HEAVY FINES.—At the City Police Court yesterday morning Alexander McAulay was fined \$200 or four months for a breach of the Prohibition Act. Convicted of a first offence against the Act Gordon Essery was fined \$100 or three months. On a charge of having used abusive language, a young man was fined \$2 or five days. A case against Nehemiah Fleming, who stands charged with malicious injury to property, was adjourned for one week, as was also a prohibition case against Henry Benoit.

HOME MADE CANDY.—Lots of good home made candy at the high tea at St. Joseph's Convent. 6442

COMPLETED INSPECTION.—Mr. Marin Gallant Inspector of Audrin School was inspecting schools in Rustico and Hope River last week. He has already visited some schools for the second time and expects to be back in Rustico on his second inspection trip before Christmas. He returned to Urbanville on Thursday morning.—Z.

LITTLE CHILD DEAD.—Mr. Arthur Nelson, of A. E. McEachen's of this city, and Mrs. Nelson, have the sympathy of many friends in the death of their youngest child, Gertrude, a bright little girl of four years. She passed away on Saturday morning after an illness of only three days of diphtheria. The funeral took place Sunday afternoon to the People's Cemetery.

FROM CANSO.—Capt. J. W. Stanley, who will go to the front with the second contingent arrived in Charlottetown by the Pictou boat last night from Canso. The eight volunteers who have been selected to go to the front with the P. E. Island Heavy Brigade in the second contingent will arrive in Charlottetown to-night.

HOME GUARDS.—The citizens' committee meet tomorrow, Wednesday evening at 8 at the Armouries to further arrangements for the second turnout of the Charlottetown Home Guard, which takes place Thursday night next at Drill Hall. A large turnout is expected. The men will be formed in companies, and officers elected in all probability at this parade. All citizens between 18 and 65 desirous of enrolling may do so by seeing any member of the committee and signing the service roll.

ARE YOU ENTERPRISING. There is no travelling cinematograph in Prince Edward Island at present at a time when people are dying to see the "movies." There is a fortune of any enterprising individual who enters this year. Terms for a complete cinematograph outfit with all particulars about its operation, etc., may be obtained by application to the Guardian office. 6158.

A PROFITABLE BUSINESS.—There is no more profitable business at the present time than the cinematograph business. Everyone wants to see moving pictures of current events, of the war, of the drama, and so on. At present there is not a single cinematograph travelling the country districts in Prince Edward Island, while the people in the country are crying for entertainment. Any enterprising individual wishing to enter this business and reap a rich harvest can do so for an initial outlay of \$150. A complete cinematograph equipment for use in town or country may be obtained for that amount. Particulars may be obtained by application at the Guardian Office. 6157.

BIBLE SOCIETY.—In common with many other organizations, the British and Foreign Bible Society has had, this year, enormous calls upon its funds, distributing Bibles and Testaments to soldiers in their own language, besides increased expenditure of supplying Bibles in foreign fields. The local society of P. E. Island intend making the usual collections among citizens for this worthy society and bespeak for the collectors, a sympathetic response.

Beware of Teas that are dusty and full of broken leaves—as these are injurious in use and unpleasant in the cup, the dust being generally put there to reduce the cost. "SAL-ADA" Teas are always Fresh, Fragrant Free from dust and economical in use—preserved and sold only in sealed packets at 35c, 45c, 55c, 65c, per pound.

FOXES.—Mr. P. A. Farquharson, of The Matchless Silver Black Fox Co., Limited, leaves on this morning's Express for the Matchless Company's ranch, Kensington, P. E. Island, with 6 pairs of beautiful silver black foxes.

FROM THE FRONT.—A letter received by Mr. George Walker last night from his brother Gilbert, now at Salisbury Plains with the first contingent, after telling of the excellent condition of health of the Canadian boys, incidentally mentions the fact that he has been promoted to the rank of Lieutenant. It will be remembered that Lieut. Walker enlisted with the 73rd Pictou Highlanders as a private, having resigned his position in the Bank of Nova Scotia to go to the front. He is to be congratulated on his early promotion. It is worth noting that Lieut. Walker's father is Quarter Master with No. 2 Stationary Hospital now in France, which has the distinction of being the first Canadian corps to be sent to the front.

THE PEOPLE'S.—Big audiences witnessed a really splendid programme at the People's Theatre last night. The sixteenth chapter of "Our Mutual Girl," in which "our mutual girl" secures a position for her protegee, and pays a visit to her old home in Maryland, was very interesting. "When a Woman Wins" was an absorbing and highly sensational drama, well acted, in two parts. "Lizy and the Bandits," "A Kragy Komic," and "Messenger 845," full of thrill and excitement, were good presentations. A vocal selection by Mr. Parks was much appreciated. Perhaps the greatest attraction was Chief Whirlwind, an Indian sharp shooter, musician and juggler, who in his native costume of the Sioux tribe, to which he belongs, presented a picturesque appearance and performed some feats of juggling which were really wonderful. The Indian act will be changed every night and may be depended upon to be startlingly interesting.

1000 Oxidized Silver Medals to be Given Away

By permission of the Confederation Golden Jubilee Committee we were permitted to order for ourselves 1000 Oxidized Silver Medals to be sold during the Celebration Week. Owing to the war the medals will now have a greater history connected with them and will make a nice souvenir to send to friends and relatives. We purpose giving one with two dollars worth or over of goods that is bought for cash. This offer only lasts as long as we have the medals.
