value—cost—or anything else.

### At \$8.00

This group includes dresses of Serge, and of a good grade Poiret Twill, mostly blacks and Navies, all good smart wearable garments, some plainly finished, others trimmed in Military or Fancy Braid.

Reduced to \$8.00

### At \$15.00

When you see these, you'll be amazed at the qualities that are included in this class. Fine Poiret Twills in Navy and Black, beautifully made, trimmed in self or colored braids, dresses you'd be delighted to wear.

Reduced to \$15.00

We have not printed any price comparison in this ad. We believe that you know that when we say that a bargain is offered—it is always a real one here. These two groups, offer in our opinion two of the most outstanding bargains that this store has placed before you this year.
