

FELT LIKE A NEW PERSON

After Taking Only One Box Of "Fruit-a-lives"

EAST SHIP HARBOUR, N. S.

"It is with great pleasure that I write to tell you of the wonderful benefits I have received from taking 'Fruit-a-lives'. For years, I was a dreadful sufferer from Constipation and Headaches, and I was miserable in every way. Nothing in the way of medicines seemed to help me. Then I finally tried 'Fruit-a-lives' and the effect was splendid. After taking one box, I feel like a new person, to have relief from those 'sticking' headaches."

Mrs. MARTHA DEWOLFE.

THE STANLEY.—The Government steamer Stanley left Halifax on Friday and proceeded to Shelburne N. S., where she broke up the ice in the harbor. The ice in Shelburne Harbor was twelve inches thick.

PROMOTION.—Mr. John J. Morris of the Newcastle branch of the Royal Bank of Canada, has been transferred to the branch of that bank at Tignish P. E. I., and left Thursday to take up his duties as manager at that place, says the St. John Globe.

A SUCCESSFUL CONCERT.—A very successful concert and basket social was held in Union Road Hall Wednesday evening, February 28th in aid of Red Cross Work. The night and roads were all that could be desired as shown by the crowded hall. Mr. S. A. Macdonald very capably fulfilled the duties of chairman, while Messrs Carter, Macdonald and C. McLeit acted as auctioneers. A very interesting programme was carried out, after which the sale of candy and baskets took place, realizing the sum of \$100. The Committee desire to thank all those from surrounding districts, who so kindly took part in the programme and also all those who furnished baskets and helped make it a success.

AFTERNOON TEA.—On Wednesday of Easter week, April 11th, the ladies of St. Elizabeth's Aid Society, will hold an afternoon tea, in aid of St. Vincent's Orphanage. 4691

AN OLD FAVORITE.—Jere McAuliffe, an old time theatrical favorite in Charlottetown is playing a return engagement with his own musical comedy Company in Portland, Maine. He is reported to be meeting with great success. Jere expects to play the Maritime Provinces in the spring.

HOCKEY IN HALIFAX.—The New Glasgow hockey team defeated the Socials of Halifax in the Halifax Arena last Friday night, by a score of 5 to 4. The game was characterized by much roughness and slashing. Chess Gregory formerly of Charlottetown played a star game for New Glasgow.

ISLANDS BOXER WON.—Bill McKinnon, the P. E. I. boxer, stopped Joe Rivers at Augusta, Me., last week, in what was scheduled for two six-round bouts. McKinnon put Rivers out in the fourth round of the second bout. Rivers took a lot of punishment. He substituted for George Robinson, who was scheduled to meet McKinnon.

SEED FAIR CANCELLED.—The Central Seed Fair, which was to have been held on Wednesday and Thursday of this week has been cancelled for this year. The heavy snow storm, the uncertainty of the weather in future, along with the fact that a suitable building could not be secured at all times, are the reasons of the cancellation. 4695.

WEDDING BELLS.—A very auspicious event was solemnized at the home of Hon. John McMillan and Mrs. McMillan, West River, last evening, when their daughter, Miss Marguerite Amy, became the wife of Mr. Frank Livingston, formerly of West River, but of late a resident of Western Canada. The ceremony was performed by Rev. T. V. Murphy, rector of St. Paul's Church, Charlottetown. The bride was attended by Miss Annie Wright, while Mr. John Livingstone, the groom's brother, discharged the honors of best man. The ceremony was witnessed by a large number of the relatives and intimate friends of the happy couple, and the decorations were very pretty. The bride, who is a great favorite among the younger people, received a galaxy of beautiful and useful gifts. The Guardian joins with their numerous friends in extending felicitations.

OF THEATRICAL INTEREST.—Charlottetown theatre goers will be interested to learn that the great comedy "Charley's Aunt," which is said to be the funniest comedy ever written, may soon be seen in Charlottetown by the English Company

which has been touring the maritime provinces with it this winter. This production has been put on at various times here by different companies but it never fails to attract large audiences. The advance man of the company is expected on the island first trip of the car ferry steamer. It may also interest the public to know that the celebrated English actor, Albert Brown, who appeared here in the big success, "The White Feather" and "The Black-Feather," is expected here in the spring with an A-1 English Company in the great comedy drama, "A Little Bit of Fluff." Seven companies are playing this piece in England and Mr. Brown has secured the sole rights for its production in Canada. It recently ran for two weeks in Winnipeg. Mr. Brown is said to be the only English actor who has toured Canada alone, and made a success without including the United States in his tour.

There is no more effective vermifuge on the market than Miller's Worm Powders. They will not only clear the stomach and bowels of worms, but will prove a very serviceable medicine for children in regulating the infantile system and maintaining it in a healthy condition. There is nothing in their composition that will injure the most delicate stomach when directions are followed, and they can be given to children in the full assurance that they will utterly destroy all worms.
