CURE YOURSELF OF RHEUMATISM

The application of Nerviline—nerve-pain cure—which possesses such a marvelous power over all nerve pain, has proved a remarkable success in rheumatism and neuralgia. Nerviline acts on the nerves, soothes them, drives pain out and so gives relief. Try it and be convinced.

Not To Blame.

"One of those little chickens won't mind the old hen at all. It runs about by itself and doesn't pay any attention to her clucks."

"I don't really blame the poor little thing. It's the one that was hatched in an incubator."

STRATFORD, 4th Aug., 1898
MESSRS. C. C. RICHARDS & Co.

GENTLEMEN,—My neighbor's boy, 4 years old, fell into a tub of boiling water and got scalded fearfully. A few days later his legs swelled to three times their natural size and broke out in running sores. His parents could get nothing to help him till I recommended MINARD'S LINIMENT, which after using two bottles, completely cured him, and I know of several other cases around here almost as remarkable, cured by the same Liniment, and I can truly say I never handled a medicine which has had as good a sale or given such universal satisfaction.

Without a Rival!

Paine's Celery Compound as a Blood Purifier and Health Giver Ranks First in Every Civilized Land.

Professional men, members of parliament, bankers, business men, mechanics and our farmers, after happy results and experiences with Paine's Celery Compound, emphatically assert the great medicine has no rival.

As a good purifier, disease banisher and health giver, it has won the admiration and praise of those in position and affluence, and people in humble circumstances have largely added to its extended reputation.

The vast army of sick and weakly people restored to health and vigor by Paine's Celery Compound have done more for the present world-wide sale of the great health-builder than all the press notices ever published.

Under such happy auspices, the proprietors of Paine's Celery Compound with full and honest confidence urge the use of this noblest and best of medicines at this present season.

The work of purifying the blood, cleansing the system, regulating the nerves, is an imperative one, and should not be delayed a moment, if ailing people would have perfect health.

Men and women distressed by headache, nervousness, sleeplessness, dyspepsia, neuralgia, rheumatism and liver and kidney complaint, cannot afford to treat their troubles with indifference. Serious and fatal results follow delays. This is the time for the taking on of new strength and true vitality, and Paine's Celery Compound will never disappoint the sick and afflicted.

The old motto of Paine's Celery Compound "Makes sick people well," is as true to day as it was years ago.

Good Use For Them.

She (Singing softly)—"Would that I had the wings of a bird."

He—What earthly use would they be to you, my dear?

She—I was just planning the trimming for my spring-hat.

NINETY PER CENT.

Of the people are afflicted with some form of humor, and this causes a variety of diseases. The reason why Hood's Sarsaparilla cures when all others fail is found in the fact that it effectually expels the humor. Scrofula, salt rheum boils and all eruptions are permanently cured by this great medicine.

Hood's pills are the best family cathartic and liver tonic. Gentle, reliable, sure.

Belgian workmen are fond of cock crowing competitions. The other day one well trained bird crowed no less than 463 times in the course of an hour.

DON'T TEAR DOWN BUILD UP.

The old-fashioned theory of tearing down disease was entirely changed by the advent of Dr. A. W. Chase's Nerve Food, which cures by creating new rich blood and nerve tissue. Through the medium of the circulation and the nervous system they strengthen and invigorate every organ in the human body.
