The Markets At A Glance

CHICAGO, June 17 — (AP)—Grains remained bid at ceilings in a quiet market today. Trading probably was the smallest for a full session since records were started in 1921. The all-time low in turnover was established in Saturday's short session when only 140,000 bushels were traded.

WINNIPEG, June 17— (CP)—Cash prices on rye futures on the Winnipeg Grain Exchange reached an all-time high today at $3.00 5-8. October and December futures, which opened first, showed an easier tone in the initial stages with losses around 4 cents recorded at close time.

NEW YORK, June 17—(AP)—Stocks generally followed the rails when the latter touched another 15-year peak in today's market but late profit cashing reduced most early gains of fractions to a point or more and put numerous leaders in the minus column.

The Associated Press 60-stock composite was up .2 of a point at 81.7. The rail average finished up .3 at 51.2 which equalled the top figure since 1931 established last Thursday.

TORONTO, June 17—(CP)—Following a firm to strong tone in the early period, the Toronto stock market turned a bit heavy in the late stage to chalk up index losses all round. Base metal stocks especially were heavy and they closed .90 down. Other group losses were small.

Beaulieu was again a leader in the gold group, trading 155 000 shares, and it closed at 1.12. Most of the Yellowknife stocks were strong.

MONTREAL, June 17—(CP)—Most groups of leaders had a majority of fractional advances where price adjustments occurred in trading today on the stock exchange and curb market though a large segment of the complete list boarded failed to move. Transactions covered a fairly broad list, especially in minor mines.

Livestock

MONTREAL, June 17— (CP)—Calves were unchanged to irregular and other classes about steady today on the livestock markets

Good quality steers sold for 13—14.50 with choice steers selling up to 15. Medium kinds were 11.50—12.50 and common were down to 10. Heifers ranged from 8.50—13. Good butcher cows were 10—11 and mediums 8.50—9.75. Canners and cutters made 5—7. Good bulls were 10—11 with commoner kinds going from 7.50 up.

Some vealers were up about $1 and others were lower. Buyers bid lower for the commoner kinds. Best veals were from 15.50 and a few were 16. Common to just fair quality ranged from 10—14.

The bulk of the hogs offered were weighed in at 22 for grade A. Sows were 2.25 dressed.

Most lambs were 13—15 per cwt. according to weight and quality. Sheep were 5—9.50.

MISS SUE KENNEDY

Rev. T. D. F. Everett, Director of Young People's Work for the Maritimes, will be the dean and director of the Maritime Young People's Conference being held July 9 to 17 at the Academy, Mount Allison, Sackville. Mr. Everett is the past president of the Maritime Conference Y. P. U., and holds a pastorate in Edmundston. His work in connection with the United Church Y. P. U. during the past few years has made him known throughout the Maritimes and beloved by all the young people who have come to know him. Mr. Everett will be one of the Maritime's representatives at the National Y. P. Council being held in Belleville in August.

Miss Sue Kennedy, Windsor Junction, President of the Maritime Conference Y. P. U., extends a cordial invitation to all young people interested in the work of the United Church of Canada to take advantage of the opportunity of attending Conference this year. A special invitation is issued to returned service personnel to renew their acquaintance with the Y. P. U. work of the Church. Miss Kennedy has become known throughout the Maritimes in her visits at many points as official representative of the Maritime Conference Y. P. U. Miss Kennedy will be a representative of the Maritime Conference Y. P. U. at the National Y. P. Council in Belleville.

Rev. J. H. Freestone of Moncton, newly elected president of Maritime Conference of United Church of Canada, will be the Theme Course Lecturer at the Conference, centering his theme around "The Crusade for Christ and His Kingdom." People of the Maritimes who have had the privilege of hearing Mr. Freestone in his pulpit from Sunday to Sunday will realize the wonderful opportunity offered to the delegates in having Mr. Freestone as their principal lecturer. Mr. Freestone will be remembered in Halifax as the Minister of Brunswick Street Church, and in Yarmouth where he held a pastorate for some time.

W. A. White, Halifax, will go to Conference as song-leader. Mr. White is known throughout the Maritimes as a song-leader of outstanding ability, and his gift of music will contribute a great deal towards the success of Conference. Mr. White is Director of Adula Program of the Halifax Y. M. C. A., and has won much genuine praise for his outstanding musical ability. Mr. White, also, will attend National Y. P. Council as song-leader, and carries the distinction of being the only one chosen from the Maritimes to attend National Y. P. Council as a leader.

U. at Belleville at the National Y. P. Council.

The "Camp Mother" at the Maritime Y. P. Conference will be Mrs. D. J. Scoates, and she will also assist her husband in giving a course in Vacation School work. Rev. and Mrs. Scoates hold a pastorate in Dalhousie. The people of the Maritimes remember them for the outstanding missionary work they accomplished among the Indians in western Canada.

A course in administration will be given by Jack MacLeod, Associate President of the Maritime Conference Y. P. U., and now occupying the Pleasant Bay Mission Field in Cape Breton until fall when he will resume his studies in Theology at Pine Hill, Halifax. He will be assisted in the Administration Course by Rev. John Jarvie.

John Jarvie has completed post graduate work in Chicago, and has just returned to the Maritimes to take up his work as Field Secretary of Religious Education for the Maritimes. People of Prince Edward Island will recall Mr. Jarvie as Minister in Summerside before leaving for further studies. Mr. Jarvie is welcomed back to the Maritimes, and the young people are looking forward to meeting him at Conference.

Rev. C. N. Blanchard of Yarmouth is to be leader of the Citizenship Course. The active interest he has always maintained in the young people's work of the Church fits him well for this position. Mr. Blanchard has held congregations in Dartmouth and Bear River.

FOR SALE
FORD 3-TON TRUCKS

Subject to prior sale or withdrawal, War Assets Corporation invites offers for the purchase of, in lots or multiples of twelve, a quantity of Ford 3-ton trucks, located at railway sidings, Windsor, Ontario. Description and conditions of sale are outlined below.

DESCRIPTION: Manufacture, Ford 3-ton; wheel base, 158"; four wheel drive; right hand steering; designed to use 10.50 x 20 tires single all round. NOTE: Trucks consist of chassis and cab only, no tires or bodies included. So far as can be ascertained, each truck is complete to the extent stated, but there may be shortages of a minor nature which the manufacturer can supply under their usual terms.

These trucks were prepared for shipment to Allied Armies Overseas, there to be assembled in Ford Company plants, and were packed in units of twelve in a completely knocked-down state. Each unit of twelve vehicles consists of approximately 28 to 30 cases, totalling an estimated weight of 97,000 pounds and an approximate cubic measurement of 3200 ft.

Investigation indicates that it is impossible to assemble these trucks in the Canadian Ford plant without seriously interfering with that company's reconversion programme.

The minimum to be sold to any individual is a unit of twelve trucks (it is not practical to break down this unit). They will be sold "ex" location, railway sidings, Windsor, Ontario.

These trucks will be sold on an "as is—where is" basis. Offers to purchase must be accompanied by a certified cheque or bank draft in the value of 10% of the offer, made payable to War Assets Corporation. If the offer is accepted, the purchaser must forward a certified cheque or bank draft for the remainder prior to delivery being taken.

The purchaser shall take delivery of the entire quantity involved in his offer within thirty days of completion of sale to him by War Assets Corporation.

War Assets Corporation reserves the right to accept or reject any offers to purchase. Cheques or bank drafts will be returned to those whose offers are rejected.

Offers to purchase will be received until:

Friday, July 19, 1946

by the Special Sales Division, War Assets Corporation, No. 4 Temporary Building, Lyon Street, Ottawa, Ont.

NOTE: The retail ceiling price to any consumer to whom the trucks may be sold by the original purchaser will be that price fixed by the Wartime Prices and Trade Board. This retail ceiling price, exclusive of freight and servicing charges which are also fixed by the Wartime Prices and Trade Board, is $1,385 for chassis and cab assembled from the material offered for sale and fitted with four tires. If the material offered for sale is utilized to produce a vehicle differing in specifications from that described and for which it was produced, the retail price might alter.
