VIOLENT HEADACHES

Accompanied by Indigestion and Constipation cured by Dr. Chase's Kidney-Liver Pills

From Bath, Ont., comes the particulars of a remarkable cure effected by Dr. Chase's Kidney-Liver Pills. Mr. Jos. Gardiner was for forty years the victim of indigestion, constipation, and violent headaches. Nothing seemed to have the desired effect until he began the use of Dr. Chase's Kidney-Liver Pills, and they effected a complete cure. Mr. Gardiner writes:
"I have been troubled for over forty years with indigestion and constipation, would go for two weeks at a time. At intervals I would be taken with violent headaches. I spent dollars and dollars in vain, and was finally advised to use Dr. Chase's Kidney-Liver Pills, and must say that they are the only remedy that gave me permanent relief. I would not be without them for anything."
Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box. At all dealers, or Edmondson, Bates & Co., Toronto.

Suffering caused by Piles

Quickly Ended when
Dr. A. W. Chase's Ointment is applied

Besides the intense agony caused by the itching, burning sensations of piles, there are other symptoms which produce restlessness and at times excruciating pains known only to the victim of piles.
What would one give to be free of this terrible disease? And yet there is a cure—a positive cure—which does not cost much and is not painful or difficult to apply.
Dr. A. W. Chase's Ointment is, so far as is known, the only absolute cure for blind, itching, bleeding and protruding piles. It gives relief at the first application and affords a perfect cure in the most aggravated cases.
Mr. Isaac Foster, Erieview, Ont., says: "I was troubled with itching piles for two years and could not sleep at night. I was half-crazed and tried everything. Finally seeing Dr. Chase's Ointment advertised I tried it and found it good. After a second application I found relief, and one large box cured me. Have never been bothered since, and I can recommend it to all suffering from the same trouble."
Dr. Chase's Ointment is for sale by all dealers, or Edmondson, Bates & Co., Toronto.

PRINCE EDWARD ISLAND
And Its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, and the scenery is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, it enjoys all the coolness of the sea breeze, and the advantages that can only be derived from sea bathing, at about 65 degrees.

Charlottetown has over 12,000 inhabitants and is the capital. It has many great retail stores, besides a large wholesale trade. It has a Gas Light and Power Company, two Electric Light plants, and a street railway in embryo. It has a first class water works and sewerage system. It is famed for its wide and shaded streets, its many pleasant drives, the principal of which is the new Park Boulevard, its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. I also have several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park. Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, Queen, and Revere.

Summerside has about 4000 inhabitants. It is situated on beautiful Bedeque Bay. It has the largest and finest departmental store in the Maritime provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. The hotels are—Clifton, Russ, and Campbell.

Georgetown and Souris have a population of about 1,000 each. In the former are the Aitken, and Tapper hotels and in Souris the Sea View.

At Cape Traverse, a very pleasant summer resort, is the Lansdowne hotel. In Alberton, the Albion Terrace and Wisner. In Tignish the Railway; in Kensington, Clark's and Commercial; in Montague, McDonald, and in Mount Stewart, Clark's and Manson.

The following hotels open for the summer season: At Hamp on, Pleasant View; at Stanhope, Mutch's; and Cliff. At Brackley Point, Shaw's; at Rustico, Seaside; at Malpeque, North Shore; at Tracadie Beach, Acadia; at Alberton, Seaforth, and at Pownall, Florida.

In addition to those already mentioned there are other towns and villages in the Province with hotel accommodation, while many farm houses prepare for the reception of tourists. The rivers and streams team with trout, the bays—with mackerel, while game of almost every description abounds.

N. B.—Visitors to Prince Edward Island, who desire full information regarding hotels and boarding houses, trains, boats, livery stables, etc., and how to reach the different seaside and country resorts, fishing places, etc., can obtain the same by writing to or calling on Messrs. Johnson & Johnson, Druggists, Prowse Block, Charlottetown, where all information will be cheerfully given free of charge.

Any person willing to accommodate, either in the town or country, should avail themselves of the opportunity and write at once.
